1	Tseshaht First Nation /Port Alberni, British Columbia
2	Upon commencing on Wednesday, September 13, 2017
3	MS. WENDY VAN TONGEREN: All right, so look
4	at the time, everyone. It's 10 minutes after 2:00. And
5	what's the date?
6	UNIDENTIFIED SPEAKER: The 13th.
7	MS. WENDY VAN TONGEREN: You get the prize.
8	Okay, it's September 13th. Is your brother in the room?
9	UNIDENTIFIED SPEAKER: No, he's in Campbell
10	River.
11	MS. WENDY VAN TONGEREN: Okay. That's too
12	bad.
13	Yeah. Okay, and so we're about to start an
14	interview. And I'm meeting these wonderful people for the
15	first time. Very pleased about that.
16	So my name is Wendy van Tongeren, V-A-N, T-
17	O-N-G-E-R-E-N. And as I've indicated, I'm a lawyer with
18	the Inquiry. And I'm going to hand this over to my dear
19	colleague who will introduce herself and then we'll go to
20	this beautiful woman.
21	ELDER GERTIE PIERRE: My name is Gertie
22	Pierre and I'm an elder worker for the Inquiry.
23	MS. SIOUXSAN MARTIN: My name is Siouxsan
24	Martin.

ELDER GERTIE PIERRE: Siouxsan Michael?

1	MS. SIOUXSAN MARTIN: Siouxsan Martin.
2	ELDER GERTIE PIERRE: Martin? Okay.
3	MS. WENDY VAN TONGEREN: And spell your last
4	name if you don't mind.
5	MS. MARTHA STEWART: My name is Martha
6	Stewart.
7	ELDER GERTIE PIERRE: She wants you to spell
8	your last name.
9	MS. SIOUXSAN MARTIN: M-A-R-T-I-N.
10	ELDER GERTIE PIERRE: And what's yours?
11	MS. MARTHA STEWART: Martha Stewart.
12	ELDER GERTIE PIERRE: Martha Stewart.
13	MS. WENDY VAN TONGEREN: Is it S-T-E-W-A-R-
14	T?
15	MS. MARTHA STEWART: Yeah.
16	MS. CAROL FRANK: And my name's Carol Frank.
17	MS. WENDY VAN TONGEREN: F-R-A-N-K?
18	MS. CAROL FRANK: Yes.
19	MS. CECELIA ARNET: My name's Cecelia Arnet,
20	A-R-N-E-T.
21	MS. WENDY VAN TONGEREN: What's your first
22	name?
23	MS. CECELIA ARNET: Cecelia.
24	MS. WENDY VAN TONGEREN: C-E-C-I-L-I-A?
25	MS. CECELIA ARNET: C-E-C-E-L-I-A.

1	ELDER GERTIE PIERRE: Cecelia?
2	MS. CECELIA ARNET: Cecelia Arnet. I got
3	candy in my mouth.
4	MS. WENDY VAN TONGEREN: Oh, where's the
5	candy? Oh, the bathroom?
6	[ELDER GERTIE PIERRE]: Upstairs.
7	MS. WENDY VAN TONGEREN: So what you do is
8	you go up the stairs. And then when you get to the
9	conference room turn right.
10	Did you say your name?
11	MS. CECELIA ARNET: Cecelia.
12	MS. WENDY VAN TONGEREN: Oh, you're Cecelia?
13	MS. CECELIA ARNET: Yeah, I'm Cecelia.
14	MS. WENDY VAN TONGEREN: Okay.
15	MS. CECELIA ARNET: M'hm.
16	MR. MOSES MARTIN: And I'm Moses Martin, M-
17	A-R-T-I-N.
18	MS. WENDY VAN TONGEREN: Moses?
19	MR. MOSES MARTIN: Yeah.
20	MS. WENDY VAN TONGEREN: Okay. And I didn't
21	hear your name, so it's just Siouxsan?
22	MS. SIOUXSAN MARTIN: Siouxsan.
23	MS. WENDY VAN TONGEREN: Oh, that's the name
24	of my sister.
25	ELDER GERTIE PIERRE: Oh, Susan.

1	MS. WENDY VAN TONGEREN: My daughter.
2	MS. SIOUXSAN MARTIN: It's spelled like S-I-
3	O-U-X-S-A-N.
4	MS. WENDY VAN TONGEREN: You've got to be
5	kidding. So can you do that again for me please?
6	MS. SIOUXSAN MARTIN: S-I-O-U-X-S-A-N.
7	UNIDENTIFIED SPEAKER: This is Siouxsan.
8	ELDER GERTIE PIERRE: That's nice. It's
9	different.
10	MS. WENDY VAN TONGEREN: Do you mind if I
11	put it on here? You do mind?
12	MS. SIOUXSAN MARTIN: Go.
13	MS. WENDY VAN TONGEREN: Go ahead?
14	MS. SIOUXSAN MARTIN: Yes.
15	MS. WENDY VAN TONGEREN: Okay. S.
16	ELDER GERTIE PIERRE: And where did you get
17	your name?
18	MS. WENDY VAN TONGEREN: I.
19	MS. SIOUXSAN MARTIN: No.
20	MS. WENDY VAN TONGEREN: O.
21	MS. SIOUXSAN MARTIN: My well, I had a
22	friend in school. She was from North Dakota.
23	ELDER GERTIE PIERRE: M'hm.
24	MS. SIOUXSAN MARTIN: And my husband decided
25	that he wanted her to be Susan. And because of the

4

1	uniqueness of her name, the way it's written.
2	ELDER GERTIE PIERRE: Yeah. Is that always?
3	MS. WENDY VAN TONGEREN: X-S-A-N?
4	MS. SIOUXSAN MARTIN: X.
5	MS. WENDY VAN TONGEREN: X-S-A-N?
6	MS. SIOUXSAN MARTIN: X.
7	[MS. WENDY VAN TONGEREN]: Nearly got it,
8	yes.
9	MS. WENDY VAN TONGEREN: S-I-O-U?
10	MS. SIOUXSAN MARTIN: X.
11	MS. WENDY VAN TONGEREN: X. Oh, X. I
12	spelled it wrong?
13	ELDER GERTIE PIERRE: Yeah.
14	[MS. WENDY VAN TONGEREN]: Here you go.
15	MS. WENDY VAN TONGEREN: Oh, X. Even more
16	interesting. Talk about an X factor. Wow. Would you like
17	to draw anything on here? Anybody like to add something to
18	Siouxsan's is that the way you pronounce it actually,
19	Susan?
20	MS. SIOUXSAN MARTIN: It's Susan, yes.
21	MS. WENDY VAN TONGEREN: Susan?
22	Cecelia, would you like to add something?
23	[MS. CECELIA ARNET]: So just to be a
24	grandma.
25	MS. WENDY VAN TONGEREN: Yeah, exactly.

1	ELDER GERTIE PIERRE: Wow.
2	MS. WENDY VAN TONGEREN: It's our job. Are
3	you a grandfather?
4	MR. MOSES MARTIN: Yes.
5	MS. WENDY VAN TONGEREN: Okay. Would you
6	like to add something?
7	MR. MOSES MARTIN: No.
8	MS. WENDY VAN TONGEREN: Well, I'll tell you
9	something. Siouxsan, do you mind if I ever have another
10	grandchild that I put that name in as an option? I don't
11	get a really huge vote but nevertheless I like it.
12	[MS. MARTHA STEWART] My daughter is
13	(inaudible).
14	ELDER GERTIE PIERRE: And you're Martha?
15	MS. MARTHA STEWART: Yeah.
16	[ELDER GERTIE PIERRE] I just love that name.
17	It's so unique. I've never ever heard a name like that.
18	MS. WENDY VAN TONGEREN: And what's so
19	wonderful about it is that it's easy to say. It's just you
20	have to learn how to spell it.
21	[ELDER GERTIE PIERRE]: Yes.
22	MS. WENDY VAN TONGEREN: Okay. So I've
23	actually been a lawyer for almost 40 years. And I think
24	you all know that I'm not an Indigenous woman. I was I
25	think I was hired because I have got a lot of experience in

1	interviewing people and because I was a I worked in the
2	Crown's office as a Crown prosecutor and specialized in
3	prosecuting cases where people, particularly vulnerable
4	people, have been hurt by others. And it was my job and my
5	responsibility to try and help that person tell their
6	story. So I did that for, well, 33 years as a Crown
7	prosecutor.
8	So I think that's why I'm here, because I
9	know that the Terms of Reference talk about the Inquiry
10	being steered by Indigenous women. And it was because that
11	I had a specialty that was kind of unusual to have dealt so
12	much in this area involving violence against women and
13	girls and babies even and in homicide. So I have
14	kind of developed ears to listen and so and it's an
15	honour for me to have an opportunity to meet you all today.
16	MR. MOSES MARTIN: For us as well.
17	MS. WENDY VAN TONGEREN: Okay. So have you
18	designated a person who is going to tell the story or are
19	you all going to add or what did you decide to do?
20	Does this mean that Moses leaves or?
21	[ELDER GERTIE PIERRE]: Moses is a funny
22	man.
23	MS. WENDY VAN TONGEREN: Okay, and for me,
24	this is going now so the reason why it's being on a visual
25	as well is that everything that is being said here goes to

the Commissioners. So it's as if we have a Commissioner in 1 2 the room because they will be -- they will get a transcript as well as look at the visual. 3 And the visual helps because there's so many 4 5 female voices, particularly here. Moses, I think that the Commissioners will 6 7 recognize your voice on the audio but it may be they get 8 confused with the different women. So it would be helpful when you speak if you say something like, "Siouxsan here," 9 or you know, say your name before you speak. 10 11 [MS. MARTHA STEWART]: M'hm. MS. WENDY VAN TONGEREN: And so it's 12 Siouxsan, Martha, Carol, Cecelia, and Moses. 13 14 [MS. MARTHA STEWART]: M'hm. MS. WENDY VAN TONGEREN: And in terms of --15 I gave you the seque -- the introduction to a very serious 16 issue for the Commissioners, which is the systemic violence 17 or the systemic conduct that is carrying on in -- it's not 18 only in Canada; it's throughout the world -- that is 19 resulting in many, many women finding the end of their life 20 or violence or -- and so you know, when you're trying to 21 22 prevent killing or violence against women, when you think 23 about it, if you think about okay well, let's try and 24 identify all the people who are doing it and try to do something about it? 25

1	But that is so difficult. Like, we're
2	finding that throughout the world. It's so difficult to
3	stop the people who are the perpetrators. And so it
4	actually makes a lot of sense to start to examine the
5	vulnerability of the person who ended up being either
6	targeted or just being in the wrong place at the wrong time
7	or whatever it was and trying to create a community, like,
8	a society in a world where there these safety nets that
9	are developed really don't have any holes in them.
10	And so that's what this is about. So it's -
11	- I've seen it analyzed, like, in the areas where I have
12	done work. They call it like, City A and City B and we
13	say, "Okay, City A, when the child went to the police they
14	told her to come back the next day because the officer who
15	does that type of thing wasn't there. City B, the
16	officer's not there so they immediately bring in a
17	substitute who also specializes in that area." Okay?
18	It's time for going for court. City A, they
19	did not meet the prosecutor before the trial. City B, they
20	always they have a policy that they meet the prosecutor
21	five weeks before the trials so the witness is prepared for
22	court.
23	Okay, so we're trying to create a City B,
24	which makes a huge difference to the service that is
25	provided.

1	So that means that when you tell your story,
2	whether it be Moses or all of you might have something
3	to add and I hope you do feel confident to do that
4	including you, Siouxsan that it's you tell the story
5	and then you say, "And then we spoke to the police," or
6	"Then we only spoke to Victim Services or the hospital" or
7	whatever. So if you can include that in it, so and you
8	don't even have to form a judgement. I mean, you could
9	say, "We thought they did a good job because," or you could
10	say, "We thought that they weren't doing a good job."
11	But if you say that you also have to show
12	give some indication of why that is because that's then
13	you're a part of reform, you know? You're a part of making
14	it better for your children and grandchildren of the
15	future.
16	And you can either intertwine that in the
17	story as you go or at the end we can have a discussion
18	about the vulnerabilities and see if we can identify them
19	together and that will help the Commissioners. Because
20	there are patterns, right, the patterns that develop across
21	the country where we've seen the same thing over and over
22	again. So we know that it's something has to be done
23	about it.
24	Are there any questions about that?
25	[MR. MOSES MARTIN]: No.

1	MS. WENDY VAN TONGEREN: Does it make sense
2	to you?
3	[MS. MARTHA STEWART]: Yeah.
4	MS. WENDY VAN TONGEREN: Yeah, you think
5	about it even when you whatever you are running in your
6	house, whatever you are in charge of, whether it be
7	something on your reserve or in the government or even in
8	your family or that's exactly what the thinking is. You
9	look to what systemically is getting in the way of it
10	operating properly and we change it.
11	So Moses?
12	ELDER GERTIE PIERRE: I was just wondering
13	if you wanted to have that picture stood up in front of the
14	people there?
15	UNIDENTIFIED SPEAKER: M'hm.
16	UNIDENTIFIED SPEAKER: Yeah, I'm trying to
17	get it
18	ELDER GERTIE PIERRE: Yeah, you can come put
19	it over here.
20	MR. MOSES MARTIN: Okay, thank you. This is
21	mother.
22	UNIDENTIFIED SPEAKER: The mother
23	(inaudible).
24	MS. WENDY VAN TONGEREN: Oh, we saw that.
25	UNIDENTIFIED SPEAKER: My daughter passed

1	away three months ago.
2	UNIDENTIFIED SPEAKER: Your mother?
3	UNIDENTIFIED SPEAKER: Yeah.
4	MS. WENDY VAN TONGEREN: Oh, so there's two
5	of them?
6	UNIDENTIFIED SPEAKER: So we're representing
7	her.
8	MS. WENDY VAN TONGEREN: Oh, okay.
9	UNIDENTIFIED SPEAKER: She's the mother of
10	Lisa Marie so
11	MS. WENDY VAN TONGEREN: Oh, okay.
12	UNIDENTIFIED SPEAKER: It was the
13	grandparents of Lisa Marie. So we're speaking for my
14	daughter who just passed away. You want yours here too?
15	UNIDENTIFIED SPEAKER: Yes. You can have
16	this. I kept all them. Okay?
17	MS. WENDY VAN TONGEREN: Yeah. So this is
18	Lisa Marie?
19	[MS. CECELIA ARNET]: Yes.
20	MS. WENDY VAN TONGEREN: What's her last
21	name?
22	[MS. CECELIA ARNET]: Young.
23	MS. WENDY VAN TONGEREN: And this on her
24	left is?
25	[MS. CECELIA ARNET]: Marlene Joanne Martin

1	Young.
2	UNIDENTIFIED SPEAKER: She was legally
3	Martin.
4	MS. WENDY VAN TONGEREN: So that is Martin
5	and then something on the bottom?
6	UNIDENTIFIED SPEAKER: Young.
7	MS. WENDY VAN TONGEREN: Oh, Young.
8	UNIDENTIFIED SPEAKER: Should be there. You
9	see it?
10	MS. WENDY VAN TONGEREN: Hi.
11	[MS.CARLA MOSS]: Hi.
12	MS. WENDY VAN TONGEREN: I'm just
13	introducing everybody so are you able to tell us your name?
14	MS. CARLA MOSS: My name's Carla Moss.
15	MS. WENDY VAN TONGEREN: Carla Moss? Okay.
16	MS. CARLA MOSS: Yeah.
17	MS. WENDY VAN TONGEREN: Now, are you here
18	for the pizzas by any chance?
19	[MS. CARLA MOSS]: Any pizzas.
20	MS. WENDY VAN TONGEREN: Well, I interpret
21	to mean that if around Siouxsan we have to order two
22	pizzas. She gets one and the rest of us so it's obvious
23	you're not here for pizza but
24	[MS. CARLA MOSS]: Yeah.
25	MS. WENDY VAN TONGEREN: And so I'd like to

1	if you wouldn't just mind just putting your
2	MS. WENDY VAN TONGEREN: What's that?
3	[ELDER GERTIE PIERRE]: Lisa?
4	MS. WENDY VAN TONGEREN: And your name is?
5	MS. CARLA MOSS: Carla Moss.
6	MS. WENDY VAN TONGEREN: M-O-S-S?
7	MS. CARLA MOSS: Yes.
8	MS. WENDY VAN TONGEREN: Okay, great. Thank
9	you, Carla. And do you know everybody here?
10	MS. CARLA MOSS: Yes.
11	MS. WENDY VAN TONGEREN: Okay.
12	MS. CARLA MOSS: (Inaudible) I'll stay.
13	MS. WENDY VAN TONGEREN: Okay, so my name is
14	Wendy van Tongeren. I work as a lawyer with the National
15	Inquiry.
16	MS. CARLA MOSS: Okay.
17	MS. WENDY VAN TONGEREN: So it's my job to
18	help people tell their story or tell their narrative about
19	their experience.
20	MS. CARLA MOSS: Thank you for the work you
21	do.
22	MS. WENDY VAN TONGEREN: Okay.
23	ELDER GERTIE PIERRE: And my name is Gertie
24	Pierre and I'm and elder in the Inquiry and I help the
25	family.

