George?

Prince George, British Columbia --- Upon commencing on Saturday, October 27, 2018 at 10:04 a.m. MS. KERRIE REAY: So this is Kerrie Reay, I'm a statement taker with the National Inquiry into Missing and Murdered Indigenous Women and Girls. Today we are out of Prince George, B.C., and the date is October 27th, 2018, and the time is 10:04 a.m. Today I am speaking with Mary Auger, that's A-U-G-E-R, and Mary is from the Lheidli-T'enneh First Nation and resides here in Prince

MS. MARY AUGER: M'hmm.

MS. KERRIE REAY: Mary is here to speak about her niece Aielah, that's A-I-E-L-A-H, Auger A-U-G-E-R, who was missing in March 2006 from Prince George, B.C. and was found, cause of death was murdered, at Tabor Lake at the ski hill. Mary is also here to share about the death of her son Sam Auger, in August -- April 28th, 2010. Also in the room is Gerald Auger, that's G-E-R-A-L-D, Mary's husband. Now for the record Mary, you are here voluntarily to provide your truth, and you understand that we are both videotaping and audio-taping, and that at the end we will talk about how you would like your truth to be used by the National Inquiry, either publicly or privately. So Mary, wherever you feel comfortable starting. I may ask

1 some questions as we go through, I try not to interrupt. I'll be taking some notes, so please don't be distracted. 2 It's just so that I don't forget, so I can come back 3 4 around. So whenever you're ready Mary. MS. MARY AUGER: Well my niece, they were 5 from Edmonton, her and her family. My sister-in-law Audrey 6 7 and her and her kids moved over here to Prince George to -they were saying to get a better life, like Edmonton was 8 9 not very good. So that's why they moved to Prince George. 10 And -- I just don't know what to say. MS. KERRIE REAY: Do you recall when they 11 12 came to Prince George? MS. MARY AUGER: Okay, I'm trying to think. 13 I think it was the year before, because they lived beside 14 15 us in College Heights for a while, so it had to be the year before. Which was 2005 they moved to B.C. from Alberta. 16 17 MS. KERRIE REAY: And this was your sister and her family? 18 19 MS. MARY AUGER: Sister-in-law. MS. KERRIE REAY: Sister-in-law? 20 21 MR. GERALD AUGER: My sister. MS. KERRIE REAY: Okay. And so your sister-22 in-law, her first name was? 23 24 MS. MARY AUGER: Audrey.

MS. KERRIE REAY: Audrey. And so Audrey

2 children. How many children did she bring?

MS. MARY AUGER: Two, two girls and Timothy

4 and Sampson. Four children.

5 MS. KERRIE REAY: Four children. And

6 Aielah, was she the oldest?

7 MS. MARY AUGER: No, she was the youngest.

8 MS. KERRIE REAY: She was the youngest. And

at the time she went missing she was 14 did you say?

MS. MARY AUGER: M'hmm 14, yes.

11 MS. KERRIE REAY: Okay. Can you tell us

about that day she went missing?

MS. MARY AUGER: Actually it was -- I think

it was about a week that she had been missing, and my

husband's cousin was helping my sister-in-law Audrey to, to

try and look for her daughter and they made pictures. They

17 asked the RCMP, they didn't seem to want to help. I don't

18 know how long it took them until they finally got in there,

but first it was just my sister-in-law and my husband's

20 cousin making pictures of Aielah, and they were going

21 around town just handing them out. I was at work. We had

a little restaurant, so like I felt really bad that I

23 couldn't help them. But they were doing it, just the two

of them.

22

9

25 MR. GERALD AUGER: They had help, not much.

Auger & Sean Auger)

1	MS. MARY AUGER: Yeah. But yeah, we had
2	we were busy at the time so they were doing it on their
3	own. I'm pretty sure I lent them our vehicle so that they
4	can go around and hand those papers out. And it was about
5	a week, it had to be about a week later when finally she
6	was found. Nobody had heard from her.
7	MS. KERRIE REAY: Do you remember much about
8	the policing? You referenced that your sister-in-law
9	Audrey reached out to the RCMP here in Prince George. Did
10	she talk to you about what it was like for her trying to
11	get them to help?
12	MS. MARY AUGER: No, I my husband's
13	cousin was talking, trying to speak for my sister-in-law
14	Audrey because it was very hard.
15	MS. KERRIE REAY: M'hmm.
16	MS. MARY AUGER: So she was trying to do
17	that part. But I don't even remember very much, it was
18	very hard on all of us.
19	MS. KERRIE REAY: M'hmm, I would imagine so
20	yes, very difficult.
21	MR. GERALD AUGER: It was winter, wasn't it?
22	MS. MARY AUGER: Spring, it was still snowy.
23	MR. GERALD AUGER: Still snowing out.
24	MS. MARY AUGER: In March.
25	MS. KERRIE REAY: Had they had the police

