Edmonton, Alberta 1 --- Upon commencing on Wednesday, November 8, 2017, at 6:20 2 3 p.m. MS. CAITLIN HENDRICKSON: This is Caitlin 4 Hendrickson with the National Inquiry into Missing and 5 Murdered Indigenous Women and Girls, speaking on the record 6 with... 7 8 MS. LOIS DUKE: Lois Duke. 9 MS. CAITLIN HENDRICKSON: Can you spell your 10 last name, please? 11 MS. LOIS DUKE: D-U-K-E. MS. CAITLIN HENDRICKSON: And... 12 MR. GEORGE CALLIOU: George Calliou. 13 14 MS. CAITLIN HENDRICKSON: Can you spell your last name, please. 15 MR. GEORGE CALLIOU: C-A-L-L-I-O-U. 16 17 MS. CAITLIN HENDRICKSON: Thank you. And here we have another -- we also have health support. 18 MR. LESLIE METCHOOYAH: Leslie Metchooyah. 19 MS. CAITLIN HENDRICKSON: Can you spell your 20 -- your last name, please. 21 MR. LESLIE METCHOOYAH: M-E-T-C-H-O-O-Y-A-H. 22 MS. CAITLIN HENDRICKSON: Thank you. So here 23 we are speaking with Lois and George today about Florence 24 Kelliou (ph). 25

1	MR. GEORGE CALLIOU: Calliou.
2	MS. CAITLIN HENDRICKSON: Kelliou.
3	MR. GEORGE CALLIOU: Calliou.
4	MS. CAITLIN HENDRICKSON: Calliou.
5	MR. GEORGE CALLIOU: Calliou.
6	MS. CAITLIN HENDRICKSON: Calliou, thank you.
7	MS. LOIS DUKE: Calliou, yeah.
8	MR. GEORGE CALLIOU: Not Kelliou, "K", it's a
9	"C", not a "K".
10	MS. CAITLIN HENDRICKSON: Okay. And we're
11	here in Edmonton, at the Edmonton Inn, to collect your
12	truth today. You're here to voluntarily give your
13	statement, and your statement will be audio recorded today.
14	And you've also allowed us to videotape your statement.
15	Can you, please confirm that you agree with that?
16	MS. LOIS DUKE: Yes, I agree.
17	MS. CAITLIN HENDRICKSON: Okay, thank you.
18	So do you want to start by sorry, I just want to note
19	the time, that it's 6:20, and we're starting starting
20	now. And you can just kind of open up with what you'd like
21	to speak about today.
22	MS. LOIS DUKE: So I never had the chance to
23	meet my grandmother. She was murdered on November 18th,
24	1961, and at that time she left behind her four children,
25	and they were all under the age of seven, with [Florence's

- 1 Son 1] only being 11 months old, not even. He was...
- MR. GEORGE CALLIOU: Yeah, he was -- he was
- just eleven months.
- 4 MS. LOIS DUKE: Eleven months and [a certain
- 5 number of days] --
- 6 MR. GEORGE CALLIOU: Oh, yeah.
- 7 MS. LOIS DUKE: -- old when she died.
- 8 Because he was born on [birthdate]. And Florence, my
- 9 grandmother, is my uncle's sister, and she was born in
- September 1929.
- 11 MR. GEORGE CALLIOU: Yeah, she --
- 12 (indiscernible) (about that time).
- 13 MS. LOIS DUKE: So growing up I never really
- 14 heard anything about my grandmother. I never really knew
- about her. A lot of people didn't talk about her.
- 16 But over the last few years there was more
- talk about her because of my mother, Jeannette (ph)
- 18 Calliou. And I guess I -- I always knew my mom missed her
- 19 mom. She was always sad. I remember her saying she didn't
- 20 know how to be a mother to my brothers and sisters and I
- because she grew up without a mom.
- MR. GEORGE CALLIOU: Like, her grandma was
- her mom. Like we -- we were raised (indiscernible) ('til
- 24 they were --) and the kids were all -- three kids were
- raised by her right from an early age.