1	MS. WENDY VAN TONGEREN: Where are you from?
2	ELDER GERTIE PIERRE: Sechelt.
3	MS. WENDY VAN TONGEREN: Okay. Not far from
4	here.
5	ELDER GERTIE PIERRE: No.
6	MS. WENDY VAN TONGEREN: So I kind of feel
7	like I'm in front of the one of those talent judge
8	things. I'll tell you guys, I do know how to juggle a
9	little bit. But what are your talents?
10	[ELDER GERTIE PIERRE]: I feel like I'm in
11	in [with] family.
12	MS. WENDY VAN TONGEREN: My juggling wasn't
13	so hot.
14	MR. MOSES MARTIN: I guess, Wendy, my
15	concern that I have is with many many grandchildren that I
16	have, how do we make this a safe place for young people
17	like my granddaughters and the many others that I have?
18	How do we move forward from the residential school days
19	where we weren't taught anything except to pray?
20	I have I had grandchildren of my own and
21	not one of them can speak their language. Why? Because
22	somebody tried to beat it out of me when I went to school.
23	So I guess there's a way of protecting my
24	family that I never thought I can speak their language
25	fluently. And I had no interest in teaching any of my

25

1	grandchildren.
2	So that's one of the things that I see need
3	to be done, is for us to begin teaching our grandchildren
4	again our very beautiful valuable language that we had that
5	said so many things with some few words, things that we
6	forgot.
7	One of the things that we forgot is we
8	forgot how to be parents. We forgot how to teach our kids
9	about different things of life; we forgot how to teach our
10	kids about the principles of life. One of those very
11	important principles is that one we have that we say
12	(Speaking in Tla-o-qui-aht / Nuu-chah-nulth language), two
13	different things. One says that we are all connected and
14	the other one says that we are all one.
15	That's kind of where I'd like to start from
16	is where, you know, the case of Delgamuukw in 1998 that when
17	that was over Delgamuukw said, "So we're all here to stay."
18	And that's something that we need to not
19	only hear but really understand what that's saying. We
20	were all abused, eh? That means people like other come
21	from other races, they're here to stay. We're all here to
22	stay. We're not going anywhere so why how is that we
23	learn how to live together and work together and play
24	together?

Whatever it is that we have to do to make

25

1	this a better community for our children, a safer community
2	for our children. Because right now we have no respect for
3	each other. I know that. I see it. I hear it. And those
4	things hurt.
5	I wanted to talk a little bit about
6	recommendations that we made when we were a part of this
7	gathering up in Prince George and they were asking for
8	things from the people that attended.
9	And what we recommended was at least the
10	information that was for all missing and murdered
11	Indigenous women. The information that's out there should
12	be centralized somewhere, easier somewhere in a central
13	place where we as family have easier access to that
14	information.
15	Because right now we know nothing. Today we
16	know nothing about what happened or what's going on with
17	our granddaughter's file. Never have had anything. Spent
18	15, 16 years and we have none.
19	And the other recommendation that we made
20	was that RCMP members my son is a member of the RCMP.
21	And when he took his training in Saskatchewan, his six
22	months, he wasn't told about how to treat First Nations
23	people.
24	People don't understand this. People don't

know what we are. They think we're just a pile of garbage

1	and pieces of crap or something.
2	And no, that we're all human, so how do we
3	learn how to respect and live with one another?
4	We teach our language. There's so many
5	things in it that we need to understand.
6	My mother used to say, (Speaking in Tla-o-
7	qui-aht / Nuu-chah-nulth language). And what she was
8	saying was quite simple. "You cannot demand respect; you
9	have to earn it." So simple and yet such a difficult way
10	to live and understand each other.
11	My father said that (Speaking in Tla-o-qui-
12	aht / Nuu-chah-nulth language).
13	Again, a very powerful, simple message, that
14	respect is the very first law of our people. And if you
15	always live by that there isn't much that you're going to
16	do wrong.
17	They also understood that we're just human
18	beings and we're going to make mistakes, understood that
19	you learn from your mistakes. You learn from your mistakes
20	so you don't keep repeating them in your lives.
21	All those little simple things but we need
22	to understand each other. We as First Nations have many
23	things that we can contribute. I'll leave it at that for
24	now.
25	ELDER GERTIE PIERRE: This is really

1	powerful words that you've shared from your is it your
2	grandfather your grandmother?
3	MR. MOSES MARTIN: Grandfather, yeah.
4	ELDER GERTIE PIERRE: Yeah.
5	MR. MOSES MARTIN: And Mom and Dad.
6	ELDER GERTIE PIERRE: M'hm. I think that
7	was kind of awesome for you to share the words because
8	that's exactly what we need to go back to in our culture.
9	MR. MOSES MARTIN: It's a big part of our
10	lives.
11	ELDER GERTIE PIERRE: It is. M'hm. Thank
12	you for sharing that.
13	MS. WENDY VAN TONGEREN: And that is a
14	beautiful language. I had the benefit of a translation.
15	It was a beautiful language.
16	ELDER GERTIE PIERR: What is your language?
17	MS. WENDY VAN TONGEREN: You probably enjoy
18	speaking it, do you?
19	MR. MOSES MARTIN: Yeah. No, it's I've
20	forgotten a lot of the things to as well. Many things that
21	I grew up with as a kid, a little kid, and not speak in any
22	other language when I go to residential school and for
23	three years being beaten because I'm speaking this. And or
24	account of that, and knowing English and
25	MS. WENDY VAN TONGEREN: M'hm.

1	MR. MOSES MARTIN: And spent six hours a day
2	on our knees in church.
3	[MS. CECELIA ARNET]: Yeah.
4	MS. WENDY VAN TONGEREN: So what is the
5	is your relationship here with everybody?
6	MR. MOSES MARTIN: She is my [, an ex wife
7	of mine] (inaudible). And Carol's my daughter and Martha's
8	my daughter-in-law, Siouxsan's my granddaughter. And Carla
9	is my wife.
10	MS. WENDY VAN TONGEREN: So who is the
11	spokesperson who's going to speak about Lisa or sorry, what
12	was the other woman's name again?
13	[MS. CAROL FRANK]: Marlene Joanne.
14	MS. WENDY VAN TONGEREN: Marlene.
15	UNIDENTIFIED SPEAKER: Joanne.
16	MS. WENDY VAN TONGEREN: Marlene Joanne
17	Martin Young.
18	[MS. CAROL FRANK]: Who is to speak about
19	what happened to Lisa?
20	MS. WENDY VAN TONGEREN: M'hm. And it does
21	before they do that, as I think I indicated, if you can
22	speak about people who aren't here to spell their last
23	names and if you can remember dates, that would be helpful.
24	And if anybody needed to draw something up
25	there, if you try to kind of remember dates or things then

1	I can give you some paper to draw on and anything that we
2	can to help you so that we because the Commissioners
3	won't have heard this story so although there is the
4	possibility that we could order some records it might not -
5	- it may might not we don't know how timely that
6	would be. Like, it might take months to get records, but
7	nevertheless, eventually it could come together.
8	So I'm not relying on the fact that we'll
9	get records so as much information that you can give as
10	possible.
11	[MS. CAROL FRANK]: M'hm. Okay.
12	MS. CECELIA ARNET: Yes, she went out. I
13	was in Nanaimo at that time with my late husband. So Lisa
14	in her apartment (inaudible) [next door to] her mom. She
15	was (inaudible) that we came to visit. It was a long
16	weekend.
17	She was (inaudible) since she was getting
18	another job she was excited about. She told us, "I'm
19	moving to a better apartment" and excited about her new jok
20	the following Tuesday.
21	Saw her Friday night and she went out again
22	Saturday. In the afternoon, back to my daughter's place.
23	Lisa come in. She was always bubbly; she was always happy.
24	And she was ordering pizza at her mom's.
25	And Joanne says, "Well, are you packed now?

25

1	You got to move on Sunday, all your stuff that you
2	(inaudible) still?"
3	"Oh, yeah, we got pretty well everything."
4	I give her a kiss goodbye.
5	So the next day she went out Saturday night
6	with friends. It was her friend's birthday, one of her
7	friends. And she went to (inaudible). And then it was
8	MS. CAROL FRANK: Just tell you a little bit
9	about Lisa. She was
10	MS. CECELIA ARNET: Okay.
11	MS. CAROL FRANK: She came up. She was
12	brought up by a loving family so she wasn't she didn't
13	have no (inaudible).
14	MS. WENDY VAN TONGEREN: Okay. So that's
15	Carol speaking and that's Cecelia.
16	MS. CECELIA ARNET: Her mom and dad were
17	very they were a close-knit family. She's got two
18	brothers, Robin and Brian. She was a happy young lady.
19	You know, she was wanting to go back to school to become a
20	what was it she sports writer.
21	MS. WENDY VAN TONGEREN: Oh, really?
22	MS. CECELIA ARNET: Yeah, she was planning
23	to do that.
24	MS. WENDY VAN TONGEREN: That's terrific.

was worried that Moses was blocking it out. He's still

25

that?

1	here but he's not (inaudible).
2	[MS. CECELIA ARNET]: M'hm.
3	MS. WENDY VAN TONGEREN: So you're both in
4	there.
5	MS. CECELIA ARNET: Are we? We're talking
6	to the same camera
7	MS. WENDY VAN TONGEREN: No, I was just
8	checking here.
9	MS. CECELIA ARNET: blocking him.
10	MS. WENDY VAN TONGEREN: No, I was just
11	checking. I can see an image of what has been picked up.
12	I was told that one of my jobs is to make sure that
13	everyone can be seen, so that's okay, so sorry, I just
14	did that. But continue on from where you were. So she was
15	a happy young lady.
16	MS. CECELIA ARNET: Very happy and she's got
17	loving parents. And her whole family loved her. I was
18	there all the time visiting the family all the time. I
19	knew her since she was a baby so I knew her quite a while.
20	MS. WENDY VAN TONGEREN: Where did everyone
21	live that time? Like, where were you living?
22	MS. CECELIA ARNET: She came in Ahousaht on
23	an island, yeah.
24	MS. WENDY VAN TONGEREN: How do you spell

1	MS. CECELIA ARNET: A-H-O-U-S-A-T.
2	MS. WENDY VAN TONGEREN: Ahousaht?
3	And you were telling me about Lisa Marie?
4	MS. CECELIA ARNET: Yes.
5	MS. WENDY VAN TONGEREN: And where did Lisa
6	Marie live?
7	MS. CECELIA ARNET: In Nanaimo.
8	MS. WENDY VAN TONGEREN: Okay, and her mom
9	lived in Nanaimo as well?
10	MS. CECELIA ARNET: Yes. They were
11	MS. WENDY VAN TONGEREN: And not far away
12	from each other?
13	MS. CECELIA ARNET: They lived next door to
14	each other in
15	MS. WENDY VAN TONGEREN: Yeah.
16	MS. CECELIA ARNET: the same apartment
17	building.
18	MS. WENDY VAN TONGEREN: Okay.
19	MS. CECELIA ARNET: Yeah. And she was
20	always working, Lisa.
21	MS. WENDY VAN TONGEREN: And what
22	relationship were these people to you, Lisa and Cecelia?
23	I'm sorry, Marlene and yeah, Lisa and Marlene. What
24	relationship were they to you?
25	MS. CECELIA ARNET: She was my daughter.

1	MS. WENDY VAN TONGEREN: This was your
2	daughter?
3	MS. CECELIA ARNET: This one, Marlene
4	Joanne. She called she liked to be called Joanne.
5	MS. WENDY VAN TONGEREN: Okay.
6	MS. CECELIA ARNET: And it's Martin.
7	MS. WENDY VAN TONGEREN: Yeah, if you just
8	make a quick I have that. So there's Moses and Cecelia?
9	MS. CECELIA ARNET: M'hm.
10	MS. WENDY VAN TONGEREN: And then who were
11	your children?
12	MS. CECELIA ARNET: Joanne was ours and
13	Carol. Do you want all their names?
14	MS. WENDY VAN TONGEREN: Yeah, how many are
15	there?
16	MS. CECELIA ARNET: Okay. And there's my
17	son Dennis, Brian.
18	MS. WENDY VAN TONGEREN: Brian?
19	MS. CECELIA ARNET: Yes. Richard. And we
20	had other children and
21	MS. WENDY VAN TONGEREN: Okay. And so where
22	was Marlene in here? And where's Marlene? There's Joanne,
23	Carol, Dennis, Brian, Richard. Didn't you say that Marlene
24	
25	MS. CECELIA ARNET: She passed away.

1	MS. WENDY VAN TONGEREN: Okay.
2	MS. CECELIA ARNET: She did (inaudible).
3	MR. MOSES MARTIN: Yeah, she's
4	MS. CECELIA ARNET: She that was our
5	child.
6	MR. MOSES MARTIN: Yeah.
7	[MS. CARLA MOSS]: She's the second
8	youngest.
9	MS. WENDY VAN TONGEREN: So where like,
10	was she born because she was born and I know she passed
11	away but when was she born?
12	MR. MOSES MARTIN: November
13	[MS. CAROL FRANK]: Nineteen sixty-two
14	(1962).
15	MS. WENDY VAN TONGEREN: Huh?
16	UNIDENTIFIED SPEAKER: Nineteen sixty-two
17	(1962).
18	MS. WENDY VAN TONGEREN [MS. CAROL FRANK]:
19	Nineteen sixty-two (1962). Okay, and so your Joanne,
20	Carol, Dennis, Brian, and Richard are her siblings?
21	MS. CECELIA ARNET: No.
22	MS. WENDY VAN TONGEREN: Okay, but
23	[MS. CAROL FRANK]: Her name's Marlene but
24	she liked to go by Joanne.
25	MS. WENDY VAN TONGEREN: Oh.

1	MS. CECELIA ARNET: So that was her
2	(inaudible).
3	MS. WENDY VAN TONGEREN: I was on the moon
4	and you were on planet.
5	MS. CECELIA ARNET: And did (inaudible)?
6	MS. WENDY VAN TONGEREN: Yeah, I did. Sorry
7	about that.
8	[MS. CECELIA ARNET]: That's okay.
9	MS. WENDY VAN TONGEREN: Okay, so yeah,
10	so that's the key factors. We've got Joanne here with us
11	and we've got Carol here with us? Okay.
12	[MS. CECELIA ARNET]: Carol.
13	MS. WENDY VAN TONGEREN: You mean Joanne and
14	Marlene are the same person, right? Yeah. I got it
15	written here. Now I do. At first I was just looking for
16	Marlene.
17	[MS. CAROL FRANK]: Oh, okay.
18	MS. WENDY VAN TONGEREN: Marlene wasn't
19	there so I have to ask these questions but it shows my true
20	frailties.
21	[MS. CECELIA ARNET]: M'hm.
22	MS. WENDY VAN TONGEREN: So thank you for
23	your patience. Okay, so back to this to what happened.
24	So Lisa is planning on moving to a better apartment?
25	MS. CECELIA ARNET: M'hm.

1	MS. WENDY VAN TONGEREN: She's got her stuff
2	packed up.
3	MS. CECELIA ARNET: Yeah.
4	MS. WENDY VAN TONGEREN: And her mom is
5	saying, you know do you not want
6	MS. CECELIA ARNET: Well, apparently she
7	decided to go out after we left their apartment.
8	MS. WENDY VAN TONGEREN: Yeah.
9	MS. CECELIA ARNET: Because it was one of
10	her friends' birthday party. But her dad said, "You
11	shouldn't go out, Lisa, because you have to move tomorrow
12	and did you get all your stuff in the car?"
13	MS. WENDY VAN TONGEREN: Yeah.
14	MS. CECELIA ARNET: But she went out
15	anyways. And she always carried her cell phone with her
16	all the time
17	MS. WENDY VAN TONGEREN: M'hm.
18	MS. CECELIA ARNET: to make sure if she
19	got stuck she would phone her parents or her parents would
20	arrange a cab for her if she was really stuck somewhere.
21	But she never did call much that night or the morning.
22	
	It's not like her not to phone, right? She (inaudible) [So
23	they got] worried.

1	home and I'm getting worried."
2	So I did go to my daughter's place and we
3	did call the cops but they said, "Oh well. Maybe she's
4	just having fun and she's just young."
5	And we said, "No. She never phoned. That's
6	why we gave her the cell phone, so she can phone if she's
7	stuck."
8	It took a while for them to come back to
9	talk to us again because I was there with my daughter, to
10	be serious, like.
11	MS. WENDY VAN TONGEREN: M'hm.
12	MS. CECELIA ARNET: It's not like our Lisa
13	to do that. She was responsible, you know.
14	MS. WENDY VAN TONGEREN: Did you say when
15	this happened, what year it was that
16	MS. CECELIA ARNET: Two thousand two (2002).
17	[MS. CAROL FRANK]: June 30th, 2002.
18	MS. WENDY VAN TONGEREN: And so June 30th,
19	was that the day that you're describing when she went to
20	this party?
21	[MS. CAROL FRANK]: Yeah, it was the night.
22	It was the night.
23	MS. WENDY VAN TONGEREN: Okay.
24	When was it that you went to the police?
25	Was it that night?