1	are you aware if the police are still investigating, did
2	they ever find anything?
3	MS. MARY AUGER: I don't think so.
4	MS. GERALD AUGER: Nothing's ever happened.
5	MS. MARY AUGER: No.
6	MS. KERRIE REAY: And does Audrey get any
7	updates from the police in terms of the investigation?
8	MS. MARY AUGER: We lost
9	MR. GERALD AUGER: Yeah.
10	MS. MARY AUGER: Aielah's mother.
11	MS. KERRIE REAY: Oh dear, I'm sorry.
12	MR. GERALD AUGER: Yeah.
13	MS. MARY AUGER: A few years, a few years
14	now. She was trying to come to Prince George to pick up
15	her son and she was in an automobile accident. So we lost
16	she'd be here speaking right now, if she was here.
17	She'd be she let everybody know, like you know, how it
18	felt and all that.
19	MS. KERRIE REAY: So you're here to try and
20	give her voice to the Inquiry?
21	MS. MARY AUGER: I'm trying to, yeah.
22	MS. KERRIE REAY: Gerald, did you want to
23	add did you want to say anything?
24	MR. GERALD AUGER: I spoke to the cops
25	there, do you want to help or anything? And they didn't

Statement - Public 6 Mary and Gerald Auger (Aielah Saric-Auger, Samuel Auger & Sean Auger)

1	like that eh, like an Indian. You know how they announce
2	on the radio or whatever, looking for so and so? Never
3	heard that. And as far as I know the investigation, I
4	don't know what they're doing there. Probably just what
5	do they call it? I don't know. Nothing has ever happened
6	there, so
7	MS. KERRIE REAY: When that that is part
8	of the mandate for the Commissioners, specifically to look
9	at policing, to look at the historical racism that occurs
10	across Canada.
11	MS. MARY AUGER: M'hmm.
12	MS. KERRIE REAY: And so sharing information
13	where you've identified a young 14 year old Indigenous girl
14	who's missing, there's no help for the families is what I'm
15	hearing, it took them awhile to get involved.
16	MS. MARY AUGER: Yeah.
17	MS. KERRIE REAY: They haven't responded,
18	they haven't updated, they haven't provided much in ways of
19	information. Now Aielah's siblings are older?
20	MS. MARY AUGER: M'hmm.
21	MS. KERRIE REAY: Are they in touch with the
22	police, do they still live in Prince George?
23	MS. MARY AUGER: They live in Edmonton.
24	MS. KERRIE REAY: So they returned to
25	Edmonton did they?

Auger & Sean Auger)

25

1 MS. MARY AUGER: M'hmm. 2 MS. KERRIE REAY: Okay. MS. MARY AUGER: And they have their own 3 4 families. And we do keep in touch with them, but they never do say anything, if they heard anything. 5 6 MS. KERRIE REAY: Okay. 7 MS. MARY AUGER: What's going on about their sister. That's probably why Timothy was trying to get a 8 hold of you, to find out, see if -- or raise more awareness 9 10 about his sister. MS. KERRIE REAY: Okay. 11 12 MR. GERALD AUGER: There might be a better 13 person to talk to --14 MS. MARY AUGER: Timothy. MR. GERALD AUGER: -- Sarah. 15 16 MS. MARY AUGER: Sarah yeah, there's Sarah 17 too. MS. KERRIE REAY: Okay, and so their last 18 19 names are? 20 MS. MARY AUGER: Auger. MS. KERRIE REAY: Auger, Timothy and Sarah. 21 MR. GERALD AUGER: Yeah, they were always 22 with their mom, eh. 23 24 MS. KERRIE REAY: Pardon me?