1	MS. LOIS DUKE: But because of my grandmother
2	dying three of the kids were somewhat raised together and
3	the oldest, [Florence's Son 4]
4	MR. GEORGE CALLIOU: And [Florence's
5	Daughter].
6	MS. LOIS DUKE: was raised by someone
7	MR. GEORGE CALLIOU: Yeah.
8	MS. LOIS DUKE: else. And
9	MR. GEORGE CALLIOU: But they got they got
10	they were adopted right off the bat. You know, she was
11	born growing up next next (indiscernible) (hour) and
12	how fast, hey, and they got adopted by another another
13	family, hey, right away.
14	MS. CAITLIN HENDRICKSON: Right following her
15	death?
16	MR. GEORGE CALLIOU: Hey?
17	MS. CAITLIN HENDRICKSON: Right following her
18	death?
19	MR. GEORGE CALLIOU: No no.
20	MS. CAITLIN HENDRICKSON: Before?
21	MR. GEORGE CALLIOU: Before. (Indiscernible)
22	(Before like that was) they up as second second oldest -
23	- your mom was older?
24	MS. LOIS DUKE: Yeah, Mom was older.
25	MR. GEORGE CALLIOU: Yeah. And she was born

- 1 and the parents, the -- the adopted parents picked --
- picked them up right away, hey.
- 3 MS. CAITLIN HENDRICKSON: Okay. Right after
- 4 he was born?
- 5 MR. GEORGE CALLIOU: Yeah, right after he was
- 6 born, yeah.
- 7 MS. CAITLIN HENDRICKSON: Okay.
- 8 MS. LOIS DUKE: And then the other three...
- 9 MR. GEORGE CALLIOU: The three -- my -- my --
- my -- my parents raised them. Really, like, my parents
- 11 raised them and we grew up -- well, like her mother --
- 12 Lois's mother, me and my brother, we used to pull --
- pull -- pull her to school with a sleigh.
- 14 MS. CAITLIN HENDRICKSON: M'hm.
- 15 MR. GEORGE CALLIOU: And we'd make kind of --
- 16 kind of a caboose and make -- make a little firing
- 17 (indiscernible) (fire in there so) for her to keep her
- warm.
- 19 MS. LOIS DUKE: M'hm.
- 20 MR. GEORGE CALLIOU: (Indiscernible) (Caboose
- 21 and like I said) we were saying -- like I said, we raised
- her for what? For as long as, you know, we could remember,
- but probably when I was -- a young age too.
- 24 MS. CAITLIN HENDRICKSON: So can you tell me
- a little bit about your grandmother's children. So

```
1
         Florence's children, there's your mother, Jeannette, and
2
         then you said there was the younger brother, [Florence's
3
         Son 1]?
                        MS. LOIS DUKE: [Florence's Son 1].
4
                        MR. GEORGE CALLIOU: [Florence's Son 1].
5
                        MS. LOIS DUKE: [Florence's Son 1].
6
7
                        MR. GEORGE CALLIOU: The youngest one.
                        MS. CAITLIN HENDRICKSON: [Florence's Son 1]?
8
                        MS. LOIS DUKE: [Florence's Son 1], yeah.
9
        there was my mom, Jeannette, Anne (ph), and then...
10
                        MR. GEORGE CALLIOU: [Florence's Son 4].
11
12
                        MS. LOIS DUKE: [Florence's Son 4].
                        MR. GEORGE CALLIOU: Then there's [Florence's
13
         Son 21.
14
                       MS. LOIS DUKE: [Florence's Son 2].
15
                        MR. GEORGE CALLIOU: And he was like a son.
16
                        MS. LOIS DUKE: And then there was
17
18
         [Florence's Son 3]...
                        MR. GEORGE CALLIOU: [Florence's Son 3].
19
20
                        MS. LOIS DUKE: [Florence's Son 3], and
21
        [Florence's Son 1].
                        MR. GEORGE CALLIOU: [Florence's Son 1] too.
22
23
                        MS. CAITLIN HENDRICKSON: So there was four
24
        of them.
25
                       MR. GEORGE CALLIOU: Four -- four of them,
```