1	MS. CECELIA ARNET: We phoned the next
2	morning. Later on that afternoon when I was at my
3	daughter's
4	MS. WENDY VAN TONGEREN: So that would be
5	_
6	MS. CECELIA ARNET: they came up.
7	MS. WENDY VAN TONGEREN: July 1st?
8	MS. CECELIA ARNET: Because it was a July
9	occasion next day, yeah, that they came up.
10	MS. WENDY VAN TONGEREN: Which was the
11	Sunday?
12	MS. CECELIA ARNET: They two cops came up
13	and
14	MS. WENDY VAN TONGEREN: And when did they -
15	
16	MS. CECELIA ARNET: they just said,
17	"Well, young girls were having a party."
18	And we said, "No, she has plans to move
19	today, her stuff. Her dad said."
20	MS. WENDY VAN TONGEREN: M'hm.
21	MS. CECELIA ARNET: So just the way
22	(inaudible). And like, my daughter was scared to tell them
23	she was half-breed, eh, that she was part Native. She
24	didn't want to tell them because I asked her what that
25	her (inaudible) tell them anything.

1	MS. WENDY VAN TONGEREN: M'hm.
2	MS. CECELIA ARNET: My daughter was afraid
3	of them being prejudiced.
4	MS. WENDY VAN TONGEREN: M'hm.
5	MS. CECELIA ARNET: Yeah, so we didn't tell
6	them right away that she was part Native.
7	MS. WENDY VAN TONGEREN: Was that Carol or
8	which daughter was afraid to tell?
9	MS. CECELIA ARNET: Joanne.
10	MS. WENDY VAN TONGEREN: Oh.
11	MS. CECELIA ARNET: Joanne didn't want to
12	tell. Carol wasn't there at the time.
13	MS. WENDY VAN TONGEREN: Okay.
14	MS. CECELIA ARNET: M'hm.
15	MS. WENDY VAN TONGEREN: And you said the
16	police eventually came back. Do you remember when that
17	was?
18	MS. CECELIA ARNET: So they finally came and
19	then they told my daughter to phone again in a few days
20	when was it Friday or something?
21	[MS. CECELIA ARNET]: Yeah, come back on
22	Friday and he said he was off.
23	MS. CECELIA ARNET: He's off both off
24	work for a few days. Yes, he said to call him again.
25	MS. WENDY VAN TONGEREN: M'hm. Okay, so

this information, was it mostly coming from Marlene or

Statement - Public Martin, Moss et al (Young & Young)

1

2	Joanne?
3	MS. CECELIA ARNET: Her name's Marlene
4	Joanne.
5	MS. WENDY VAN TONGEREN: But you found out
6	what was going on with the police because she would
7	MS. CECELIA ARNET: I was right there.
8	MS. WENDY VAN TONGEREN: Oh, you were right
9	there?
10	MS. CECELIA ARNET: I was right there
11	listening to it all.
12	
12	MS. WENDY VAN TONGEREN: Okay.
13	MS. CECELIA ARNET: I was with my daughter.
14	MS. WENDY VAN TONGEREN: So the police
15	actually came to her house?
16	MS. CECELIA ARNET: Oh, yes. Yeah, it was a
17	policewoman and another cop.
18	MS. WENDY VAN TONGEREN: Okay, continue.
19	What's the next thing?
20	MS. CECELIA ARNET: So anyways, we were
21	waiting and then we didn't know what to do because they
22	
22	(inaudible) [nothing like that happened before in my entire
23	family] my jewellery box . They forced us the police
24	(inaudible) [to hang things into different] (inaudible) to
25	these places in town. So we did that. There was a

1	different (inaudible) [poster then].
2	MS. WENDY VAN TONGEREN: M'hm. Did she call
3	herself Lisa Marie or just Lisa?
4	MS. CECELIA ARNET: Just Lisa.
5	MS. WENDY VAN TONGEREN: Okay, and when was
6	Lisa born?
7	MS. CECELIA ARNET [MS. CAROL FRANK]: Oh,
8	May 5 th , 1981.
9	MS. WENDY VAN TONGEREN: Nineteen eighty-one
10	(1981). And this goes from 2002 is the so she was 21 at
11	that time?
12	MS. CECELIA ARNET: When. (inaudible)
13	[Nanaimo] hospital (inaudible) think May $5^{\rm th}$, 1980.
14	MS. WENDY VAN TONGEREN: Okay, so she was a
15	very young mom [woman]?
16	MS. CECELIA ARNET: (Inaudible) [21] years
17	old. Twenty-one (21) was missing.
18	MS. WENDY VAN TONGEREN: M'hm.
19	[MS. CAROL FRANK]: Her parents always told
20	her Lisa then that if she was going out with friends to
21	make sure she didn't go out alone and just to be careful.
22	And we spoke to her because she was a young girl.
23	She said, "Yeah, Dad. I will."
24	But that night she just she let her guard
25	down because they went to a nightclub with her friends and

1	they decided to go to a house party with friends after the
2	nightclub closed.
3	So they met this guy that had a car. He
4	offered to give them a ride to the party and that's where
5	they went to the party in the Harewood area.
6	MS. WENDY VAN TONGEREN: In which area?
7	[MS. CAROL FRANK]: Harewood area.
8	MS. WENDY VAN TONGEREN: Harewood?
9	[MS. CAROL FRANK]: In Nanaimo.
10	MS. WENDY VAN TONGEREN: How do you spell
11	that?
12	[MS. CAROL FRANK]: H-A-R-E-W-O-O-D.
13	MS. WENDY VAN TONGEREN: Okay, thank you.
14	[MS. CAROL FRANK]: And it was the friends
15	that told my sister that were at the party with her that
16	Lisa got hungry so this same guy in this car he had a
17	Jaguar he offered to give Lisa a ride to get something
18	to eat. It was probably like, 2:00, 3:00 in the morning by
19	then.
20	So she left with him and it was Lisa that
21	phoned her friend on the phone and she said, "Make this
22	stop because this guy's not letting me out of the car."
23	That was the last call that went that she
24	made from her phone, was to her friend.
25	MS. WENDY VAN TONGEREN: What was the

1	friend's name?
2	[MS. CECELIA ARNET]: I can't remember.
3	MS. WENDY VAN TONGEREN: Okay. It's okay.
4	Okay, and what happened next?
5	[MS. CAROL FRANK]: So then the police
6	investigated that after and they found well, I mean, it
7	took them a while to find out who the driver of the car
8	was.
9	MS. WENDY VAN TONGEREN: M'hm.
10	[MS. CAROL FRANK]: And I think they brought
11	it the car in to go over it but there was no evidence in
12	the car. And they spoke to the guy and he said that he had
13	dropped her off and that she took a taxi. But there was no
14	records of her taking a cab at all in that area.
15	MS. CECELIA ARNET: Anyways, that's what she
16	said. This Jaguar that the young man was driving that
17	night belonged to his grandma. She was at (inaudible) Road
18	in Qualicum. She lent it to her grandson. His name is
19	[Suspect].
20	It took them a week to finally take the car
21	in to dust it off to for fingerprints.
22	MS. WENDY VAN TONGEREN: M'hm.
23	MS. CECELIA ARNET: Apparently they knew
24	(inaudible) just like it was cleaned right off. No
25	fingerprints. Not even his.

1	MS. WENDY VAN TONGEREN: And you think that
2	young man's name is [Suspect]?
3	MS. CECELIA ARNET: [Suspect].
4	MS. WENDY VAN TONGEREN: And I know it was
5	something like [name] or something?
6	[MS. CECELIA ARNET]: [Suspect].
7	MS. WENDY VAN TONGEREN: [Suspect]? Oh.
8	MS. CECELIA ARNET: Anyways
9	MS. WENDY VAN TONGEREN: That's okay.
10	MS. CECELIA ARNET: they took a while.
11	I stayed with my daughter all the time. I don't know how
12	long after that. Do you remember?
13	Anyways, it's maybe three weeks after and
14	there was (inaudible). They released his name was what,
15	three weeks after my granddaughter went missing. And we
16	was in the me and my daughter went to the court case.
17	It was just that young man and he denied everything.
18	MS. WENDY VAN TONGEREN: The guy in the
19	Jaguar car?
20	MS. CECELIA ARNET: Yes. Well, Joanne had
21	to go see a person in was questioning suspects.
22	MS. WENDY VAN TONGEREN: M'hm.
23	MS. CECELIA ARNET: She had to go in there
24	with pictures of Lisa to show that guy the story about
25	Lisa, to break him down. But that guy wouldn't look at

1	Joanne, and she said. "This was Lisa when she was a baby,"
2	and just different stories.
3	All he said was, "I'm sorry. I can't say
4	anything."
5	He would have been in jail overnight, a
6	couple of days. And they had the court case. Joanne and I
7	went to that. And they let him go because there was
8	nothing of evidence.
9	But he's still a suspect today.
10	My daughter has talked to that cop, she
11	(inaudible) this cop, George something; he was in that
12	case.
13	MR. MOSES MARTIN: Yeah, I don't know
14	nothing.
15	MS. CECELIA ARNET: All he said was the case
16	is still open. That didn't help us any. But just before
17	Christmas last year he said it's still open but nothing
18	new.
19	MS. WENDY VAN TONGEREN: So Lisa has been
20	found?
21	MS. CECELIA ARNET: Pardon?
22	MS. WENDY VAN TONGEREN: Was Lisa ever
23	found?
24	MS. CECELIA ARNET: Pardon?
25	MS. WENDY VAN TONGEREN: Was Lisa

1	MR. MOSES MARTIN: No.
2	MS. WENDY VAN TONGEREN: found? Was she
3	found?
4	MS. CECELIA ARNET: Oh, no.
5	MR. MOSES MARTIN: No, she's never
6	MS. CECELIA ARNET: She's never they said
7	the case is still open. She's never been found. Her
8	father (inaudible).
9	MS. WENDY VAN TONGEREN: M'hm.
10	MS. CECELIA ARNET: Lots of oh, phone
11	calls, eh?
12	MR. MOSES MARTIN: M'hm.
13	MS. CECELIA ARNET: But we've had a lot of -
14	- saying, "Oh, yeah. We saw Lisa here and there." All we
15	know was she (inaudible), things like that.
16	MS. WENDY VAN TONGEREN: M'hm.
17	MS. CECELIA ARNET: And no trace (inaudible)
18	that calls.
19	[MS. CARLA MOSS]: M'hm. For the longest
20	time as a family we'd follow up every lead.
21	MS. CECELIA ARNET: Yeah.
22	[MS. CARLA MOSS]: And that became really
23	hard because some I don't know, some ill people thought
24	at this it's just they're telling terrible things. And
25	it became really hard for everybody to hear these terrible

things and then they'd follow the lead and there'd be 1 2 nothing there. And we'd hear another story and that was really re-traumatizing over and over again. So the police 3 would investigate some of these things we reported. 4 5 MS. CECELIA ARNET: Yeah. [MS. CARLA MOSS]: We couldn't really rely 6 7 on the police, like ---8 MS. CECELIA ARNET: No. [MS. CARLA MOSS]: --- because like she said 9 they would tell us nothing. 10 11 MS. CECELIA ARNET: Yeah. 12 [MS. CARLA MOSS]: Or that they -- they didn't even do a search until September. We -- (inaudible) 13 14 [as a family] were searching almost (inaudible) [right 15 away]. [MS. CARLA MOSS]: Ironically, Carol's 16 daughter went missing for a day a few months after, eh? 17 [MS. CECELIA ARNET]: M'hm. 18 [MS. CARLA MOSS]: And we had to get on the 19 phone and threaten the police. Like, Moses at that point 20 met one of the head of the RCMP and we had to call them. 21 22 Like, you had to like, yell at them and repeatedly call and 23 harass them. It was like, why would you do this for? 24 Because she had been missing between Nanaimo and Tofino. So say, "Get -- could you please help us look before dark 25

1	because she's had a crash. She could still be alive."
2	And they just didn't even want to talk to
3	us. Fortunately, all that had happened, she ran out of gas
4	and we had a good family discussion after that about phone
5	calls. Well, you know, we couldn't just couldn't get
6	down.
7	MS. WENDY VAN TONGEREN: Yeah, (inaudible).
8	[MS. CARLA MOSS]: Remember that time?
9	MS. WENDY VAN TONGEREN: Did you get your
10	voice heard?
11	[MS. CARLA MOSS]: Yeah, made (inaudible).
12	MS. WENDY VAN TONGEREN: What's your
13	daughter's name?
14	[MS. CAROL FRANK]: Barbara.
15	MS. WENDY VAN TONGEREN: That's (inaudible).
16	[MS. CAROL FRANK]: That was in
17	MS. WENDY VAN TONGEREN: That was in 2002,
18	right?
19	[MS. CAROL FRANK]: Yeah, she's around the
20	same age as Lisa. Yeah. She was born in '83.
21	[MS. CAROL FRANK]: Yes, so she would have
22	been 23.
23	[MS. CECELIA ARNET]: I don't know.
24	MS. WENDY VAN TONGEREN: She's a bit younger
25	than is she younger than Lisa?

1	[MS. CAROL FRANK]: Oh, yeah. Yeah.
2	MS. WENDY VAN TONGEREN: So how did she get
3	in a very sticky wicket that she didn't have enough gas on
4	the highway somewhere? Is that
5	[MS. CARLA MOSS]: She was in Port Alberni
6	and ran out of gas.
7	MS. WENDY VAN TONGEREN: Yeah.
8	[MS. CARLA MOSS]: And she her parents
9	were in Burnett's.
10	[MS. CAROL FRANK]: Were in Burnett's Lake.
11	[MS. CARLA MOSS]: Burnett's Lake, so she
12	didn't think anyone would notice her not being there. But
13	we all knew and of course, you know, very sensitive at that
14	time, extremely. We were driving the highways. And we had
15	to start yelling at the police for help, like.
16	MS. WENDY VAN TONGEREN: So just tell me how
17	Barb got out of the sticky wicket and then I'll ask you
18	more about the police and yelling at them. But how did she
19	who helped her in the end with her being out of gas?
20	[MS. CAROL FRANK]: She ended up I think
21	she had left her purse or something and she didn't have
22	enough gas so she went back to Port Alberni and went to go
23	see her auntie, her Auntie Anne. So that's where she
24	ended up because she I don't think it was that she
25	didn't have enough money for gas but she had forgotten her

25

1	purse. And that time we all didn't have, like, cell phones
2	to call each other.
3	MS. WENDY VAN TONGEREN: Yeah.
4	[MS. CAROL FRANK]: And we thought, well.
5	MS. WENDY VAN TONGEREN: Okay.
6	[MS. CECELIA ARNET]: M'hm.
7	MS. WENDY VAN TONGEREN: Okay, so let's go
8	back to the police. So here's a family who has been in
9	this situation where their one of their loved ones has
10	been missing for how many months would that have been?
11	Was this in did you say it was in September when
12	MR. MOSES MARTIN: June.
13	MS. WENDY VAN TONGEREN: Barbara went
14	missing?
15	MR. MOSES MARTIN: About two and a half
16	months or so.
17	MS. WENDY VAN TONGEREN: And so two and a
18	half months. And so it's their hearts are raw. And so
19	you're phoning the first time it was the Nanaimo police,
20	right, that were
21	UNIDENTIFIED SPEAKER: Yeah.
22	MS. WENDY VAN TONGEREN: searching for
23	Lisa. And what police were called when you were searching
24	for Barbara?
25	INTRODUCTED CREATED. It was the

UNIDENTIFIED SPEAKER: It was the

1	(inaudible).
2	[MS. CARLA MOSS]: I think actually it was
3	just a 9-1-1 call and it happened because we were
4	(inaudible) [travelling between] Tofino (inaudible) [,
5	Qualicum, we were on the island highway searching too. He
6	was crying].
7	MR. MOSES MARTIN: (Inaudible).
8	[MS. CARLA MOSS]: And we were on the
9	highway for a while searching too. And he was crying. He
10	probably didn't want me to tell you that. He was really
11	scared.
12	MS. WENDY VAN TONGEREN: M'hm.
13	[MS. CARLA MOSS]: And I just I don't
14	remember that point and which cop it was that or which
15	city. We were calling just 9-1-1 and then finally this
16	was a few years ago.
17	MS. WENDY VAN TONGEREN: And actually when
18	you make those calls you don't always know who you're
19	getting anyway, do you? So did you refer to the fact that
20	Lisa was missing when you were trying to convince them to
21	do something?
22	[MS. CARLA MOSS]: I know I did at the end
23	when I was getting really angry and saying, "Look, how long
24	does it take you to help us? We've already got one
25	granddaughter missing. Are you really going to deny us