MR. GERALD AUGER: They were always with

1 their mom, they was there. 2 MS. KERRIE REAY: Right, right. MS. MARY AUGER: And yeah, they would know 3 what to say. 4 MS. KERRIE REAY: Did you want to talk about 5 6 Sam? 7 MS. MARY AUGER: Yes, our son Sam was -- we lost him in 2010. It went to court and everything, and the 8 9 person only got six months for running over our son with 10 his truck. Six months in jail. MS. KERRIE REAY: Can you share what 11 12 happened? 13 MS. MARY AUGER: Well we heard in court it 14 was because our son might have threw a rock at the person's truck, and so the person chased him down with his truck. 15 16 And he was trying to say that our son jumped at the truck, 17 which our son would never do that. He hit our son, and then our son fell back and his head was injured. So we 18 19 were in Vancouver for seven days. They operated but it didn't help, they couldn't save him. I don't know --20 MR. GERALD AUGER: He didn't --21 MS. MARY AUGER: -- how people can get away 22 with something like that. 23 MR. GERALD AUGER: They told us that he 24

isn't going to make it or whatever eh, and I just said well

Statement - Public 9 Mary and Gerald Auger (Aielah Saric-Auger, Samuel Auger & Sean Auger)

1	maybe we'll just take him home and I brought him back. And
2	then he was it three days he stayed with us?
3	MS. MARY AUGER: We were at the hospice for
4	one night.
5	MR. GERALD AUGER: One night? Yeah.
6	MS. MARY AUGER: And all of us there was
7	very many of us.
8	MR. GERALD AUGER: They came out to see all
9	his or hear maybe, if he could hear, his kids.
10	MS. MARY AUGER: They brought both of his
11	babies, and after they were there our son left us.
12	MR. GERALD AUGER: He couldn't hang on.
13	MS. MARY AUGER: But we don't know why he
14	got six months. Six months for taking somebody's life.
15	MR. GERALD AUGER: And he got freed two
16	years ago now eh, in August. It was almost like
17	MS. MARY AUGER: He was on probation for
18	MS. GERALD AUGER: Yeah, it was like he
19	didn't do nothing or nothing happened to him. I don't
20	know.
21	MS. KERRIE REAY: How old was Sam?
22	MR. GERALD AUGER: Then?
23	MS. KERRIE REAY: When he passed away.
24	MR. GERALD AUGER: Twenty-nine.
25	MS. KERRIE REAY: He was a husband, father?

Statement - Public 10
Mary and Gerald Auger
(Aielah Saric-Auger, Samuel

1	MS. MARY AUGER: Five children.
2	MR. GERALD AUGER: Five kids.
3	MS. KERRIE REAY: Five children. So when,
4	when he was hit by the vehicle was the driver Indigenous
5	or non-Indigenous?
6	MS. MARY AUGER: Non.
7	MS. KERRIE REAY: Non-Indigenous.
8	MR. GERALD AUGER: White man.
9	MS. KERRIE REAY: And when when your
10	son's head had been initially injured, was there Victim
11	Services there for you, did the police refer you to Victim
12	Services or your daughter-in-law, Sam's wife?
13	MS. MARY AUGER: Victim Services, is that
14	MS. KERRIE REAY: That's to help families.
15	MS. MARY AUGER: I don't remember that.
16	MR. GERALD AUGER: It doesn't seem
17	MS. KERRIE REAY: No?
18	MS. MARY AUGER: No.
19	MR. GERALD AUGER: Like nothing much
20	happened.
21	MS. MARY AUGER: I don't remember.
22	MR. GERALD AUGER: It was done and that was
23	it.
24	MS. MARY AUGER: I remember I went to some

grief counselling, but none of the other family like my

2	MR. GERALD AUGER: It still bothers me I
3	can't
4	MS. MARY AUGER: Yeah.
5	MR. GARY AUGER: shake it, eh?
6	MS. KERRIE REAY: No, no.
7	MS. MARY AUGER: Yeah.
8	MS. KERRIE REAY: And how were the police
9	with the family?
10	MR. GERALD AUGER: You know, nobody's ever
11	talked to us from the RCMP.
12	MS. MARY AUGER: No, no, just when they told
13	us that there was an accident that morning.
14	MR. GERALD AUGER: Yeah.
15	MS. MARY AUGER: That was it, that's all we
16	heard from the police.
17	MS. KERRIE REAY: And when the individual
18	went to court did the prosecution reach out to you as the
19	parents of this young man who had been deliberately hit and
20	run down?
21	MR. GERALD AUGER: She that was the girl
22	eh, a woman? Like she even said what, what that guy was
23	saying
24	MS. MARY AUGER: In court you mean?
25	MR. GERALD AUGER: Yeah, about our son eh?