- 1 yeah.
- MS. CAITLIN HENDRICKSON: And [Florence's Son
- 3 4] was adopted out?
- 4 MS. LOIS DUKE: M'hm.
- 5 MR. GEORGE CALLIOU: Yeah, adopted right off
- 6 the bat right away.
- 7 MS. CAITLIN HENDRICKSON: Okay. So leading
- 8 up to Florence's death, did Jeannette, [Florence's Son 1],
- 9 and [Florence's Son 3] live with her?
- 10 MS. LOIS DUKE: No, she was working in
- 11 Chetwynd.
- MR. GEORGE CALLIOU: And she working in
- 13 Chetwynd (indiscernible) (you know at that time you got to
- 14 remember) he can't remember me and Jeannette in...
- 15 MS. LOIS DUKE: We kind of figured you were
- 16 around 14 or 15.
- 17 MR. GEORGE CALLIOU: No, I was younger than
- 18 that.
- 19 MS. LOIS DUKE: Oh, you were 15 when you --
- 20 MR. GEORGE CALLIOU: Because I...
- 21 MS. LOIS DUKE: -- when she died.
- MR. GEORGE CALLIOU: No, I was -- because I
- was 15 when I left home. I was 15 when I left home. But
- she was -- we were younger when went and seen
- 25 (indiscernible) (her, me and your mom went and) seen her in

1	Chetwynd. There was no roads where we lived, so we we -
2	- we couldn't go on the bus from (indiscernible) (got on
3	the bus from Beaver Lodge - went) to Chetwynd on the bus.
4	And that was our only transportation. I know because there
5	was no road (indiscernible) (communication) where we
6	where we lived, hey.
7	But we kind of never really remembered my
8	sister too much too much of her because she was gone
9	when when I was younger too, hey, when she left and when
10	she went to work. And that's where we went and seen her,
11	once and that's where and next thing I remember that's
12	where you know you got or whatever happened to her, and
13	that's where she passed away anyway, in Chetwynd.
14	MS. CAITLIN HENDRICKSON: What what kind
15	of work was she doing there?
16	MR. GEORGE CALLIOU: She was she was a
17	waitress in in a hotel café restaurant.
18	MS. CAITLIN HENDRICKSON: Okay.
19	MR. GEORGE CALLIOU: But she had lived there
20	hey. She had lived lived in a house, in a rented house,
21	I could say.
22	MS. CAITLIN HENDRICKSON: M'hm. And so your
23	mom and her siblings were living with your her
24	grandparents
25	MS. LOIS DUKE: M'hm.

1	MR. GEORGE CALLIOU: Yeah.
2	MS. CAITLIN HENDRICKSON: at the time?
3	MS. LOIS DUKE: And I guess they were they
4	sometimes went to go see her.
5	MR. GEORGE CALLIOU: Yeah. Like like I
6	said, (indiscernible) (we went a few times) and like I
7	said, ([Florence's Son 3]) probably went and see seen
8	(indiscernible) (her through there) we lived before
9	something happened to her, hey. That's the only thing I
10	can remember being (indiscernible) (me and your mom) got
11	the bus to go to to go to Chetwynd, go to see her, hey.
12	MS. LOIS DUKE: How old was mom, do you
13	think? Like five? Six? Four?
14	MR. GEORGE CALLIOU: Yeah yeah, your mom
15	must be awfully (indiscernible) (around I think it was) she
16	was around six because she was still a little girl, hey.
17	MS. CAITLIN HENDRICKSON: And now were
18	you
19	MR. GEORGE CALLIOU: As (indiscernible) I
20	I can't remember (no more than) 12 anyway.
21	MS. LOIS DUKE: So 12 and a six-year-old on
22	the bus, all the
23	MR. GEORGE CALLIOU: Yeah.
24	MS. LOIS DUKE: all the way to Chetwynd.
25	MR. GEORGE CALLIOU: All the way to Chetwynd.

