Dear Registrar:

Re: National Inquiry into Missing and Murdered Indigenous Women and Girls

I enclose the French versions of the Overview of Health Canada and the Supplemental Overview of the First Nations and Inuit Health Branch that we submitted to the National Inquiry into Missing and Murdered Indigenous Women and Girls on October 15, 2018:

- Aperçu de l'approche de Santé Canada à l'égard de la consommation problématique de substances; and
- Survol supplémentaire de la Direction générale de la santé des Premières nations et des Inuits.

As with the English versions, these materials are being submitted pursuant to Rule 33 of the Legal Path: Rules of Respectful Practice and paragraph 9 of the Practice Direction – Public Submission of Information to the Record Outside of Witnesses.

Yours truly,

Anne McConville
Senior Counsel