12 Statement - Public Mary and Gerald Auger (Aielah Saric-Auger, Samuel Auger & Sean Auger)

1 Calling him down, and no good for nothing, and swearing 2 like, you know. MS. KERRIE REAY: The prosecutor was doing 3 4 that? 5 MR. GERALD AUGER: Well I guess --6 MS. KERRIE REAY: She was asking him 7 questions? MS. MARY AUGER: She was telling us what he 8 9 had said. 10 MR. GERALD AUGER: Oh yeah. MS. KERRIE REAY: Oh, oh, I see. 11 12 MR. GERALD AUGER: That's what I'm talking 13 about -- oh, the Crown I guess eh? MS. KERRIE REAY: Yeah, that's who I'm 14 15 talking about, the Crown. Did the Crown reach out to you as the parents, or to your daughter-in-law in terms of the 16 17 impact that this man who --MS. MARY AUGER: Well they said --18 19 MR. GERALD AUGER: There wasn't really much. MS. MARY AUGER: -- a little bit but not 20 21 much. MR. GERALD AUGER: I don't think so. I 22 couldn't believe that. 23 MS. MARY AUGER: Yeah, they were saying who 24

was in charge, the name, and he or she was going to be --

Statement - Public 13 Mary and Gerald Auger (Aielah Saric-Auger, Samuel Auger & Sean Auger)

1	MR. GERALD AUGER: I don't know, I can't
2	remember her.
3	MS. KERRIE REAY: You know I think what I'm
4	looking for, and I know it's very painful to bring up, to
5	bring up this memory, this loss, but it sounds to me that
6	the family's been really impacted by the lack of action
7	MS. MARY AUGER: M'hmm.
8	MS. KERRIE REAY: and the lack of concern
9	I hear in Prince George most likely, and perhaps the court
10	system. And so that's part of what the Inquiry is, is
11	looking at. So what's difficult is where non-Indigenous
12	and you mentioned this earlier. If it's a non-Indigenous
13	person and they're missing, there's also it's the stuff
14	on the news, and that didn't seem to happen for Aielah.
15	And now I'm hearing a case where somebody deliberately ran
16	down your son and ultimately took his life, and yet there
17	doesn't seem from what I'm hearing, a lot of concern or
18	empathy that came from the Crown side to support the
19	family.
20	MS. MARY AUGER: I guess it was a woman, a
21	lady now that I remember. But I can't remember the name
22	either. But yeah.
23	MS. KERRIE REAY: You know to, to be in
24	court where somebody was do you know what he was charged

with? Was it dangerous use of a motor vehicle --

25

Statement - Public 14

25

1	MR. GERALD AUGER: Yeah, I think it was
2	dangerous use of a vehicle.
3	MS. KERRIE REAY: And he got six months in
4	jail?
5	MS. MARY AUGER: M'hmm. Well they did say
6	manslaughter didn't they first?
7	MR. GERALD AUGER: Yeah.
8	MS. MARY AUGER: And then they changed it to
9	something that was
10	MS. KERRIE REAY: Did he plead guilty then,
11	is that what happened, or did it actually go to trial?
12	MR. GERALD AUGER: There was a trial.
13	MS. MARY AUGER: We were in court, yeah.
14	MS. KERRIE REAY: Okay.
15	MR. GERALD AUGER: I didn't like that one
16	part though, where the Judge said disregard this, whatever
17	my son said, eh?
18	MS. MARY AUGER: Yeah.
19	MR. GERALD AUGER: Or something like that.
20	MS. MARY AUGER: Yeah something. And the
21	Judge was saying disregard something in the statement.
22	MR. GERALD AUGER: Yeah.
23	MS. MARY AUGER: And we were wondering why
24	would he say that?