1	MS. LOIS DUKE: That won't happen now.
2	MS. CAITLIN HENDRICKSON: Uh-uh.
3	MS. LOIS DUKE: That doesn't happen now.
4	MR. GEORGE CALLIOU: But you know
5	(indiscernible) (in them days there were) because there's
6	hardly any people on the bus anyway.
7	MS. LOIS DUKE: So talking with my mom over
8	the last few years, she she decided to find go to the
9	newspaper and find out if there was anything about her
10	on in the news, and she found this article, it said:
11	"Chetwynd girl killed in auto accident.
12	The Chetwynd Moberly Lake Road
13	has claimed another victim as the
14	traffic accident toll in the district
15	mounting by one over the weekend.
16	Latest accident occurred less than a
17	half mile from the point of the
18	previous fatal accident on the same
19	road less than a month ago. It
20	happened when the driver lost control
21	of his vehicle and it went across the
22	road and struck a culvert. Back across
23	the road and hit the ditch where the
24	windshield was smashed and the door
25	threw (flew) open. The dead girl was

1	riding	
2	as	s a passenger and was thrown out of
3	th	ne vehicle when the door opened. She
4	rc	olled down an embankment and must have
5	st	cruck her head. She was located lying
6	ir	the bottom of the ditch. The car
7	₩€	ent on and back onto the road.
8	Dr	river then backed up to locate the
9	gi	rl. Dead is Florence Davidson of
10	Ch	netwynd, who was pronounced dead on
11	ar	rival at St. Joseph's General
12	Нс	ospital in the city. Coroner, Dr. Amy
13	Wa	atson (ph) has called an Inquest.
14	Dr	river of the car was Denis Gosselim,
15	ar	n employee on the pipeline
16	pr	roject just out of Chetwynd.
17	Ac	ccident occurred about 3:00 a.m.
18	Sa	aturday, November 18th on the
19	Мс	bberly Lake Road near the
20	ir	ntersection of the Kelly Lake Road.
21	RC	CMP are investigating."
22	So the accident would	have been it was never
23	investigated anywhere.	
24	MR. GEO	RGE CALLIOU: No. Because my dad was
25	was a preacher then	n. He used to come and live in

- 1 Chetwynd came down, and told my dad and my dad was going to
- 2 look into it. And they said not to -- not to worry about
- 3 it, hey.
- 4 MS. LOIS DUKE: Yeah.
- 5 MR. GEORGE CALLIOU: So my dad
- 6 (indiscernible) (in them days) people don't even think
- 7 about it, so they let it go.
- 8 MS. LOIS DUKE: It was Father Youngblood
- 9 (ph).
- 10 MR. GEORGE CALLIOU: Father Youngblood, was a
- 11 preacher. Everybody knows he always stationed in -- in
- 12 Chetwynd, but he come to do her services up at the lake
- there. Once a month.
- 14 MS. LOIS DUKE: So Father Youngblood from the
- 15 Catholic Church told Florence's father, my grandma's
- father, not to do anything.
- 17 MS. CAITLIN HENDRICKSON: Has anybody done
- 18 anything --
- 19 MR. GEORGE CALLIOU: No.
- MS. CAITLIN HENDRICKSON: -- since then?
- MR. GEORGE CALLIOU: No, nothing, no.
- MS. CAITLIN HENDRICKSON: Has anybody in your
- family gone and tried to get in contact with RCMP?
- MS. LOIS DUKE: I have.
- MS. CAITLIN HENDRICKSON: You have?