1	help "
2	MS. WENDY VAN TONGEREN: Yeah.
3	[MS. CARLA MOSS]: " when there's a
4	chance that she could be alive?" This is what the most
5	likely the likely scenario that we just that she went
6	off the road and the car fell down an embankment. That
7	happens all the time between, you know, the highway turnoff
8	at Tofino. And that's what we were doing. We were just
9	searching the highways for a car in the ditch.
10	MS. WENDY VAN TONGEREN: M'hm. Well, thank
11	goodness she was okay.
12	[MS. CARLA MOSS]: She doesn't leave us un-
13	communicated with anymore. She lets us know where she is
14	now.
15	[MS. CECELIA ARNET]: M'hm.
16	UNIDENTIFIED SPEAKER: Raising kids, eh?
17	[MS. CECELIA ARNET]: M'hm.
18	MS. WENDY VAN TONGEREN: So there was a
19	period of time from July 2002 until when Marlene Joanne
20	passed. And when was that that Marlene Joanne died?
21	[MS. CAROL FRANK]: June 21st of 2017.
22	MS. WENDY VAN TONGEREN: How did she die?
23	[MS. CAROL FRANK]: She was quite sick. She
24	got so that she went downhill after (inaudible). She was
25	(inaudible) after losing Lisa Marie passed away, her

1	daughter.
2	MS. CECELIA ARNET [MS. CAROL FRANK]: No,
3	when she went missing. And her kidneys shut down. She was
4	on dialysis all these years. And she wasn't getting any
5	better.
6	MS. WENDY VAN TONGEREN: Okay. So the
7	kidney disease started before the death of Lisa?
8	MS. CECELIA ARNET: After Lisa passed away.
9	MS. WENDY VAN TONGEREN: After.
10	MS. CECELIA ARNET: And right after Lisa
11	went missing.
12	MS. WENDY VAN TONGEREN: Yeah.
13	MS. CECELIA ARNET: Yes.
14	MS. WENDY VAN TONGEREN: Okay. So the
15	was there enough information that the family has included
16	that the fact that Lisa was missing contributed to Marlene
17	Joanne's death? Is that what the family has concluded?
18	MR. MOSES MARTIN: That was my comment today
19	is that I believe that she died of a broken heart and
20	MS. CECELIA ARNET: Yes, she did.
21	MR. MOSES MARTIN: Yeah, and then that drove
22	her to alcohol.
23	MS. CECELIA ARNET: Yeah.
24	MR. MOSES MARTIN: And then not taking care
25	of herself.

1	MS. CECELIA ARNET: M'hm.
2	MS. WENDY VAN TONGEREN: Did she have other
3	offspring?
4	MR. MOSES MARTIN: Two, just Brian and then
5	Robin.
6	MS. WENDY VAN TONGEREN: And Robin, was that
7	a male or female?
8	MR. MOSES MARTIN: Pardon?
9	MS. CECELIA ARNET: He's a man.
10	MS. WENDY VAN TONGEREN: A man, okay.
11	MS. CECELIA ARNET: He was the youngest boy.
12	MS. WENDY VAN TONGEREN: Okay, and they're
13	still alive today?
14	MS. CECELIA ARNET: Yes.
15	MS. WENDY VAN TONGEREN: Okay. So you had
16	the situation where Marlene is not well and she
17	deteriorated to the point where she died after about 15
18	years, right?
19	MR. MOSES MARTIN: M'hm.
20	MS. CECELIA ARNET: M'hm.
21	MS. WENDY VAN TONGEREN: What kind of help
22	did she get from her community? By that I could mean that
23	
24	MS. CECELIA ARNET: Well, she just really
25	(inaudible) she was, (inaudible) [didn't really get any

1	help from] anybody in there. She (inaudible) [had her
2	kidney] keeping doctors but they (inaudible) [no help].
3	They just (inaudible) a social worker, I guess, eh?
4	[MS. CAROL FRANK]: The thing my sister was
5	upset about that she brought up was there was a counsellor
6	that she seen and the counsellor wanted them to do this
7	religious stuff.
8	And my sister said, "I'm not religious and I
9	don't want to do this."
10	And then the woman said that there was a lot
11	of marriages don't last after they lose their child. And
12	that got my sister really upset that this counsellor was
13	saying this to her. This was when my niece first went
14	missing when they directed her to these I can't remember
15	what kind of counsellor it was.
16	[MS. MARTHA STEWART]: I think she was
17	(inaudible). She was talking to like, a priest or
18	something for a little while too. But she because she
19	didn't really believe in the Christianity part of it. She
20	just didn't get comfort from going to the church to talk to
21	anybody.
22	MS. WENDY VAN TONGEREN: Yeah.
23	[MS. CAROL FRANK]: (Inaudible) those
24	papers. The guy was talking about that, a tribute for the
25	(inaudible) [the reporter].

1	MS. WENDY VAN TONGEREN: These documents
2	that you brought, are you leaving those with us or do you
3	want us to take copies or are you just you brought them
4	to assist you? What would you like to see done with those?
5	[MS. CARLA MOSS]: We left you copies.
6	MS. WENDY VAN TONGEREN [MS. CARLA MOSS]:
7	Would they be useful to the Inquiry?
8	[MS. WENDY VAN TONGEREN]: Yeah.
9	[MS. CAROL FRANK]: Or was it Victim
10	Services where they sent my sister?
11	MS. WENDY VAN TONGEREN: Oh, okay.
12	And it was the Victim Services that she
13	thought that their information and advice wasn't helpful to
14	her?
15	[MS. CAROL FRANK]: Yeah, yeah. I guess
16	they were wrong because her husband was they were kind
17	of helping each other
18	MS. WENDY VAN TONGEREN: Yeah.
19	[MS. CECELIA ARNET]: focus on their
20	daughter's missing.
21	[MS. CARLA MOSS]: Is there (inaudible)
22	copies of the papers in that file?
23	[ELDER GERTIE PIERRE]: I can go and ask
24	them to do that. And then you want me to do that?
25	MS. WENDY VAN TONGEREN: That's the I

1	think we kind of discovered that that's the best thing in
2	life, that to try and get it done when everybody is
3	here.
4	MS. WENDY VAN TONGEREN: Everyone is here.
5	[MS. WENDY VAN TONGEREN]: Is Carol there?
6	In Hawaii?
7	[MS. WENDY VAN TONGEREN]: In the Arctic?
8	[MS. WENDY VAN TONGEREN]: So did she leave
9	an envelope for Wendy?
10	MS. WENDY VAN TONGEREN: Why don't we deal
11	with it now because it looks like who put that together,
12	by the way, because that's the historian of the family who
13	put that together? Is it Cecelia?
14	[MS. CARLA MOSS]: That was Carol.
15	MS. WENDY VAN TONGEREN: Carol?
16	UNIDENTIFIED SPEAKER: Peggy did
17	(inaudible).
18	UNIDENTIFIED SPEAKER: Peggy (inaudible) was
19	(inaudible).
20	MS. WENDY VAN TONGEREN: Yeah.
21	[MS. CECELIA ARNET]: And the newspaper had
22	kept it all.
23	MS. WENDY VAN TONGEREN: Oh, you did?
24	MS. WENDY VAN TONGEREN: Okay, I know.
25	That's like your job to draw the heart, right? I know it's

1

like I'm the one who puts it on (inaudible). 2 [MS. WENDY VAN TONGEREN]: (Inaudible) for every day and like, he just comes and he says, "Mom, you 3 remember back in 1997? Why was it that Bobo our dog died?" 4 5 [MS. WENDY VAN TONGEREN]: Okay, I'll look 6 it up. 7 ELDER GERTIE PIERRE: I'll go upstairs and 8 ask them to (inaudible). [MS. CARLA MOSS]: Do you want to look at 9 the pictures of the family too? 10 11 MS. WENDY VAN TONGEREN: Yeah, sure. [MS. CARLA MOSS]: Well (inaudible) send 12 pictures as well because it's -- Lisa was a normal young 13 girl growing up in the community. 14 MS. WENDY VAN TONGEREN: Yeah. 15 [MS. CARLA MOSS]: Like, when I showed the 16 family, like, (inaudible). 17 MS. WENDY VAN TONGEREN: If we had pictures 18 -- I don't know how we're going to do that. There's a lot 19 of pictures there. 20 MS. CECELIA ARNET: Here she is with her 21 22 brothers. 23 MS. WENDY VAN TONGEREN: Oh, because we 24 could just write on the back and tell who the people are. And it would be really helpful if you could (inaudible). 25

1	[ELDER GERTIE PIERRE]: So you (inaudible)?
2	MS. WENDY VAN TONGEREN: Yeah.
3	UNIDENTIFIED SPEAKER: Okay.
4	MS. WENDY VAN TONGEREN: I don't know if
5	there's someone who's free because I don't know
6	(inaudible).
7	UNIDENTIFIED SPEAKER: (Inaudible). You
8	know, there (inaudible).
9	MS. WENDY VAN TONGEREN: Okay, but if there
10	was (inaudible).
11	MS. WENDY VAN TONGEREN: Oh, it's kind of
12	(inaudible).
13	[ELDER GERTIE PIERRE]: (Inaudible), yeah.
14	MS. WENDY VAN TONGEREN: How big are you
15	guys (inaudible)?
16	UNIDENTIFIED SPEAKER: There's a picture of
17	the family with Joanne and (inaudible).
18	MS. WENDY VAN TONGEREN: Are you staying for
19	the evening tonight?
20	UNIDENTIFIED SPEAKER: Yeah.
21	MS. WENDY VAN TONGEREN: Okay, so we've got
22	a little time as long as you both (inaudible).
23	UNIDENTIFIED SPEAKER: And a different one.
24	MS. WENDY VAN TONGEREN: We have a little
25	time (inaudible).

1	UNIDENTIFIED SPEAKER: No.
2	MS. WENDY VAN TONGEREN: We didn't want to
3	act like it's urgent because the family is going to be here
4	until later.
5	UNIDENTIFIED SPEAKER: (Inaudible) this
6	(inaudible).
7	MS. WENDY VAN TONGEREN: (Inaudible) mind
8	and see if he would go.
9	[ELDER GERTIE PIERRE]: (Inaudible) coming
10	here.
11	[MS. CARLA MOSS]: Basically, you know,
12	like, the man who killed Lisa also killed Jo.
13	MS. WENDY VAN TONGEREN: Oh, really. Oh,
14	you mean
15	[ELDER GERTIE PIERRE]: Getting rid of her
16	children.
17	MS. WENDY VAN TONGEREN: Indirectly, yeah.
18	[ELDER GERTIE PIERRE]: Yeah, indirectly.
19	Like, when he killed Lisa it killed her.
20	MS. WENDY VAN TONGEREN: Yeah.
21	[MS. CARLA MOSS]: It killed her mother.
22	MS. WENDY VAN TONGEREN: Oh.
23	MS. CECELIA ARNET: She just gave up after.
24	Even though we were on there to support her and she just
25	gave up.

1	MS. WENDY VAN TONGEREN: So I just need to -
2	- not that I you know, I'm not trying to overdo my
3	importance in this room but I need a little time out to
4	send a message to someone to see if I could (inaudible)
5	[find] someone. So maybe you could just talk among
6	yourselves.
7	(Short Pause)
8	MS. WENDY VAN TONGEREN: Sorry, who chose
9	the name Marlene?
10	MS. CECELIA ARNET: I did.
11	MS. WENDY VAN TONGEREN: And was there a
12	relative or something with that name?
13	MS. CECELIA ARNET: She was a I went to
14	school with her and her name was Marlene. I told her, "If
15	I have a girl I'm going to name her Marlene." She passed
16	away really young.
17	MS. WENDY VAN TONGEREN: Oh.
18	MS. CECELIA ARNET: Yeah. So she never got
19	to see my daughter. Remember Marlene Morris?
20	MR. MOSES MARTIN: Maclean.
21	MS. CECELIA ARNET: Maclean. Morris
22	Macleans's
23	MR. MOSES MARTIN: Aunt.
24	MS. CECELIA ARNET: She was my best
25	girlfriend at school.

1	MS. WENDY VAN TONGEREN: Oh, okay.
2	MS. CECELIA ARNET: Yeah. So as I said,
3	"I'll name her Marlene."
4	MS. WENDY VAN TONGEREN: Yeah.
5	MS. CECELIA ARNET: But Marlene didn't like
6	that name.
7	MS. WENDY VAN TONGEREN: Well, you know,
8	once you got those two feet on the ground you can do
9	whatever you want with your name.
10	[MS. CECELIA ARNET]: The girls.
11	MS. WENDY VAN TONGEREN: My daughter changed
12	the spelling of her name.
13	[MS. CECELIA ARNET]: Did she?
14	MS. WENDY VAN TONGEREN: Yeah, and she liked
15	it better without an H.
16	[MS. CECELIA ARNET]: Oh, really?
17	MS. WENDY VAN TONGEREN: Yeah.
18	[MS. CECELIA ARNET]: Oh.
19	MS. WENDY VAN TONGEREN: So who knows why?
20	It's not like
21	[MS. CECELIA ARNET]: (Inaudible) I would
22	say.
23	MS. WENDY VAN TONGEREN: You're right, I
24	think. To change your name they even have a statute
25	allowing you to do it.

25

1	Okay, so you've got this situation where
2	Lisa, a beautiful young 21-year-old who was excited about
3	life and is told by her parents and I don't know if I
4	ever got the name of her dad.
5	MS. CECELIA ARNET: Don.
6	MS. WENDY VAN TONGEREN: Don?
7	[MS. CAROL FRANK]: Yeah.
8	MS. CECELIA ARNET: Don Young. His
9	(inaudible) because Donald, Donald Young.
10	MS. WENDY VAN TONGEREN: Yeah. So and I
11	don't have it clear. Were Donald and Marlene Joanne
12	together as a couple?
13	MS. CECELIA ARNET: Oh, yeah.
14	MS. WENDY VAN TONGEREN: Okay.
15	MS. CECELIA ARNET: M'hm.
16	MS. WENDY VAN TONGEREN: Yes, because he was
17	going to move her on Sunday and
18	MS. CECELIA ARNET: Yeah.
19	MS. WENDY VAN TONGEREN: that's the
20	reason, moving around and all that. Okay.
21	Okay, so we've got this beautiful young girl
22	who woman who is moving into a better apartment and
23	she goes out partying and she's got the cell phone. She
24	does actually call for help, right?
25	MO OFFICE TA ADMITTE T think also are

MS. CECELIA ARNET: I think she was

1	(inaudible).
2	MS. WENDY VAN TONGEREN: She called her
3	friend. And
4	MS. CECELIA ARNET: And at least Joanne and
5	Don got her cell phone back from the cops.
6	MS. WENDY VAN TONGEREN: Who did, Joanne?
7	MS. CECELIA ARNET: Yeah, Joanne and Don.
8	MS. WENDY VAN TONGEREN: Okay.
9	MS. CECELIA ARNET: And just there was a
10	recording saying she needed help. And they all were pissed
11	off because this car [guy] wouldn't let her out. Well, it
12	was [one of those cars that, you can't get to the driver's
13	side, except for the driver] a car search. They came over
14	(inaudible) .
15	MS. WENDY VAN TONGEREN: M'hm.
16	MS. CECELIA ARNET: Except when they're
17	driving. And we listened to that recording.
18	MS. WENDY VAN TONGEREN: So who recorded?
19	MS. CECELIA ARNET: (Inaudible).
20	MS. WENDY VAN TONGEREN: So are you saying
21	that Lisa recorded that?
22	MS. CECELIA ARNET: Well, like, her phone is
23	(inaudible) [a voicemail]. I guess she was talking to
24	somebody and a (inaudible) [voicemail] came up saying [you
25	know, we can hear Lisa's voice saying 'I'm] she was

(inaudible) pissed off'. These guys won't let her out 1 2 because (inaudible) [her friend] she was phoning. They 3 didn't answer it so she left a message, I guess or something like that, whatever, I don't know how this 4 5 worked. MS. WENDY VAN TONGEREN: Yeah, because ---6 7 MS. ARNEET: I just know that she heard her 8 talking. 9 MS. WENDY VAN TONGEREN: 10 MS. CECELIA ARNET: Yeah. 11 MS. WENDY VAN TONGEREN: So but that's an 12 interesting question, why you'd have her phone because ---MS. CECELIA ARNET: We got it back from the 13 14 police. MS. WENDY VAN TONGEREN: Got it back from 15 the police? 16 17 MS. CECELIA ARNET: They found it I don't know where. 18 MS. WENDY VAN TONGEREN: Yeah, okay. 19 20 MS. CECELIA ARNET: They never told us. They never -- because my daughter had it for quite a while. 21 I don't know what she did with it now. Yeah. 22 23 MS. WENDY VAN TONGEREN: And did you say 24 that there were other belongings as well? 25 MS. CECELIA ARNET: No.