MS. KERRIE REAY: Was there somebody else

with your son at the time of, of the person hitting --1 MR. GERALD AUGER: His girlfriend. 2 MS. MARY AUGER: His girlfriend was there, 3 4 and then we never did -- yeah, I don't know what happened. She didn't have to come to court. 5 6 MR. GERALD AUGER: Yeah, I never seen her at 7 all. MS. MARY AUGER: Yeah. 8 9 MR. GERALD AUGER: Nothing else. 10 MS. KERRIE REAY: The Crown never called her, to bring her --11 12 MS. MARY AUGER: No, no. MS. KERRIE REAY: One of the things that the 13 14 Commissioners have the power to do under their terms of 15 reference is to request documents to help give them some insight in terms of how Indigenous people's matters, cases, 16 17 were handled. And I -- I think what I'm going to do, if it's okay with you, I'm going to suggest that we subpoena 18 19 the court transcript. MS. MARY AUGER: M'hmm. 20 21 MS. KERRIE REAY: And the police, the police investigation --22 MS. MARY AUGER: M'hmm. 23 MS. KERRIE REAY: -- that occurred. In a 24

way it sounds a bit like road rage, in a way.

25

1	MS. MARY AUGER: Yeah.
2	MS. KERRIE REAY: You know he used a vehicle
3	while he was driving and so I think what I'm sensing is
4	a lot of unanswered questions.
5	MR. GERALD AUGER: Yes, yeah.
6	MS. KERRIE REAY: And I'm sensing that
7	frustration that your son's life didn't really matter from
8	your experience with the justice system.
9	MR. GERALD AUGER: No.
10	MS. KERRIE REAY: Am I sensing
11	MR. GERALD AUGER: Like the cop no RCMP
12	came to talk to us what happened, and what's going to
13	happen, or you know, just it was just I don't know.
14	There's no justice there.
15	MS. KERRIE REAY: And you know we have a
16	young man at 29, who loses his life and leaves five
17	children, five young children. And you know, because
18	somebody deliberately turned around and took his life.
19	MS. MARY AUGER: Yeah, didn't care.
20	MR. GERALD AUGER: Because he wasn't man
21	enough to face him.
22	MS. KERRIE REAY: That's part of that, you
23	know that sort of there's that feels that that
24	systemic violence continues towards Indigenous people.

MR. GERALD AUGER: Yeah.

Statement - Public 17 Mary and Gerald Auger (Aielah Saric-Auger, Samuel Auger & Sean Auger)

1	MS. KERRIE REAY: And the racism
2	MS. MARY AUGER: Yeah.
3	MS. KERRIE REAY: that continues.
4	MS. MARY AUGER: We did hear something, that
5	he did not like
6	MR. GERALD AUGER: Yeah.
7	MS. MARY AUGER: native people.
8	MR. GERALD AUGER: Yeah.
9	MS. MARY AUGER: And he said that wasn't
10	good that we heard it through somebody that knew him.
11	MR. GERALD AUGER: A lot of people thought
12	that he didn't like Natives. And his dad put him in hockey
13	or something, and you know if there was a Native in there
14	he'd
15	MS. MARY AUGER: Fight.
16	MR. GERALD AUGER: you know get into a
17	fight or stuff like that.
18	MS. MARY AUGER: M'hmm.
19	MR. GERALD AUGER: Didn't care, eh.
20	MS. MARY AUGER: About us.
21	MR. GERALD AUGER: And I don't know. I
22	know my oldest son there wanted to get him, but we said no
23	he can't because they'll either just throw it out or let
24	him go away and you'll go to jail. All my, all my sons
25	are, you know they're not small. But still that's not how

1 you do it. Even me I couldn't. MS. MARY AUGER: When the court was on and 2 our son, our oldest son was walking across one of the roads 3 4 there by the courthouse -- what did he say about the, the person? He was really giving him really dirty looks, the 5 6 murderer. He was just staring him down. That was hard to 7 believe. I said what? He's in the courthouse and he's trying to -- that was another example right there. That he 8 9 doesn't like natives. 10 MS. KERRIE REAY: And the name of the fellow who took your son's life? Because we'll need to get the 11 12 transcript from court. 13 MR. GERALD AUGER: Gordon Kerr. He's probably what, 60 now? 14 MS. KERRIE REAY: 15 Six-zero? 16 MR. GERALD AUGER: Yeah. I think he'd be 17 around there, I think he's --18 MS. KERRIE REAY: Okay. 19 MR. GERALD AUGER: -- eight years still right now. 20 21 MS. KERRIE REAY: So you lost your son in 2010. When did this man go to court? 22 MS. MARY AUGER: A couple of years, two 23

years? Not right away. It didn't go to court right away.