25

1 MS. LOIS DUKE: Over the years, and my mom 2 and I have. And... 3 MS. CAITLIN HENDRICKSON: And what was the 4 response to you? 5 MS. LOIS DUKE: They said because it was an accident they would never have kept any files and 6 7 everything would have been destroyed. MR. GEORGE CALLIOU: But you know, to tell 8 9 you the truth, was it an accident or what happened? 10 Because if there was an accident the way that the said -the paper said that -- that the truth of the vehicle struck 11 12 the culvert and then across the road again. MS. CAITLIN HENDRICKSON: M'hm. 13 14 MR. GEORGE CALLIOU: And then kept on driving. How could that possibly be? 15 MS. CAITLIN HENDRICKSON: M'hm. 16 MS. LOIS DUKE: But you said that there were 17 18 -- they never found the vehicle. MR. GEORGE CALLIOU: Well, that's what --19 what -- what it was at the -- that was what they 20 21 were saying, they never found the vehicle, but the shoe was on the middle of the road. 22 23 MS. CAITLIN HENDRICKSON: M'hm. 24 MR. GEORGE CALLIOU: One of her shoes.

MS. CAITLIN HENDRICKSON: How long ago was it

- 1 that you tried to contact RCMP?
- MS. LOIS DUKE: I think mom and I tried to do 2
- 3 it maybe eight years ago, nine years ago.
- MS. CAITLIN HENDRICKSON: And it's pretty 4
- much you were shut down right there? 5
- MS. LOIS DUKE: Yeah, they were -- they had 6
- no information that they could help me with. 7
- MS. CAITLIN HENDRICKSON: Okay. 8
- 9 MS. LOIS DUKE: And I think around that same
- time mom -- my mom to the library and looked up the 10
- archives of this. 11
- 12 MS. CAITLIN HENDRICKSON: M'hm.
- MS. LOIS DUKE: News article. I don't know 13
- how she knew there was a news article, but she did. 14
- MS. CAITLIN HENDRICKSON: M'hm. 15
- MS. LOIS DUKE: So, and I guess why I'm 16
- feeling more emotional about this is because my mom died 17
- 18 last year, and now I understand how much she missed her mom
- because I miss her so much. So now I understand. My mom 19
- was so heartbroken over the years (. Wasn't she?) 20
- 21 (indiscernible) Mom was so sad over losing her mom. I
- think it -- it changed who she was, it changed how she 22
- 23 lived her life.
- 24 MR. GEORGE CALLIOU: Like I said --
- MS. LOIS DUKE: So --25

Ţ	MR. GEORGE CALLIOU: they never knew her
2	mom, like like I said to her (indiscernible) like I
3	said, like her grandmother was her mom.
4	MS. LOIS DUKE: Yeah. Like, even up until
5	she died she always she always said how much she missed
6	her mom. We came to Edmonton two years ago and we took
7	part in the Sisters in Spirit, and then the following March
8	we took part of the another Sisters in Spirit in
9	Chetwynd. And if mom were here today she'd she would be
10	here talking.
11	MS. CAITLIN HENDRICKSON: And I think in some
12	ways you've brought her, right? You're here.
13	MS. LOIS DUKE: I I don't know I I
14	think I sometimes think if if grandma still was here
15	and raised mom perhaps our family would be healthier. My
16	little brother died of a drug overdose . Since (in) 2013
17	and my sister being on the streets and who's now in
18	jail. She'll be getting out soon, and I think it's just a
19	matter of time before she kills herself as well.
20	I just think our life could be so much
21	different. I know I didn't know her. I know I didn't know
22	my grandma, but I think I could have learned a lot from
23	her, and I think I could have
24	So over the years I was mad at my mom because
25	she gave me up for adoption and it took me a few years to