MS. WENDY VAN TONGEREN: That was it, just 1 2 the cell phone? 3 MS. CECELIA ARNET: Yeah. MS. WENDY VAN TONGEREN: Just the cell 4 5 phone. MS. CECELIA ARNET: Somehow, I don't know 6 7 where they found it. 8 MS. WENDY VAN TONGEREN: Yeah, because when you think about it ---9 10 MS. CECELIA ARNET: So we knew they weren't 11 really listening to anybody. MS. WENDY VAN TONGEREN: 12 M'hm. MS. CECELIA ARNET: Just (inaudible) [found 13 14 it]. MS. WENDY VAN TONGEREN: Yeah, and ---15 16 MS. CECELIA ARNET: (Inaudible) you know. 17 MS. WENDY VAN TONGEREN: There are other witnesses presumably at the party who knew this guy in the 18 jag, right? 19 MS. CECELIA ARNET: No, they actually didn't 20 know him. They just met him that night. 21 22 MS. WENDY VAN TONGEREN: Okay. 23 MS. CECELIA ARNET: They needed a ride to that party (inaudible) [he was the only sober one] in that 24 25 Jaquar. So her friends -- one of her friends said, "We

25

1	didn't even know him. We just asked him to bring us to the
2	party." And the guy stayed at the party, I guess. They
3	didn't know him at all. He was from Qualicum. We found
4	out after he was arrested.
5	MS. WENDY VAN TONGEREN: Okay, so and you
6	said that you actually went to some of the court
7	proceedings?
8	MS. CECELIA ARNET: I did
9	MS. WENDY VAN TONGEREN: Yeah.
10	MS. CECELIA ARNET: to be with my
11	daughter.
12	MS. WENDY VAN TONGEREN: And that took place
13	in?
14	MS. CECELIA ARNET: In Nanaimo.
15	MS. WENDY VAN TONGEREN: In Nanaimo. And so
16	you actually
17	MS. CECELIA ARNET: I saw the guy.
18	MS. WENDY VAN TONGEREN: He was in the same
19	room as you, sitting in the box?
20	MS. CECELIA ARNET: Yeah, he was in the
21	courtroom.
22	MS. WENDY VAN TONGEREN: Yeah.
23	MS. CECELIA ARNET: I was looking right at
24	him. He wouldn't look at me at all.

MS. WENDY VAN TONGEREN: And did you hear

1	him speak?
2	MS. CECELIA ARNET: Oh, yes.
3	MS. WENDY VAN TONGEREN: And what was going
4	on when he was allowed to speak?
5	MS. CECELIA ARNET: He was saying he didn't
6	do it, he said.
7	MS. WENDY VAN TONGEREN: Oh.
8	MS. CECELIA ARNET: "I drove them that night
9	to the party," he said.
10	MS. WENDY VAN TONGEREN: And did he move
11	from one part of the courtroom to another part of the
12	courtroom to say what he had to say?
13	MS. CECELIA ARNET: He moved behind the
14	he had a glass.
15	MS. WENDY VAN TONGEREN: Okay.
16	MS. CECELIA ARNET: Yeah. It was glass.
17	You could see. He could see us. Yeah.
18	MS. WENDY VAN TONGEREN: So I'm just going
19	to put this in terms that I understand. Do you think he
20	was still in a prisoner's box when he was you know, did
21	he was he moved did he move to the witness stand?
22	MS. CECELIA ARNET: No, he was like, behind
23	the talking (inaudible) there.
24	MS. WENDY VAN TONGEREN: And do you remember
25	what kind of procedure it was? Was it something to do with

whether or not he'd still be in jail or was it a trial? 1 2 MS. CECELIA ARNET: Well, he was charged with something else. He had just went to court. 3 MS. WENDY VAN TONGEREN: 4 M'hm. 5 MS. CECELIA ARNET: But it happened that there's -- they were talking about Lisa's being missing. 6 7 MS. WENDY VAN TONGEREN: Oh, okay. 8 MS. CECELIA ARNET: That he was there. 9 MS. WENDY VAN TONGEREN: Yeah, okay. 10 MS. CECELIA ARNET: Yeah. And because she 11 spoke to -- my daughter spoke to that guy the day before -well, or a few days before maybe. She spoke to him face to 12 face in that room. Yeah, there's a room I guess they call 13 that (inaudible). It's where they take suspects into a 14 15 room. 16 MS. WENDY VAN TONGEREN: But the police were present, weren't they? 17 MS. CECELIA ARNET: 18 Yeah. MS. WENDY VAN TONGEREN: Yeah, so it was 19 part of a suspect interview. 20 21 MS. CECELIA ARNET: Interview, yeah. 22 MS. WENDY VAN TONGEREN: And they thought it would be helpful to bring in ---23 24 MS. CECELIA ARNET: Yeah. 25 MS. WENDY VAN TONGEREN: --- Marlene.

25

he was from?

MS. CECELIA ARNET: And Joanne and faced him 1 2 and showed pictures of Lisa when she was a baby, trying to 3 break him down. MS. WENDY VAN TONGEREN: And ---4 5 MS. CECELIA ARNET: That's what the cops 6 were trying to do. 7 MS. WENDY VAN TONGEREN: And you heard that 8 from Marlene? You weren't there? MS. CECELIA ARNET: Yeah. I wasn't in 9 there. 10 11 MS. WENDY VAN TONGEREN: No. MS. CECELIA ARNET: No, just -- she -- they 12 just wanted her there. 13 14 MS. WENDY VAN TONGEREN: Yeah, wanted her. MS. CECELIA ARNET: She told me she showed 15 the pictures. I think she was showing this guy and telling 16 stories about Lisa, what she used to do when she was a 17 little girl and a baby. But it never worked on him. 18 MS. WENDY VAN TONGEREN: M'hm. 19 MS. CECELIA ARNET: And (inaudible) my 20 daughter brought that man, that young man. And he just 21 sort of went like that. "I'm sorry," he said. That was 22 23 all he said. 24 MS. WENDY VAN TONGEREN: Where did you say

1	MS. CECELIA ARNET: He lives in Qualicum.
2	MS. WENDY VAN TONGEREN: In Qualicum.
3	MS. CECELIA ARNET: But he's moved to live
4	somewhere else.
5	MS. WENDY VAN TONGEREN: And his name was
6	something like [Suspect] (phonetic) or something?
7	MS. CECELIA ARNET: [Suspect].
8	MS. WENDY VAN TONGEREN: [Suspect]?
9	MS. CECELIA ARNET: [Suspect], yeah.
10	MS. WENDY VAN TONGEREN: [Spells name]?
11	MS. CECELIA ARNET: [Spells name].
12	MS. WENDY VAN TONGEREN: What is it?
13	MS. CECELIA ARNET: [Spells name].
14	MS. WENDY VAN TONGEREN: Oh, [Suspect].
15	MS. CECELIA ARNET: Yeah, [Suspect].
16	MS. WENDY VAN TONGEREN: [Suspect]. We got
17	it.
18	MS. CECELIA ARNET: (Inaudible) yeah.
19	MR. MOSES MARTIN: Yeah, (inaudible).
20	MS. CECELIA ARNET: It's like (inaudible)
21	[Siouxsan] [I] speak now [of]. I was spending my time with
22	my daughters and I was there last Christmas. She was
23	(inaudible), you know. But Christmas Eve or day I think
24	Christmas Eve when she got a call from Australia, the radio
25	station.

25

1	MS. WENDY VAN TONGEREN: M'hm.
2	MS. CECELIA ARNET: We saw it online
3	probably it was on TV the next day.
4	MS. WENDY VAN TONGEREN: M'hm.
5	MS. CECELIA ARNET: (Inaudible) she said,
6	"Jo, I'll (inaudible) with the reporters." They were
7	showing her talking and they got a call from that [Suspect]
8	fellow.
9	MS. WENDY VAN TONGEREN: From [Suspect]?
10	MS. CECELIA ARNET: I guess because they
11	were talking about the story about Lisa Marie and that
12	[Suspect] guy was trying to sue that radio station for
13	using his name. But they talked to Joanne and Joanne said,
14	"No, it's been all over the news (inaudible) Australia
15	radio station." They talked to my daughter. And he's
16	still alive but he's still a suspect today.
17	MS. WENDY VAN TONGEREN: M'hm.
18	MS. CECELIA ARNET: They're trying to break
19	him, trying to find something to make him break, I guess.
20	MS. WENDY VAN TONGEREN: M'hm.
21	MS. CECELIA ARNET: Yeah.
22	MS. WENDY VAN TONGEREN: So sometimes it
23	isn't the right time and for reasons that are difficult for
24	us to understand.
25	MO OHOHITA ADMHH. Yank Nasas asid

MS. CECELIA ARNET: Yeah. Never said

1	(inaudible) he was sorry. And that's why I just came to my
2	daughter's just (inaudible), you know, that my daughter
3	phoned me.
4	"Mom, can you come over." The psychic was
5	coming Friday night. So I went and this lady showed up.
6	She said, "Lisa's been coming to me over the
7	last year or two in my house."
8	She didn't know my daughter at all or Lisa.
9	But she heard from her sister that (inaudible) [the girl
10	who's missing] her dad is a Purolator (inaudible) so that
11	psychic had a vision.
12	So she came to my daughter's house and she
13	said, "I was really nervous to come here but Lisa keeps
14	coming to me saying, 'Go see my mom.' She said that and
15	she said, 'You have to go see Mom. Tell her I'm okay.
16	Tell her to stop crying (inaudible) [I'm with family] right
17	now. I'm happy. I want her to laugh and smile like she
18	used to,'" she said.
19	I was kind of scared to come that day
20	(inaudible). And Joanne was scared to see the psychic
21	because she saw so many, you know, different psychics,
22	different stories.
23	And she said there's three suspects that
24	(inaudible) [murdered my]. She can feel them. She
25	said two of them are still alive. One killed himself. And

the other one's ready to commit suicide, she said. There's 1 2 another guy very (inaudible) that he's killed. So he's just (inaudible). Yeah. 3 MS. WENDY VAN TONGEREN: Yeah, that must be 4 5 a challenge for families to decide whether or not they're going to go the psychic route. There's probably elders 6 7 that help with that stuff, are there? Are there elders? 8 Do you know of any elders who -- I was just thinking of one interview I had, someone was suggesting that there are 9 elders that you can go to help get the answers of where 10 11 these people are. 12 MS. CECELIA ARNET: Shamans, I think they said. Some -- yeah. They don't have a whole lot of 13 14 elders. MR. MOSES MARTIN: (Inaudible) where 15 (inaudible) is. 16 17 MS. WENDY VAN TONGEREN: They what? MS. CECELIA ARNET: They don't have a whole 18 lot of them today. No, not today. Yeah, yeah. They used 19 to have them. 20 ELDER GERTIE PIERRE: M'hm. 21 22 MS. CECELIA ARNET: Is that what's they're called, shaman? 23 24 ELDER GERTIE PIERRE: Shamans, yeah. very many people do that today, that they're willing to do 25

1	it to become really strong in
2	MS. WENDY VAN TONGEREN: M'hm.
3	ELDER GERTIE PIERRE: their work as a
4	shaman.
5	MS. WENDY VAN TONGEREN: M'hm.
6	ELDER GERTIE PIERRE: Yeah, you sacrifice a
7	lot.
8	MS. WENDY VAN TONGEREN: M'hm.
9	ELDER GERTIE PIERRE: M'hm. Yeah.
10	MS. CECELIA ARNET: Because it was
11	(inaudible) with my daughters. I refused to (inaudible)
12	because (inaudible) let (inaudible) is that she has her mom
13	with her. And Joanne wanted me because she was scared to
14	hear the story again.
15	MS. WENDY VAN TONGEREN: M'hm.
16	MS. CECELIA ARNET: So I was there to
17	support her and the other lady supported her daughter to
18	tell a story to Joanne.
19	MS. WENDY VAN TONGEREN: M'hm.
20	MS. CECELIA ARNET: She said she would
21	ask things (inaudible) spirit or you know? "When did they
22	come to you?" he was saying to that lady.
23	She said, "It's funny," she said, "when I'm
24	in the shower (inaudible) [they talk to me]." She doesn't
25	see them but they talk to her.

1	MS. WENDY VAN TONGEREN: M'hm.
2	MS. CECELIA ARNET: Lisa was there quite a
3	bit. She said, "You better go see Mom tonight (inaudible)
4	[in the morning, Friday morning]." She and she said,
5	"That sounds like our Lisa." She was very efficient when
6	she wanted something done.
7	MS. WENDY VAN TONGEREN: M'hm.
8	MS. CECELIA ARNET: So we believed that,
9	that she's gone, you know?
10	MS. WENDY VAN TONGEREN: Did she this
11	woman charge money?
12	MS. CECELIA ARNET: She didn't. No, she
13	didn't. In fact, she was a neighbour to my daughter and
14	that's too far away from (inaudible) [where] my daughter
15	lives.
16	MS. WENDY VAN TONGEREN: M'hm.
17	MS. CECELIA ARNET: Yeah. No, she didn't.
18	MS. WENDY VAN TONGEREN: No.
19	MS. CECELIA ARNET: No. She said no.
20	MS. WENDY VAN TONGEREN: Okay, so the
21	we've all heard it now. Like, everyone in the room has
22	heard kind of an accounting of or recounting of the
23	steps that led up to what appears to be a death but we
24	don't really know. It's she's missing right now.
25	And so when you think about the

1	Commissioners' job to look at a situation like this and
2	identify what it was, if anything, that was contributing to
3	the vulnerability of Lisa so that it ultimately resulted in
4	her being missing, so what do you think? What do you think
5	would be
6	MS. CECELIA ARNET: She said too she
7	said, "I can feel her remains are close by here," she said.
8	But she didn't know what area but it was close to our, like
9	daughter that she said it's her but (inaudible) were
10	(inaudible) really say it was belongs to some other
11	belongs to some company or someone's got this property now.
12	MS. WENDY VAN TONGEREN: Oh, I see.
13	MS. CECELIA ARNET: They said we can't look
14	and we have to have permission, who it belongs to or
15	apparently it belonged to the bikers at the time a few
16	years ago.
17	MS. WENDY VAN TONGEREN: M'hm.
18	MS. CECELIA ARNET: But I don't know if they
19	sold it or yeah.
20	MS. WENDY VAN TONGEREN: Okay, so let's talk
21	about some things that we know that about Lisa. And I
22	expect that all of you are kind of feeling something about
23	and maybe even a bit nervous to say or don't want to say
24	or it's just private.
25	But if there is something that you think

could be said that would help the Lisas of tomorrow and

Statement - Public Martin, Moss et al (Young & Young)

1

- what could be -- Moses, you started off with 2 recommendations for example, and the point of the 3 recommendations is, as you very eloquently stated, it's for 4 5 our daughters and granddaughters of the future. MS. CECELIA ARNET: 6 M'hm. MS. WENDY VAN TONGEREN: So what -- and 7 8 again, another important thing that was integral to what you were talking about is appreciating that we can learn 9 10 from these things that feel like tragedies. They feel 11 like, you know, our feet are stuck in concrete. MS. CECELIA ARNET: 12 M'hm. MS. WENDY VAN TONGEREN: Sometimes we can't 13 14 breathe with the emotion and -- but actually there is a teaching in there that we can bring to our children and our 15 grandchildren. 16
- 17 MS. CECELIA ARNET: M'hm.
- MS. WENDY VAN TONGEREN: So the amazing 18 thing about the Inquiry is that this is en masse, you know 19 20 what I mean? It's en masse, that hundreds if not thousands of people are talking about what has happened to these 21 women and girls in their lives. And the Commissioners are 22 23 given the task, like, to give -- you can just sort of see 24 how heavy and how light that is; heavy in the sense of the 25 burden and light in that it is lighting the darkness.