MS. KERRIE REAY: Okay, okay. I think with

GERALD AUGER: You know Sam was going 7 the right way too. He had all his tickets, went to school -- was it CNC? 8 9 MS. MARY AUGER: M'hmm. 10 MR. GERALD AUGER: No -- yeah. MS. KERRIE REAY: CNC? 11 12 MS. MARY AUGER: Yes. 13 MR. GERALD AUGER: He was going to be a welder? 14 MS. MARY AUGER: He wanted to be a welder, 15 yeah. 16 17 MR. GERALD AUGER: Something. 18 MS. MARY AUGER: Yeah. MS. KERRIE REAY: And for you growing up in 11 12 a family where your mother was a residential school 13 survivor --MS. MARY AUGER: M'hmm? 14 MS. KERRIE REAY: -- how was it for you? 15 16 MS. MARY AUGER: It was not good, like as it 17 should have been. My mom liked the alcohol. MS. KERRIE REAY: M'hmm. 18 19 MS. MARY AUGER: So she had a lot. So did my uncle I lost. He would always be having his alcohol 20 21 too. And my late brother [J.] went to residential school, and we lost him. He used to have a lot of seizures. I 22 don't know, I think that might have been from alcohol 23 24 drinking.

GERALD AUGER: Spooky some of the 7 stories they say. MS. MARY AUGER: My mother and my father put 8 9 us in an orphanage because of my mother's drinking, for 10 seven years. MS. KERRIE REAY: So did Child Welfare come 11 in or did they -- you say they put you in an orphanage? 12 MS. MARY AUGER: I think they -- I think my 13 father did. 14 15 MS. KERRIE REAY: Okay. 16 MS. MARY AUGER: My father wasn't doing good 17 with his health, and then my mother was drinking, and so we were in an orphanage in Saskatchewan. My brothers, my 18 19 sister and I, and my late brother. My youngest late brother was in a foster home beside the orphanage so we 20 could see him. 21 MS. KERRIE REAY: And how many years were 22 23 you --24 MS. MARY AUGER: Seven years.

MARY AUGER: It was -- yeah, it was 3 4 okay there, but it would have been better to be with our family. 5 6 MS. KERRIE REAY: Right, right. MS. MARY AUGER: And that's -- like I say, 7 that's probably because my mom was at Lejac and liked to 8 9 drink from the -- after the things -- I'm pretty sure 10 that's why she got into alcohol, because of Lejac. MS. KERRIE REAY: And that's one of the 11 12 things that, you know, we can see is that perpetual 13 violence. Not perpetual violence, but the trauma that comes from the disconnect from families. When a parent has 14 had time in a residential school like that, and the abuse 15 and the trauma that they suffered, makes it hard, you know, 16 for their children --17 MS. MARY AUGER: M'hmm. 18 19 MS. KERRIE REAY: -- to feel loved. MS. MARY AUGER: M'hmm. 20 21 MS. KERRIE REAY: It's definitely, you know, something that we hear. - MS. KERRIE REAY: Okay.
- 21 MS. MARY AUGER: Non. His brother Darren,
- 22 said that he never got charged, never went to jail.
- MR. GERALD AUGER: And our own, that's
- stupid.
- MS. MARY AUGER: That's another case yeah,

25

1	of a family member of ours.
2	MR. GERALD AUGER: He was 24.
3	MS. MARY AUGER: M'hmm.
4	MS. KERRIE REAY: So a niece, a nephew and
5	your own son, all lost to violence at a very young age.
6	Aielah at 14, your son at 29 and your nephew at 24.
7	MS. MARY AUGER: M'hmm.
8	MS. KERRIE REAY: That's a lot of loss
9	MS. MARY AUGER: Yeah.
10	MS. KERRIE REAY: for a family.
11	MS. MARY AUGER: And now we've lost Aielah's
12	mom and we've lost Sean's mom.
13	MS. KERRIE REAY: And those are both of your
14	sisters Gerald?
15	MS. MARY AUGER: M'hmm.
16	MR. GERALD AUGER: My oldest sister.
17	MS. KERRIE REAY: And her name?
18	MR. GERALD AUGER: When was her, two years
19	ago now?
20	MS. MARY AUGER: Yeah right.
21	MR. GERALD AUGER: Yeah.
22	MS. MARY AUGER: Two years now.
23	MR. GERALD AUGER: Two years ago now. She
24	had

MS. MARY AUGER: And Audrey.

