

Important Information

The National Inquiry into Missing and Murdered Indigenous Women and Girls will be in your area

To all families and survivors in Manitoba:

The National Inquiry will have a team made up of staff from the Health, Community Relations, and Legal teams on the ground in southern Manitoba the week of July 24, 2017. The teams will be reaching out to those of you near Winnipeg and Sagkeeng who intend on participating in the National Inquiry.

These community visits will help us all to plan and prepare for Community Hearings that are part of the overall Truth Gathering Process that will take place in Winnipeg the week of October 16, 2017.

Sagkeeng: Tuesday, July 25, 2017

Winnipeg: July 26- July 28, 2017

Contact Morene Gabriel, Community Liaison Officer, at 1 (204) 291-5193 or at m.gabriel@mniwg-ffada.ca, to find out more about how you can meet with the National Inquiry to get information on how you can participate.

It is important to note that families, survivors and loved ones have choices in how to share, in a comfortable and safe way. There are many ways to participate, including before a Commissioner in a private and confidential hearing without any cameras present.

There are plans to visit northern Manitoba at a later time this summer. This is at the request of families, organizations, and communities. The National Inquiry will announce the location once the schedule is agreed upon between families, organizations, and communities.