1	MS. CECELIA ARNET: M'hm.
2	MS. WENDY VAN TONGEREN: That's their
3	responsibility. But it's your responsibility to look into
4	yourselves, into the violence [your lives and] in the
5	relationships that we have to speak to the Commissioners
6	about some ideas.
7	And sometimes it's obvious. It's right in
8	front of you. But sometimes you have to actually look
9	deeply into the not only the years and the months but
10	even the minutes and the seconds of the lives that you have
11	together and the clues that you have about how to keep the
12	girls and women of the future safe.
13	So one thing I'll recommends two pizzas for
14	Siouxsan.
15	So do you want to does anyone want to add
16	to that, to look to that, like, to what would have made a
17	difference for
18	[MS. CARLA MOSS]: Cecelia is thinking that
19	Lisa probably had a few that I could talk about. We heard
20	Moses talk a bit at the beginning about the language.
21	MS. WENDY VAN TONGEREN: Yeah.
22	[MS. CARLA MOSS]: And we're like, one
23	minute to midnight in terms of language loss in our
24	community. Moses and Cecelia are the last generation and I
25	know Moses is 76 but I don't know how old Cecelia is. I

1	think she's around that age, maybe a bit younger.
2	MS. WENDY VAN TONGEREN: You're 39, I think.
3	[MS. CARLA MOSS]: Yeah, they're 39. But
4	like, I don't any other elders who still speak, I would
5	love to see none of them ever work again doing anything but
6	language because it connects a community.
7	And even when we pray it's like, you know, I
8	was in the cleanse today and I was understanding the
9	prayer. And it was just so cool, like, I know your
10	praying. We're working really hard but we also have to
11	make a living to pay for our home and stuff. So we can
12	only put so much time in right now.
13	MS. WENDY VAN TONGEREN: Right.
14	[MS. CARLA MOSS]: And Moses is teaching our
15	boys to fish and there's just only so many hours in a day.
16	So language is urgent.
17	And I think we did look into our family,
18	especially with Barb. We talked a lot about communication
19	after what happened with Barb and just how kids see you
20	know, saw that control and we say, "Could you just tell us
21	where you are? It's about we just want to know you're
22	safe."
23	And do you know what? James and Gary are 20
24	and 23, still messages from the market and say, "Leaving
25	the market. Be home in an hour. "

1	MS. WENDY VAN TONGEREN: M'hm.
2	MS. CECELIA ARNET: Yeah. (Inaudible)
3	Siouxsan.
4	[MS. CARLA MOSS]: Another non-Native side
5	that you heard Moses make a recommendation about courses
6	for the RCMP. I don't know how we deal with racism within
7	the RCMP and in the paramedic community but I think we have
8	to.
9	I can I don't even want to say in front
10	of you guys some of the stuff I've heard, to be honest. I
11	don't want them to know what I know because it will hurt.
12	MS. WENDY VAN TONGEREN: Do you work in an
13	area related to this?
14	[MS. CARLA MOSS: Yeah, and I'm getting
15	nervous. So I don't want to put my job in jeopardy.
16	MS. WENDY VAN TONGEREN: Yeah.
17	[MS. CARLA MOSS]: Like, if I did say it to
18	you confidentially but I think one thing I can say this
19	is just going to the Commissioners; but will it go to my
20	employer?
21	MS. WENDY VAN TONGEREN: $N \circ$.
22	[MS. CARLA MOSS]: At all?
23	MS. WENDY VAN TONGEREN: No.
24	[MS. CARLA MOSS]: So there's some people
25	and I want to really emphasize "some" because it's

1	definitely not all because there's some really wonderful
2	people out there. I'm a medic and so (inaudible) [I'm in
3	the medic] service who they use bad racist words when
4	they're tending people and I have watched it the other day.
5	We were they were assuming the person was
6	drunk and yes, they had been drinking, but they were
7	obviously unstable and obviously needed to go to the
8	hospital. I was fighting with the medic, the other my
9	partner saying, "You can't just walk away."
10	And then I had to talk with my boss. So and
11	that's not we're trained not to do. We had (inaudible).
12	MS. WENDY VAN TONGEREN: M'hm.
13	[MS. CARLA MOSS]: And there's words they
14	use for people who were either on the streets or struggling
15	with substance abuse that it reinforces patterns of
16	behaviour and attitudes that aren't okay and put people at
17	risk.
18	And then there's some people so that's
19	that world. That's medic, police world. Then there's just
20	human worlds. Siouxsan, I'm going to tell. Okay, this is
21	hard.
22	There's some White boys who are shitheads.
23	Those White boys are shitheads, period, you know what I
24	mean? But there are some White boys who will (inaudible)
25	[value (inaudible) women lower than white women]. And

1	they're a nobody, you know, just stay away from them.
2	But we know they exist and we know that we
3	have to be careful to be safe and maybe more careful than a
4	non-Native girl in the same situation. And it's not fair
5	and it's not right but that's just what I've seen.
6	MS. WENDY VAN TONGEREN: So this relates to
7	recommendations around cultural competency and doing what
8	can be done in the education system or the media or
9	whatever in terms of a messaging around not only it's
10	not a situation of tolerating as we live together. It's a
11	situation of compassion and love is where we begin.
12	MR. MOSES MARTIN: M'hm.
13	MS. WENDY VAN TONGEREN: That's kind of
14	where we're heading. That's where we need to be. And how
15	do you move a generation forward like that? And this is
16	something that the Commissioners (inaudible) now.
17	[MS. CARLA MOSS]: Education culture and
18	also enforcement, that if people are if we're catching
19	people professionally, acting in those ways, they should be
20	disciplined. They should be fired or let go. Like,
21	trained to do the job, I can do my job. It doesn't matter
22	who (inaudible) [you are. It doesn't matter if you have
23	money or not, race, nothing; do that job.
24	MS. WENDY VAN TONGEREN: M'hm.
25	[MS. CARLA MOSS]: Same for everybody.

25

1	MS. WENDY VAN TONGEREN: Now, were you
2	trained at JIBC?
3	[MS. CARLA MOSS]: Yes.
4	MS. WENDY VAN TONGEREN: Okay, so I've done
5	a lot of work at JIBC.
6	[MS. CARLA MOSS]: Yeah.
7	MS. WENDY VAN TONGEREN: And I've heard
8	recently that in the police training they actually bring in
9	elders as one of the
10	ELDER GERTIE PIERRE: Yes.
11	MS. WENDY VAN TONGEREN: Okay, so tell us
12	about that. That's wonderful.
13	ELDER GERTIE PIERRE: Yeah.
14	MS. WENDY VAN TONGEREN: And isn't it part
15	of your graduation that
16	ELDER GERTIE PIERRE: We myself and
17	another elder, we go there to the Justice Institute and we
18	talk to the new recruits at the RCMP that are going to
19	graduate and the sheriffs that are going to graduate. And
20	we talk to them about how residential school has affected
21	us and how, you know, the like, we want, you know, the
22	RCMP not only to treat Aboriginal people with respect but
23	all cultures because they need to look at how they are
24	treating other people.

And they -- you know, like I said, we all

1	bleed the same colour of blood, you know? We're all
2	related in one way or the other and we should be treated
3	with respect.
4	And I honestly all the people downtown
5	east side, I said, "They weren't born to be down there.
6	They're there because of residential school, because of the
7	trauma, the sexual, physical, emotional, and psychological
8	abuse that they suffered."
9	And I said that, "You have to be gentle with
10	them, respectful, caring, and not (inaudible) [loving] to
11	them. They're human beings like you and I."
12	And then I walked downtown and I said, "When
13	I see somebody living on the street, I'll go and ask them,
14	'Are you okay? Do you need some help? I'll call someone
15	to come and help you.'"
16	And I said, "It just takes a few seconds to
17	give some of your time." You know, you've got an RCMP is
18	walking downtown, you just pass them by and I've seen it.
19	They pass them by just as if they're animals and they're
20	not worth much.
21	MS. WENDY VAN TONGEREN: Okay.
22	ELDER GERTIE PIERRE: And you have to start
23	seeing that they are important and you have to start
24	treating them just like human beings. When we tell our
25	stories to the RCMP and the sheriffs

1	MS. WENDY VAN TONGEREN: Can I just like,
2	the RCMP don't go to the JIBC, so it's or it's all the
3	municipal forces? So it would be Vancouver Police
4	Department; it would be
5	ELDER GERTIE PIERRE: They're training to be
6	RCMP.
7	MS. WENDY VAN TONGEREN: They are?
8	ELDER GERTIE PIERRE: They are.
9	MS. WENDY VAN TONGEREN: Are you sure?
10	ELDER GERTIE PIERRE: Yes.
11	MS. WENDY VAN TONGEREN: Okay.
12	ELDER GERTIE PIERRE: Yeah.
13	MS. WENDY VAN TONGEREN: Because they
14	ELDER GERTIE PIERRE: Because they come from
15	they usually from there are already in, you know,
16	like, North Vancouver, Surrey, and Langley.
17	MS. WENDY VAN TONGEREN: Okay, so
18	ELDER GERTIE PIERRE: Yeah.
19	MS. WENDY VAN TONGEREN: it's competency
20	training for police?
21	ELDER GERTIE PIERRE: Yeah.
22	MS. WENDY VAN TONGEREN: So it's not the
23	first training (inaudible)?
24	ELDER GERTIE PIERRE: It's not training.
25	Yeah, it's

1	MS. WENDY VAN TONGEREN: It's not really
2	ELDER GERTIE PIERRE: Yeah. So when they
3	talk with us they ask they said, "You know, we've taken
4	videos and saw videos. We've read stories about
5	residential school. But to listen and to hear your story
6	about what you suffered through is more heart-wrenching
7	than to read about it or watch it on video."
8	MS. WENDY VAN TONGEREN: M'hm.
9	ELDER GERTIE PIERRE: And I said, "Well, you
10	know, that is the true story, you know? Us Aboriginal
11	people, we really suffered in residential school and you
12	know, we the healing that we had to go through in trying
13	to forgive those that have hurt us, why they've done that,
14	we have no understanding. But you know, we had to forgive
15	them and say, you know, get on with our lives and heal
16	ourselves."
17	And I had to do a lot of healing. I was a
18	chronic alcoholic for a few years and I had suddenly
19	sobered up at 35 so I've been sober now for 36 years.
20	And I remember the success part of my life
21	and tell them, you know, even though I was dragged down and
22	I was dragged through the mud and you know, they didn't
23	look at me as being, you know, growing up to be a smart
24	human being because they always called me dumb and stupid,
25	ignorant.

And I said, "I graduated from UBC with my 1 2 Bachelor of Social Work at 65 years old." I said, "I had to prove to myself and I was able to do that." 3 And the RCMP and the sheriffs, some of them 4 5 break down and they start crying and you know, they have stories themselves, you know, because some of them are from 6 different nationalities and they went through a lot of 7 8 trauma. 9

MS. WENDY VAN TONGEREN: M'hm.

ELDER GERTIE PIERRE: And we have to make them aware that there's help out there and you can get support. And you know, you RCMP and sheriffs, you have to start working with the people and start, you know accepting them, you know, as human beings like you and I, you know, and be sensitive to their needs. Because I hear you about the medics, you know, and it happens now in town in the hospital. The hospital's built on our land.

MS. WENDY VAN TONGEREN:

ELDER GERTIE PIERRE: But they still treat our people with disrespect, you know? And they're just -and when they're alcoholic and they don't take care of them like other people. You know, like I know one person was walking in the door and see someone in Emergency who wanted some help. And they -- then they said that there was another alcoholic they walked out the Emergency door and he

died. So yeah, we have a lot of work to do around, you 1 2 know working with the medical system, the education system, the RCMP, you know, and we all ---3 MS. WENDY VAN TONGEREN: And there's many 4 other police forces besides the RCMP in British Columbia. 5 ELDER GERTIE PIERRE: Yeah. M'hm. 6 7 MS. WENDY VAN TONGEREN: So like, you 8 probably deal mostly with the RCMP but around Victoria there are like, Esquimalt. 9 10 ELDER GERTIE PIERRE: And there's 11 (inaudible). MS. WENDY VAN TONGEREN: 12 There's the Victoria City Police. So it's not just RCMP that are ---13 14 ELDER GERTIE PIERRE: No. MS. WENDY VAN TONGEREN: --- that make them 15 need to -- some help in sorting out how to do their work in 16 a culturally competent way. 17 **ELDER GERTIE PIERRE:** We need to (inaudible) 18 I think. 19 [MS. CARLA MOSS]: Yeah. We're trained that 20 there's several things that mimic drunkenness or 21 intoxication. It could be stroke or diabetic ketosis and 22 23 high blood sugar. So you never assume that that person is just drunk. You don't know if they fell on their head. 24 25 ELDER GERTIE PIERRE: M'hm.

1	[MS. CARLA MOSS]: So we can't make
2	assumptions. So their vitals if something shows us
3	there's something unstable, you've really got to make sure
4	they get help.
5	MS. WENDY VAN TONGEREN: (Inaudible) see in
6	enforcement that you're satisfied with? And you were
7	nervous to talk about this because you think that, you
8	know, there would be a whistle blower, right?
9	[MS. CARLA MOSS]: Yeah.
10	MS. WENDY VAN TONGEREN: So that's can
11	you address that culture? I mean, like, because are people
12	always afraid of speaking out about that?
13	[MS. CARLA MOSS]: Well, you know there's
14	this joke that Russell Peters says. I don't know if you
15	ever heard it?
16	MS. WENDY VAN TONGEREN: $N \circ$.
17	[MS. CARLA MOSS]: I tried it out once
18	actually on somebody. It says, "If you want to piss off a
19	White man, call him a racist." So I experimented with it.
20	It's quite funny because it worked. He turned beet red and
21	starting yelling.
22	But you know, I think there's a fear of
23	that. I think when they're so afraid of being called
24	racist rather than say, "No, we need to look at this
25	behaviour, deal with it." In a sense, it's not about being

racist or not racist in the sense that I talked about that 1 2 one medic. It was just do your job. You know, whether you're racist or not, just do your job. Don't assume that 3 that person is drunk. And if they are showing violence, 4 5 like, they're unstable, do something about it, not just 6 walk away. 7 MS. WENDY VAN TONGEREN: So ---8 [MS. CARLA MOSS]: Yeah. MS. WENDY VAN TONGEREN: And so some 9 recommendations around the whistle-blowing thing, I think, 10 11 to make -- to -- because it's not like they have to -- when you look to policies and ways of opening the convo that 12 might need some tweaking but the bottom line, it's got to 13 14 do with people not feeling afraid to actually report things. 15 [MS. CECELIA ARNET]: M'hm. 16 17 MS. WENDY VAN TONGEREN: Like, having a system where somehow this is monitored more closely, like, 18 a monitoring. 19 [MS. CARLA MOSS]: Maybe also amplify the 20 21 complaint process, a complaint process that's more 22 effective. So if you witness they can feel comfortable calling them and saying, "This is what I saw and I'm --" 23 24 you know, something won't happen. And then they know that

they won't be treated badly in the future.

25

1	MS. WENDY VAN TONGEREN: Yeah, that's what
2	they're afraid of.
3	[MS. CECELIA ARNET]: M'hm.
4	MS. WENDY VAN TONGEREN: Yeah, as well. One
5	of my daughters was in hospital when she was three and I
6	remember that I was constantly, "Do this, do that," and all
7	that. And then I could feel the environment changing
8	around me and I realized I had to because I eventually
9	started staying with her 24/7 because I knew that I
10	couldn't be because I had created this (inaudible). Oh-oh,
11	you're not going to get (inaudible).
12	But it's good to laugh about it but
13	(inaudible). But those are also some really good points.
14	What else do you have?
15	[MS. CARLA MOSS]: Okay, so the language.
16	We want to change this making sure, getting the news out
17	about this.
18	So like, one thing that happened, I was
19	doing a memorial in (inaudible) centre where the
20	(inaudible) [we are listing the names and] have a short
21	story of everyone who's missing and getting the staff's
22	help there a bit [stats out there that]
23	And the statistics that are there's a
24	study (inaudible) for the recommendation that came from the
25	RCMP. (Inaudible) [Do you guys] you know the study that

1	I've been talking about. There was
2	MS. WENDY VAN TONGEREN: Well, there's the
3	RCMP one and there's that they have done. And they've
4	got statistics on things.
5	[ELDER GERTIE PIERRE]: Not (inaudible).
6	MS. WENDY VAN TONGEREN: So they've got a
7	database. But there's one in 2014 and one in okay, so
8	you were starting to talk. Sorry.
9	[ELDER GERTIE PIERRE]: So I would just say
10	we're not talking about the (inaudible) report and the
11	recommendations.
12	[MS. CARLA MOSS]: This was a really simple
13	set of stats that showed like, this many are being
14	(inaudible) [killed by their spouse], this many are total
15	strangers, and it shows and getting those stats out
16	because I remember before this became an issue. I was a
17	little bit frustrated too with the idea why are we
18	talking about only missing and murdered Native woman? Why
19	not all women?
20	And [I was a little annoyed with] a little
21	about that. These guys are amazing because they're just
22	like, you know, "Yeah, I want (inaudible)." They're really
23	clear about that. But me, I was still a little perturbed
24	until Lillian Howard and I were sitting there in Prince
25	George and she was like, "How many can we count?"