25

1	MR. GERALD AUGER: my mom's maiden name.
2	MS. MARY AUGER: Keseypopamotoa.
3	MR. GERALD AUGER: Keseypopamotoa or
4	whatever it was.
5	MS. KERRIE REAY: I'm sorry?
6	MR. GERALD AUGER: Keseypopamotoa her last
7	name was.
8	MS. KERRIE REAY: How do you spell that?
9	MS. MARY AUGER: It's a really long name.
10	MR. GERALD AUGER: K-E-S-E-Y-P-O-P-A-M-O-T-
11	O-A. That's the way I spell it.
12	MS. KERRIE REAY: A-M?
13	MR. GERALD AUGER: A-M-O-T-O-A.
14	MS. KERRIE REAY: K-E-S-E-Y-P-O-P-A-M-O-T-O-
15	A?
16	MR. GERALD AUGER: Yeah.
17	MS. MARY AUGER: M'hmm, that was his
18	mother's maiden name.
19	MS. KERRIE REAY: And how did she pass away?
20	MS. MARY AUGER: We're not very really
21	sure.
22	MR. GERALD AUGER: Nobody's ever told us
23	because I think Sarah knows all of that, eh.
24	MS. MARY AUGER: We were thinking she might

have had cancer, but she never really -- she never kept in

25

1	touch with us for like a couple of years before we lost her
2	because she never really had a phone. She'd go to the
3	women's shelter or somewhere to use the phone. Yeah, so
4	we've had a lot of losses in these last years. Two
5	sisters-in-law, two sisters, our niece, our nephew, our
6	son. So that's a lot since 2006 to a couple of years ago,
7	and two sisters-in-law.
8	MS. KERRIE REAY: In 10 years.
9	MS. MARY AUGER: So 10 years, yeah.
10	MR. GERALD AUGER: Not even 10 years. Sean
11	was after Sam.
12	MS. MARY AUGER: In 2006, 2008, 2010 and
13	then two sisters
14	MR. GERALD AUGER: Well at least 10 years,
15	yeah.
16	MS. MARY AUGER: Two sisters-in-law.
17	MR. GERALD AUGER: Too much.
18	MS. MARY AUGER: That is a lot.
19	MS. KERRIE REAY: Anything else?
20	MS. MARY AUGER: We just hope something can
21	help like the justice system, or the Highway of Tears, the
22	missing Indigenous women or men. We'd like something to
23	help raise more awareness as what you're doing, to what
24	you're doing.
25	

MS. KERRIE REAY: The hope I think for, for

25

1 the Commissioners and their report, is hearing and 2 listening and watching as people have taken great courage and strength to come and share. This is not easy to, to 3 4 come to a place and start to share such pain with a stranger. But hopefully this will, will lead to strong 5 6 recommendations to help keep Indigenous people -- yes, this 7 is about women and girls, but I think it will help to keep all Indigenous people safe. 8 9 MS. MARY AUGER: I hope so. 10 MS. KERRIE REAY: And to help educate Canada about the first peoples of this country, and that racism is 11 12 not okay. Any final words that you'd like to share? MR. GERALD AUGER: The guy that did our boy 13 there, I don't know, he was getting passes before when he 14 15 was in jail. Remember he had to get -- gets to go to work eh, Kitamat, Mackenzie. 16 17 MS. MARY AUGER: They would send us letters. MR. GERALD AUGER: Yeah, they'd send us 18 19 letters --MS. MARY AUGER: Telling us that he was on 20 PO. 21 MR. GERALD AUGER: -- he's going here and 22 he's going there working. 23 MS. MARY AUGER: Yeah, they didn't --24