1	And we started counting on our fingers, all
2	the people we knew, all the families we knew, and we were
3	like, "Holy cow. This [is] why we're talking about we're
4	focusing on Native women."
5	MS. WENDY VAN TONGEREN: M'hm. And the same
6	can be said for why not Native men as well because those
7	-
8	[MS. CARLA MOSS]: Yeah.
9	MS. WENDY VAN TONGEREN: figures are
10	very high compared to non-Native men. But there's kind of
11	an intersectionality here. It's like, it's again, got
12	to do with vulnerability. You have a combination of the
13	misogyny as well as the racism and it basically, you know,
14	doubles the vulnerability.
15	[MS. CARLA MOSS]: The victimization is
16	happening from the other end.
17	MS. WENDY VAN TONGEREN: Yeah. So it just
18	means that that wouldn't necessarily have came up if it was
19	there have been other studies that included men,
20	Indigenous men, and so the vulnerability has been
21	recognized by the residential school TRC and others.
22	But yes, it was just determined that there
23	was a need to focus on the gender piece as well as the
24	racist piece. So it's not that the men are forgotten, it's
25	they're integral to women's lives and it's important

that that's acknowledged in terms of the -- well, the 1 2 holistic nature of the impact of racism on all Indigenous people. And also, it creates a whole environment for non-3 Indigenous people. 4 5 [MS. CARLA MOSS]: It does. M'hm. MS. WENDY VAN TONGEREN: Like, who the heck 6 7 wants to live in this place? 8 [MS. CARLA MOSS]: Think of what you're missing (inaudible) [out on if you] close the doors and not 9 let any other race in and then we say, "Oh well, there are 10 11 (inaudible) people but then we're only going to see white people." 12 MS. WENDY VAN TONGEREN: M'hm. 13 14 [MS. CARLA MOSS]: And that's a lot of what the White society does, right? 15 MS. WENDY VAN TONGEREN: 16 Yeah. [MS. CARLA MOSS]: All those other people in 17 this room (inaudible). Can you imagine kids living in that 18 world? 19 20 MS. WENDY VAN TONGEREN: [MS. CARLA MOSS]: So it's a really sad 21 22 world. We wouldn't even have to ask for (inaudible) 23 [aspirin]. [MS. CARLA MOSS]: You asked for the 24 25 (inaudible) [know that aspirin is an Indian medicine],

1	right? Did you know that? That aspirin's an Indian
2	medicine?
3	MS. WENDY VAN TONGEREN: No, I didn't know
4	that. No, I don't personally take aspirin so not that I
5	restrict everything I take but
6	[MS. CARLA MOSS]: A lot of people take it
7	for heart attack prevention, right?
8	MS. WENDY VAN TONGEREN: Yeah.
9	[ELDER GERTIE PIERRE]: M'hm.
10	[MS. CARLA MOSS]: But yeah, it was
11	introduced to Lewis and Clark to take it back to Europe.
12	MS. WENDY VAN TONGEREN: I'm sure there's
13	much more that can be said about that.
14	[MS. CARLA MOSS]: Oh, yeah.
15	MS. WENDY VAN TONGEREN: So those are good.
16	Anything else?
17	And by the way, it just so happens that
18	today is September $13^{\rm th}$, 2017. But the Inquiry is going to
19	go on for some time so if you go home and wake up in the
20	middle of the night and go, "Wow," make sure you write it
21	down or call me. Don't feel that this is your last chance.
22	It's an open door.
23	[MS. CECELIA ARNET]: M'hm.
24	MS. WENDY VAN TONGEREN: Yeah.
25	[MS. CARLA MOSS]: Transportation.

1	MS. WENDY VAN TONGEREN: Transportation? Is
2	that (inaudible) do you think?
3	[MS. CARLA MOSS]: Yeah. Maybe one of you
4	guys can talk about transportation. I've talked too much
5	now.
6	MS. WENDY VAN TONGEREN [MS. CARLA MOSS]: Do
7	you want to talk about transportation?
8	[MS. CAROL FRANK]: M'hm. There's so many
9	issues.
10	[MS. CARLA MOSS]: [There's so many issues.]
11	[MS. CAROL FRANK]: Yeah.
12	MS. WENDY VAN TONGEREN: Oh, Moses has
13	talked about that. And he made a recommendation about
14	making sure there was a bus
15	[EDLER GERTIE PIERRE]: Because of the
16	Highway of Tears.
17	MS. WENDY VAN TONGEREN: because of that
18	situation and there is a bus, I understand, but now
19	Greyhound has cancelled their bus.
20	[ELDER GERTIE PIERRE]: Yeah.
21	MS. WENDY VAN TONGEREN: M'hm. And in terms
22	of, you know, Lisa and transportation, what could be said
23	about that, right? Most parents looking at that would say,
24	well, the parents did what they could to make sure that she
25	didn't do this. And it just so happened that night she did

25

do it. So she was playing Russian roulette. 1 2 [MS. CECELIA ARNET]: M'hm. 3 MS. WENDY VAN TONGEREN: And ---MS. CECELIA ARNET: Well, it was --4 5 apparently they trusted that guy and she was with friends. She was very safe. 6 7 MS. WENDY VAN TONGEREN: 8 MS. CECELIA ARNET: But then they didn't look after their friend. 9 10 MS. WENDY VAN TONGEREN: M'hm. 11 MS. CECELIA ARNET: It's just (inaudible) [didn't work]. 12 MS. WENDY VAN TONGEREN: M'hm. 13 14 [MS. CAROL FRANK]: Even with me right now, my niece is living with me and she's 30. Yeah, well, she 15 works in Tofino and I think it's 16 kilometres from Tofino. 16 17 And a lot of times she was hitchhiking to work. That's the only way she could get to work. And she -- sometimes she'd 18 be working late at night, like, late in the evening. If I 19 wasn't home to pick her up she'd be going online looking 20 for a ride home. 21 22 [MS. CAROL FRANK]: There's a lot of our 23 young people hurt. 24 [MS. CECELIA ARNET]: Even the young men

hitch-hiking and I tell them, "Be careful. Be careful.

Ιt

1	doesn't matter if you're a man. It doesn't matter
2	(inaudible) [big or whatever, you know?]"
3	MS. WENDY VAN TONGEREN: But somehow at the
4	very least some information needs to be gathered again
5	about transportation in vulnerable areas
6	[ELDER GERTIE PIERRE]: Yeah.
7	MS. WENDY VAN TONGEREN: where young
8	people and others are having to resort to hitchhiking to
9	get there.
10	[ELDER GERTIE PIERRE]: Yeah.
11	[MS. CAROL FRANK]: You get a lot. Over in
12	Tofino we get over a million visitors in the summertime.
13	MS. WENDY VAN TONGEREN: M'hm.
14	[MS. CECELIA ARNET]: It's dangerous.
15	[MS. CAROL FRANK]: Summer times. So
16	there's a lot of people that we don't know, like. When I'm
17	going to Tofino I pick up a lot of if they're couples
18	we'll pick them up or pick up the locals. But you know,
19	there's a lot of people that we don't know travelling that
20	road.
21	MR. MOSES MARTIN [MS. CECELIA ARNET]:
22	There's lots of hitchhikers.
23	MS. WENDY VAN TONGEREN: Hitchhikers, yeah.
24	[MS. CAROL FRANK]: (Inaudible), yeah.
25	[MS. CECELIA ARNET]: Yeah. And vehicles

25

1	too, eh?
2	MS. WENDY VAN TONGEREN: Yeah.
3	[ELDER GERTIE PIERRE]: There's no bus
4	services?
5	[MS. CAROL FRANK]: There is one in the
6	summertime. It only goes to just past the information
7	centre.
8	[MS. MARTHA STEWART]: The info centre.
9	[MS. CAROL FRANK]: And it's a lot of our
10	people will catch the what's it called?
11	[MS. MARTHA STEWART]: The treatment bus out
12	to the oh, the shuttle thing?
13	[MS. CAROL FRANK]: Shuttle. They'll catch
14	the shuttle
15	[MS. MARTHA STEWART]: To the info centre.
16	[MS. CAROL FRANK]: to the info centre
17	which is about four kilometres out of Tofino and then
18	they'll hike from there. So what I was speaking to
19	somebody was well, they should go to council and then
20	council pay, like, put in money and have a bus go right out
21	to Long Beach and which would help.
22	MS. WENDY VAN TONGEREN: Yeah. That's
23	exactly the type of thing that needs to be looked at.
24	[MS. CECELIA ARNET]: Yeah.

MS. WENDY VAN TONGEREN: Because we can't

1	stop people from using the highway I mean the cars
2	[MS. CECELIA ARNET]: Yeah.
3	MS. WENDY VAN TONGEREN: to save more
4	lives.
5	[ELDER GERTIE PIERRE]: (Inaudible) yeah.
6	M'hm.
7	MS. WENDY VAN TONGEREN: There are a number
8	of things it's kind of like if I don't know, is there
9	there must be is there a game that an Indigenous
10	game that's like the game of chess where you have to
11	advance all these things for something to happen? You
12	can't just deal with one. So that's kind of like life.
13	But there's probably an Indigenous game that people could
14	relate to more than chess. I don't know. It's not just
15	one thing. Lots of things need to be thought of.
16	[MS. CAROL FRANK]: Another thing I found
17	with my sister, over the years, was her and her husband,
18	they were together like, 38 years and over the years she
19	would like, leave, leave him. And it was hard sometimes
20	for her to find a place because a lot of times the women's
21	shelter was full.
22	So that's another thing we're lacking, is
23	places for vulnerable women to go to like, to turn to, eh?
24	Sometimes my sister would get into the shelter. Other
25	times she couldn't so she'd find like, if she was living

1	in Nanaimo and all of us are living in Tofino so she'd find
2	other ways, like, family or so that's
3	[MS. CECELIA ARNET]: I've got (inaudible)
4	at home.
5	[MS. CAROL FRANK]: And what's lacking is
6	more places where women
7	MS. WENDY VAN TONGEREN: Yeah.
8	[ELDER GERTIE PIERRE]: Safe houses.
9	MS. WENDY VAN TONGEREN: Are you talking
10	about Marlene Joanne?
11	[MS. CAROL FRANK]: Yeah.
12	MS. WENDY VAN TONGEREN: Or another sister?
13	[MS. CAROL FRANK]: Yeah.
14	MS. WENDY VAN TONGEREN: Yeah, because you
15	know, Carol, I heard of a woman who actually said that she
16	connected with transition homes while she was trying to get
16 17	connected with transition homes while she was trying to get from one location in B.C. to another location.
17	from one location in B.C. to another location.
17 18	from one location in B.C. to another location. MS. CAROL FRANK: M'hm.
17 18 19	from one location in B.C. to another location. MS. CAROL FRANK: M'hm. MS. WENDY VAN TONGEREN: And they set it up
17 18 19 20	from one location in B.C. to another location. MS. CAROL FRANK: M'hm. MS. WENDY VAN TONGEREN: And they set it up in a way that she basically had a place to stay everywhere
17 18 19 20 21	from one location in B.C. to another location. MS. CAROL FRANK: M'hm. MS. WENDY VAN TONGEREN: And they set it up in a way that she basically had a place to stay everywhere she went. So if she felt that and she was kind of being
17 18 19 20 21 22	from one location in B.C. to another location. MS. CAROL FRANK: M'hm. MS. WENDY VAN TONGEREN: And they set it up in a way that she basically had a place to stay everywhere she went. So if she felt that and she was kind of being trapped by her

1	MS. CAROL FRANK: M'hm.
2	MS. WENDY VAN TONGEREN: And so she had a
3	place to go every time. So you know, that's quite
4	impressive, I think, if that type of security can be
5	offered.
6	MS. CAROL FRANK: M'hm.
7	MS. WENDY VAN TONGEREN: So that's a good
8	point.
9	[MS. CARLA MOSS]: I wonder if there's
10	maybe you can address this too, if it's like having a
11	discussion. I just think (inaudible) and like, your dad
12	and I used to have this argument when our boys were small
13	that you be on the ferry, for example, and I'd want to
14	I'd always make sure I went to the bathroom with my boys
15	while they were short.
16	My rule was when they can knock somebody
17	out, they can go to the bathroom alone. And he was like,
18	"You're crippling them in the sense that you're taking away
19	their confidence that they can do things on their own."
20	So you know, we both were wanting the best
21	for our boys and had different points of view. And I'm
22	wondering if there's different things that keep us safe in
23	different communities and sharing that back and forth.
24	Like, you know, in the university campuses
25	there's a huge rape problem also. And there are certain

1	parties that you just know you don't go to unless or
2	you're going to get hurt.
3	MS. WENDY VAN TONGEREN: Yeah.
4	[MS. CARLA MOSS]: You don't go to the
5	football players' parties, right?
6	MS. WENDY VAN TONGEREN: M'hm.
7	[MS. CARLA MOSS]: And if you're not sure
8	-
9	MS. WENDY VAN TONGEREN: I've never been
10	invited, actually, myself.
11	[MS. WENDY VAN TONGEREN]: You've been
12	invited to football players' parties?
13	[MS. CARLA MOSS]: I've seen the invitations
14	(inaudible) [I would've ignored the invitation]. But you
15	really knew going in. It's you know, like don't go to
16	because we already knew what they did to women at these
17	parties.
18	MS. WENDY VAN TONGEREN: M'hm.
19	[MS. CARLA MOSS]: And it wasn't (inaudible)
20	[a fun thing]. How we'd end those conversations where
21	another girl who didn't know would say, "Oh, this will be
22	fun."
23	And like, you know, "Yay, great." Or if
24	they went on a date not knowing what they were walking into
25	at all.

25

1	MS. WENDY VAN TONGEREN: There's some my
2	sister and (inaudible) sister-in-law has a theatre company
3	And she's put on, created a couple of plays that and I
4	have a daughter who's RCMP in [and does] First Nations
5	police [policing].
6	So she's bringing these plays to the
7	communities my daughter is bringing my sister-in-law's
8	plays. And one is called "Dissolved". I don't know if
9	anyone's seen that but it's a play where they talk solely
10	about people putting roofies or some sort of drug in girls
11	women's drinks at some parties. And it's a whole play
12	about that.
13	And so it's an education piece but they've
14	put it together in a way that's it's actually entertaining
15	and funny in places. And so that it's something that they
16	can actually sit down and swallow, you know, because it's
17	funny and it's good and
18	[ELDER GERTIE PIERRE]: M'hm.
19	MS. WENDY VAN TONGEREN: but the woman
20	who wrote it, that's exactly what happened to her. She
21	went to a party, somebody put something in her drink, she
22	woke up in her bed with this absolute stranger the next
23	morning that in her mind, she'd never seen before in her
24	life.

And so she was studying here at UBC and she

asked whether or not she could write her play about that
experience for one of her projects. And so she did. And
if you ever see it advertised it's a good play to watch.

But also, when I saw it I thought it was so fantastic that I bought -- I phoned up many of the police that I know in sex units and sex crime units and I bought them all tickets. Like, I bought them tickets to go. And so there were a number that went.

And I think that's why my daughter got encouraged to go. Because at the end they actually have a question and answer period too and so it's helpful to have police there, to have lawyer types there who know the law, sexual assaults so they understand consent.

And then the second one they've done which is now being toured, currently being toured and it will probably be in Nanaimo or Port Alberni shortly -- in fact, I have the schedule on here because my daughter wants me to know about it.

On". And it's a story of a young woman who goes missing and her mom is trying to find her. And then I won't spoil the end but basically she discovers that what has happened is that this -- her daughter has been involved with a pimp that's pretty much also her lover. And so they go through, like, all the nuances and merits and complexities of that.

1 And so that's being toured.

And so they're educational pieces; you know, they're social educational pieces using arts so that it's not -- you're almost like, listening to boring people like me sort of describe the intricacies of how serious this is. They do it through life's drama and people who sound like real people who have experienced this.

And so those are kind of examples of how this awareness can develop because you're in the room at the end having watched this and you discuss it and ask questions, right? It's like, well, what about the fact that she loves the guy? Like, what do you do about that then? How do you get her away from him? Okay, well -- and then you discuss it.

So those are -- there's a lot of people who are kind of contribute to the critical mass that needs to happen to shift the orbit of our relationships on our -- to loving and compassionate ones.

And it does come through education in part, right? That's because sometimes it's ignorance that -- and sometimes it's fear of those guys who are racist. There just might be a fear underneath all that. And so it's pretty basic human behaviour stuff that sometimes a conversation is enough and sometimes life in jail is enough.

1	[MRS. CECLIA ARNET]: M'hm.
2	MS. WENDY VAN TONGEREN: Okay, what about
3	the youth, Siouxsan, young people? How old are you, the
4	way?
5	MS. SIOUXSAN MARTIN: Fourteen (14).
6	MS. WENDY VAN TONGEREN: Fourteen (14). And
7	the fact that I'm talking to you is is that if you
8	would prefer that I just be quiet right now then I'll do
9	that. But may I talk to you?
10	MS. SIOUXSAN MARTIN: Yeah.
11	MS. WENDY VAN TONGEREN: Okay. So you're
12	14.
13	MS. SIOUXSAN MARTIN: M'hm.
14	MS. WENDY VAN TONGEREN: Which means that
15	you are kind of like a gem. Like, you are like having sun
16	in the room. Like, the sun actually being here. Like, it
17	is absolutely precious that you're here. It's amazing that
18	you're here.
19	[MS. CECELIA ARNET]: M'hm.
20	MS. WENDY VAN TONGEREN: And I know I
21	personally can learn so much from you if I could figure out
22	a way that you would want to talk to me.
23	And what I need to know is what I would
24	like you to think about and see if you can speak about it
25	is what do we do about making sure the youth are safe?

20

21

22

23

24

25

1	What are you seeing with your friends? What are you seeing
2	about how you and other girls your age are treated that you
3	think should be different?
4	And you know what? You're this is not
5	going to go on TV tonight. This is going to go to
6	Commissioners for writing something that is going to affect
7	you as you grow up and your children and your
8	grandchildren.
9	You know, one day you're going to be as old
10	as this guy and you're going to be looking at your
11	grandchildren and you're going to be thinking about wow, I
12	remember going to that meeting with all my aunties and
13	everybody. They were talking about making things better
14	and I played a role in that because I was there. I had the
15	courage to be there and I listened.
16	So you're this is what it feels like to
17	participate in life in a way that makes things a good way
18	for you, for your children, for your grandchildren, for the
19	people in your life.

So I don't need to be shy about it and if you would like us all to turn the other way or put our hands on our ears or whatever you want or if you want to draw pictures of write something down you can use whatever way you want to tell because it's -- the thing is that we love you and we want to hear your wisdom because you have a

wisdom we don't have any more because we've gone past the

3	what do you think?
4	MS. SIOUXSAN MARTIN [MS. MARTHA STEWART]:
5	(Inaudible) [It's a safe] place where you can do whatever
6	you need to.
7	MS. WENDY VAN TONGEREN: Can you tell us an
8	example where you felt that somebody did something really
9	good to make sure that you or one of your girlfriends was
10	safe, that really helped you guys? Have you ever had to
11	step in somewhere and help make somebody safe?
12	MS. MARTHA STEWART: My husband and I have
13	always done our best to keep our children sheltered from a

I cannot easily understand how hard it is for her to understand where we're coming from in terms of what that means, what's happening to (inaudible) to protect women because she's never seen it. She's never witnessed the things that we have gone through in our life because she's always had her dad Marcel and her brothers and her sister, they're always there to protect her. She's the youngest one of us, out of all of us or out of her siblings and there's seven. And we have nine grandchildren.

lot of things. We drink and had like, two incidents of

assault. And she's never ever witnessed any of it. When

1	And you know, I'm proud to say that my
2	daughter hasn't witnessed a lot of the things that, you
3	know, I've seen and her as a young girl, as a mother,
4	and as a wife. My husband and I have always tried really
5	hard to make sure that she never had to witness any of it,
6	any of our kids. None of our kids have ever you know,
7	we've yeah, we've had our shouting matches but that's
8	it.
9	Because I've you know, I listened to my
10	grandmother when she was still here. She always said, "The
11	only place you can ever learn respect is from home. You
12	can't learn it anywhere else."
13	Well, you're talking about our safety,
14	people only you know, the criminal justice trying to
15	figure out ways to get government officials, everybody you
16	know, that plays a part in the government they're never
17	going to know. Not when they didn't learn their respect
18	from home.
19	Because in our home we don't we've never
20	practised or even witnessed racism at home. Not in our
21	home.
22	One of my first cousins, a few months ago
23	and this is it's not a family secret but nobody is
24	talking about it. She was in Nanaimo that the same thing
25	was based on a message phoned everybody, let everybody know

1	what she was doing. She went out to the bar and she met
2	her friends down there. And she started feeling like she
3	was starting to get a little bit too high so she was trying
4	to do the responsible thing and she called a cab.
5	And the cabbie noticed that she was, I
6	guess, getting feeling pretty intoxicated and she gave
7	him the address where to home and she noticed that he
8	was taking a different route so she started looking around.

He brought her to another house just on the outskirts of Nanaimo. Two men, East Indian, she said in the back of the cab. They both had (inaudible) and they both got in in the back seat and she fought. She fought like hell. She kept kicking, she kept punching, she was pulling their hair. She was too much for them.

Those two guys jumped out of the cab and the cabbie drove away and she jumped out of the cab when it was speeding away. She had no idea where she was. She was just on a dark street in Nanaimo.

And our family was so scared. Everybody was so scared and my husband came and checked on me because I couldn't say anything. I was telling him, I said it was like reliving Lisa all over.

I was never close to Lisa. I never really knew her on a personal level. But when she went missing we came over. We stayed at family's place for five days.

25

1	Richard kept asking me, "Marlene, can we come see you?"
2	"No, baby brother. It's okay. Go home."
3	But he couldn't.
4	One memory that always stuck with me about
5	Lisa after she went missing I don't remember how much
6	longer it was but a bunch of the guys decided that they
7	wanted to go and look in Nanaimo. There was lots of us
8	from home. We all went at the junction, set up a meeting
9	place for Nanaimo. We met at McDonald's in Nanaimo. There
10	was the three of us. (Inaudible) and Carol and I were
11	getting ready to help them.
12	I don't know; I guess just the way things
13	were (inaudible) [moving]. We just assumed that we were
14	going to go. And Moses and them picked up (inaudible) [on
15	it]. We had a small meeting at McDonald's and Moses told
16	us that the ladies were going to stay behind. And it was
17	hard to (inaudible) [hear that].
18	And he explained to us the importance of
19	women and how we're the backbones of the family. What I
20	would like to see in our own community, I know growing up
21	(inaudible) [we had a lot of] youth conferences, youth and
22	parliament groups, respect starts at home.
23	I don't think I would have made a lot of the
24	choices I made if I didn't have the support or the

teachings of these youth programs that we used to go to

1	because my parents were alcoholics. Because after my
2	grandmother died there was nobody else to teach us to
3	teach the girls anything.
4	MS. WENDY VAN TONGEREN: Thank you, Martha.
5	What do girls need to know? We've got these
6	people in the room who are in their seventies and the
7	youngest is 14. So if you added all that up that's a lot
8	of experience.
9	What do girls need to know? Who should
10	teach them? I mean, it sounds simple. We can't say
11	parents because the parents aren't always available one way
12	or another. Is there a way to teach them that's guaranteed
13	that it won't put them in a taxi that goes astray?
14	So much love in this room in the answers
15	(inaudible) answers. So even if I didn't find the right
16	questions sometimes.
17	[MS. CARLA MOSS]: Good thing she knew how
18	to fight. Okay. (Inaudible) fight?
19	MS. WENDY VAN TONGEREN: What happened to
20	that woman who the girl who got in the cab with those
21	guys, and then she kicked and they hopped out and then she
22	was in a dark part of Nanaimo and what happened?
23	[MS. MARTHA STEWART]: One of our other
24	cousins is a taxi driver and she phoned her and she was
25	working, driving late that night. And usually there's

1	you know, when my cousin is driving taxi she'll always let
2	us know. She always lets us know, especially if she knows
3	we're out drinking. She'll pick us up. We don't pay the
4	tab. She just it's a comfort for her to know that we're
5	getting home safely.
6	But she called my cousin and my cousin went
7	to go and pick her up. And my cousin didn't want to go to
8	the RCMP. She didn't want anything done. And as a family
9	we know we had to respect her choice.
10	MS. WENDY VAN TONGEREN: M'hm.
11	[MS. MARTHA STEWART]: Because she said she
12	knew she figured out who it was and the they called
13	the cab station and they reported the driver and everything
14	and that driver was fired. But as far as, you know, the
15	RCMP or anything, you know, she didn't want anything done.
16	MS. WENDY VAN TONGEREN: So I want to try is
17	from my Crown prosecutor days. There's such a thing as
18	third-party reporting
19	[MS. MARTHA STEWART]: M'hm.
20	MS. WENDY VAN TONGEREN: where you
21	have you heard of that before? Okay, so it's where you to
22	a third party and make your report and then an anonymous
23	report is made to the police. So the police, they can act
24	on things but they do not know who the complainant is.
25	So it would be like going to a lawyer for

1	example, and that's probably the best person to go to, and
2	saying, "I want to make a third-party complaint."
3	[MS. MARTHA STEWART]: M'hm.
4	MS. WENDY VAN TONGEREN: And so a lawyer has
5	such a thing as a privilege, client privilege so that as
6	long as a person like, you know, I'll give you an
7	example.
8	So if you say that was that your husband,
9	the relative, or the one who was in the cab or was it a
10	friend of a friend or
11	[MS. MARTHA STEWART]: It was a relative.
12	MS. WENDY VAN TONGEREN: Okay, so
13	[MS. MARTHA STEWART]: Yeah.
14	MS. WENDY VAN TONGEREN: So let's call her
15	Debbie just so for a hypothetical. So Debbie has a
16	scenario where she gets in a cab and it appears that she's
17	actually being abducted. And it appears that this is some
18	sort of organized thing where this cabbie is providing
19	girls or women to men.
20	[MS. MARTHA STEWART]: M'hm.
21	MS. WENDY VAN TONGEREN: And by the way,
22	I've heard that that happens. You know, that's a
23	phenomenon beyond what you have just described happening.
24	[MS. MARTHA STEWART]: M'hm.
25	MS. WENDY VAN TONGEREN: So the only way to

1	end that is like what is it Carla, your name?
2	MS. CARLA MOSS: M'hm.
3	MS. WENDY VAN TONGEREN: It's what Carla
4	says. It's enforcement. You know, like some people do not
5	stop doing wrong things without enforcement.
6	[MS. MARTHA STEWART]: M'hm.
7	MS. WENDY VAN TONGEREN: So yes, because of
8	our system, the way we all know you don't have to go
9	look through many books or newspapers or TV programs to
10	figure out what happens when Debbie actually goes to the
11	police and complains.
12	So one procedure, Debbie would then go
13	let's assume that Gertrude is a lawyer. So Debbie goes to
14	Gertrude and Debbie would say, "Gertrude, a horrible thing
15	happened to me in a cab and I'm too afraid to report it to
16	the police and I can tell you the reasons why I am afraid.
17	But I would like still something to be done about it
18	because it just doesn't disappear."
19	And so the lawyer would say, "Okay, well,
20	I'll take that on and there's privilege so I won't be
21	telling anybody anything other than what you say."
22	And then I would maybe make a statement
23	about what happened. I would identify the people and then
24	the lawyer, Gertrude would take my statement to the police
25	and say, "I'm handing this over to you and I'm not telling

1	you the identity of the person because of solicitor and
2	client privilege. But what I'm asking you to do is to keep
3	this on your records. Keep this on your records or do what
4	you need to do but my client is not going to participate in
5	this. They're not going to give you a statement or
6	anything and I'm not going to tell you who that person is.
7	I'm not going to tell you who my client is. You don't
8	know. So and don't do anything so that my client is
9	identified. That's another part of this."
10	So what happens is that in this case it's
11	the cabbie was fired. Okay, but he might go to another cab
12	company or have his own cab company or whatever.
13	So down the road, let's say that the cabbie
14	does something similar to Jill. And so Jill actually goes
15	to the police and says, "I want to complain about a cabbie
16	who drove me where I didn't want to go and he appeared to
17	be planning to set me up with guys that I didn't want to be
18	with."
19	And so they would check the record and see
20	there was another situation where the same person had done
21	that.
22	And it's then that the lawyer Gertrude would
23	be approached by the police and Gertrude would talk to me
24	and say, "Look, this is what's happening. He did it
25	again."

20

21

22

23

24

25

1	Now, you have an option now. You could go
2	to the police and what that would do is that there would be
3	two of you. And that would support the other girl who
4	she's made the complaint but she yes, it's going to be
5	tough and you're not going to know who she is or you're not
6	you mustn't talk to her before any of this happens,
7	before it goes to court. But this just gives us a better
8	opportunity for this truth to find its way into the system.
9	[MS. MARTHA STEWART]: M'hm.
10	MS. WENDY VAN TONGEREN: And so that's
11	it's called third-party reporting and there's a policy that
12	allows that to happen. But the people do have to tread
13	carefully with this. You have to make sure that they go to
14	a lawyer so there's solicitor and client privilege. They
15	have to make sure that they make it very, very clear that
16	this identity is not to be released except for under these
17	conditions.
18	[MS. MARTHA STEWART]: M'hm.
19	MS. WENDY VAN TONGEREN: So that it doesn't

end up being a scenario, like, you know, where things go sideways and before you know it someone's being harassed or can't get a cab in town any more or whatever. Because we all know that human beings can come up with this behaviour to try and maintain their power, right?

[MS. CECELIA ARNET]: Excuse me. She has to

1	go because her truck is in the service (inaudible).
2	MS. WENDY VAN TONGEREN: Oh.
3	[MS. CECELIA ARNET]: She's to go one more
4	(inaudible).
5	MS. WENDY VAN TONGEREN: Okay.
6	[MS. CAROL FRANK]: Because of this stuff
7	now. It's (inaudible).
8	MS. WENDY VAN TONGEREN: So how are you
9	going to drive her? Are you driving her?
10	[MS. CECELIA ARNET]: No, well not me, no.
11	MS. WENDY VAN TONGEREN: Okay, so are you
12	coming back or would you like some closure here?
13	[MS. CAROL FRANK]: Oh, yeah. Whatever
14	works. Like, yeah.
15	MS. WENDY VAN TONGEREN: Is there anything
16	that anyone would like to say before Carol leaves?
17	MR. MOSES MARTIN: (Inaudible) will mention
18	myself, eh?
19	MS. WENDY VAN TONGEREN: Okay.
20	MR. MOSES MARTIN: Sometimes us First
21	Nations people we're our own worst enemies, right? And I
22	know that racism is alive and well in that community so
23	that's why I'm saying that we need to learn and understand
24	what we're talking about (inaudible) [the first law of the
25	First Nations] this nation is (inaudible), not just talk

23

24

25

1	about it but live it. I don't think we're living it; we're
2	living what we talk about. And that doesn't get us
3	anywhere.
4	So I my dad left us in 1968 and that's
5	what he left me with, was he was teaching about that [the
6	first] law. So after he passed on I wondered for 21 years
7	if that's the first law, what are the other laws?
8	But Dad would visit me once a month. He'd
9	never ever say anything. He'd just smile until I came to
10	my own conclusion about laws, that (inaudible) it's the
11	only law. It doesn't matter what you do, you have to do it
12	with understanding.
13	So that's why we say that our teachings are
14	so simple and it's so hard at the same time. When
15	(inaudible) so that's why language is so important to us
16	and we don't we're 1,200 members in our community and
17	about 25 of us speak the language, our language. That's
18	pretty sad.
19	And there's lots for us to teach and lots
20	for us to understand how we came to live like we used to,
21	taking care of each other and taking care of everything
22	around us. Then we can go on and leave a healthy place for

talks mean]. (Inaudible) these strong feet.

my grandchildren to be a place for them (inaudible). Lots

of learning today [to do. Don't get mad at grandpa when he

1	MS. WENDY VAN TONGEREN: Sounds like a lot
2	of feet [law to me]. Thank you, Moses. And you know what?
3	Respectfully, it's time for you to go get your car.
4	[MS. CAROL FRANK]: M'hm. (Inaudible) yeah.
5	MS. WENDY VAN TONGEREN: So is that a wrap
6	everybody? And Siouxsan?
7	MS. SIOUXSAN MARTIN: Yeah.
8	MS. WENDY VAN TONGEREN: Yeah.
9	[MS. CAROL FRANK]: Just (inaudible).
10	MS. WENDY VAN TONGEREN: So we need to do
11	something about this package. You're going to be later
12	we'll find somebody for the copies and but why don't you
13	just
14	[MS. CAROL FRANK]: Okay.
15	MS. WENDY VAN TONGEREN: If you want to
16	(inaudible).
17	[ELDER GERTIE PIERRE]: I think the office
18	is closed now.
19	MS. WENDY VAN TONGEREN: Oh, yeah?
20	[ELDER GERTIE PIERRE]: You've got to go out
21	this way now.
22	MS. WENDY VAN TONGEREN: Okay.
23	[MS. CAROL FRANK]: Yeah.
24	MS. WENDY VAN TONGEREN: And I'd like to go
25	someplace like Staples or something and get the

1	(inaudible).
2	But and so but please, Siouxsan, you've
3	got to know, we've got to know, I'd love to know what you
4	have to think what you have to say. And so even if you
5	just write me a little letter and scan it and email it or
6	put it in snails Her Majesty's snail mail or whatever
7	you or text me you could text me. I'll give you my
8	phone number.
9	[ELDER GERTIE PIERRE]: She wants to
10	(inaudible) Tofino. They investigate where we you know,
11	with the police and see if it can (inaudible).
12	MS. WENDY VAN TONGEREN: Can you read that?
13	[ELDER GERTIE PIERRE]: (Inaudible) get
14	(inaudible).
15	MS. WENDY VAN TONGEREN: And you can text me
16	if you'd like. You can communicate to me any way you want
17	and I will take it in serious. Okay? Thank you.
18	ELDER GERTIE PIERRE: And then I don't know
19	if I know after hearings like this you may have
20	MS. WENDY VAN TONGEREN: Okay, that's the
21	end of this session with the Young Frank family, Martin.
22	And the time is a quarter to 5:00.
23