MS. KERRIE REAY: So they appealed his

1	sentence? So was it originally six months and he appealed
2	six months, or did he get more time and then appealed it
3	and got six months?
4	MR. GERALD AUGER: When they say they're
5	going to jail they don't they didn't really say that,
6	did they? Like he's going to stay for 10 years or 20
7	years.
8	MS. MARY AUGER: We were thinking he was
9	going to get at least 10 years.
10	MR. GERALD AUGER: It was going to be set
11	later on or something.
12	MS. KERRIE REAY: So you really don't know
13	how much time he got?
14	MR. GERALD AUGER: No. Nothing basically,
15	because he kept getting passes.
16	MS. KERRIE REAY: Right.
17	MS. MARY AUGER: Yeah, he didn't have a
18	driver's he lost his driver's so how does
19	MR. GERALD AUGER: For 10 years.
20	MS. MARY AUGER: I'm not sure how long it
21	was, but how was he getting around to go and look for these
22	jobs, these different places, that's what I'd like to know?
23	MS. KERRIE REAY: M'hmm.
24	MS. MARY AUGER: When he wasn't supposed to
25	have a licence to drive.

1	MR. GERALD AUGER: You know I think what
2	they said, he wasn't supposed to come close to me or her or
3	family members, eh? But he's out there free. I don't know
4	what he's doing now. Probably he's laughing about it.
5	MS. MARY AUGER: Yeah, he got away with
6	murder.
7	MR. GERALD AUGER: It's not good anyways.
8	MS. MARY AUGER: It's hard to believe that,
9	he only got that little bit of time for taking our son's
10	life.
11	MS. KERRIE REAY: There's an organization
12	that works with the families that come to testify for the
13	National Inquiry, and it's the Family Information Liaison
14	Unit, we call it FILU.
15	MS. MARY AUGER: M'hmm.
16	MS. KERRIE REAY: They're there to help
17	families get a hold of information that they've not been
18	able to get a hold of.
19	MS. MARY AUGER: M'hmm.
20	MS. KERRIE REAY: If there's anything that
21	you in terms of information, policing information, or
22	anything that you should have you should be able to have
23	access to but you're having trouble getting a hold of that
24	information, FILU actually has an office here in Prince
25	George.

1	MS. MARY AUGER: M'hmm.
2	MS. KERRIE REAY: So I would be more than
3	willing to introduce you through email
4	MS. MARY AUGER: Okay.
5	MS. KERRIE REAY: to the staff here. And
6	perhaps they may I don't know all the information that
7	you might be able to get a hold of, but they certainly
8	if you were to share what I've heard you share today about
9	the frustrations with the justice system and not knowing
10	how much real time he got, or you know why was he allowed
11	out to do this or to do that, they may actually have access
12	to some of that information. I can't say they have it all
13	because as I said, I'm not really sure.
14	MS. MARY AUGER: Okay.
15	MS. KERRIE REAY: But I would certainly be
16	pleased to introduce you through email.
17	MS. MARY AUGER: Okay.
18	MS. KERRIE REAY: To see if they can help
19	you, maybe answer some of your questions that you might
20	have that might be in the file.
21	MS. MARY AUGER: Okay.
22	MS. KERRIE REAY: Would that be something
23	you'd be interested in?
24	MS. MARY AUGER: Yeah.
25	MS. KERRIE REAY: Okay, any last words?

1 MS. MARY AUGER: I was just thinking if we 2 do forget to say something, if we think of something can we maybe let the person you're going to let them know, that we 3 4 were just talking about? MS. KERRIE REAY: If there's anything that 5 6 you would like to say to the Commissioners? 7 MS. MARY AUGER: Yes. MS. KERRIE REAY: Then you can email me. 8 9 MS. MARY AUGER: Oh okay. 10 MS. KERRIE REAY: Okay? And as long as we do that sort of in the next couple of weeks, you can email 11 it to me and then I can add it to the file. 12 13 MS. MARY AUGER: Okay. 14 MS. KERRIE REAY: That's not a problem at 15 all. 16 MS. MARY AUGER: Okay, because we probably 17 did forget something. MS. KERRIE REAY: It's hard you know, coming 18 19 here. MR. GERALD AUGER: You can't think when 20 21 you're -- when something like that happened, you know. MS. KERRIE REAY: Yeah, a lot of anxiety 22 coming, when you come in here. You're not really sure 23 what's going to happen or -- yeah, it's a little --24 25 sometimes a little hard to prepare.

1	MS. MARY AUGER: Yeah.
2	MS. KERRIE REAY: Yeah, but that's if you
3	think of anything please I'll give you my email, and
4	just email me and I'll add it.
5	MS. MARY AUGER: Okay, that sounds good.
6	Upon adjourning at 11:15 a.m.