1 forgive her for giving me up. And she's told me she didn't 2 know how to be a mom, that she tried her hardest, and then 3 I realized now that she did. So, and I'm grateful for the years that we were close. I just wish I had longer. And I 4 guess she probably wished the same thing. 5 MS. CAITLIN HENDRICKSON: How old was 6 7 Jeannette when Florence passed? MR. GEORGE CALLIOU: What's that? 8 9 MS. CAITLIN HENDRICKSON: How old was Jeannette when Florence passed away? She was --10 MR. GEORGE CALLIOU: (Indiscernible) (Oh -). 11 12 MS. LOIS DUKE: She was seven. MS. CAITLIN HENDRICKSON: She was seven? 13 14 MR. GEORGE CALLIOU: (Indiscernible) (About there.) 15 MS. CAITLIN HENDRICKSON: So that's a pretty 16 young age to be having to do --17 18 MR. GEORGE CALLIOU: Oh, that's right, turning seven -- before I said (indiscernible) (like) my --19 my mother -- her grandparents were the parents, hey. 20 21 MS. CAITLIN HENDRICKSON: M'hm. 22 MR. GEORGE CALLIOU: And we kind of looked, 23 you know, without ever (indiscernible) (with all of) our 24 family we kind of looked -- looked after them. MS. CAITLIN HENDRICKSON: M'hm. 25

1	MR. GEORGE CALLIOU: We kind of raised them,
2	looked after did we did everything for them
3	(indiscernible) mom (to help them along).
4	MS. LOIS DUKE: Yeah, they did the best they
5	could.
6	MS. CAITLIN HENDRICKSON: M'hm.
7	MR. GEORGE CALLIOU: In them days there was
8	no such thing as (indiscernible) (a vehicle) too too
9	many vehicles, we had no more vehicles. And we had to
10	like, a lot of times we had to walk to school. And in the
11	wintertime that was rough, that was tough going.
12	MS. LOIS DUKE: Our community's located in
13	Kelly Lake, British Columbia. It's a non-status. We're
14	not a reserve. Our community is left out of the Treaty
15	process. We have no supports. No government supports. No
16	no funding for the issues that face a lot of our
17	community. There's a lot of drug addiction. There's a lot
18	of violence. There's a lot of unemployment. There's a lot
19	of there's a lot of issues that need to be help.
20	MR. GEORGE CALLIOU: You got (indiscernible)
21	(communities) where we never had power (indiscernible) (for
22	so many years - for long.) are made for
23	MS. CAITLIN HENDRICKSON: M'hm.
24	MR. GEORGE CALLIOU: (Indiscernible) (And
25	well,) and then all of a sudden there's power and you

1 got power in, and we start kind of building houses there 2 for a bit. And now that came to a halt there too and 3 nobody had -- nobody had phones, hey, nobody had the phones around there. 4 5 MS. LOIS DUKE: But -- and it wasn't the Province of B.C., or B.C. Services that went in. It was 6 7 the Alberta Government that came in --MR. GEORGE CALLIOU: (Indiscernible) (Yeah). 8 9 MS. LOIS DUKE: -- and put --MR. GEORGE CALLIOU: (Indiscernible) (-- and 10 did everything). 11 12 MS. LOIS DUKE: -- power and --MR. GEORGE CALLIOU: The phone. 13 14 MS. LOIS DUKE: -- phones and all the phones in B.C., Kelly Lake B.C., are all -- are all Alberta 15 numbers. 16 MR. GEORGE CALLIOU: And we got -- well even 17 18 the power -- power come from Alberta. But B.C. -- B.C. still (indiscernible) (the) power -- because power --19 because power came (got to be paid) to B.C., and kind of 20 21 helped (it's kind of funny). They had to use the power from Alberta, but B.C. stepped in, they want, they want us 22 23 to use their powered (to get paid for the power), hey. MS. LOIS DUKE: So now I guess if our 24 25 community was in a different situation perhaps we --

1 perhaps we wouldn't have waited this long to be able to talk about our grandmother. Uncle George's sister. 2 3 MR. GEORGE CALLIOU: (Indiscernible) (Things, 4 you know, would've happened) happen. Remember that road (We never had roads) -- (indiscernible) (any) road -- the 5 roads the -- they were (indiscernible) (no roads in the 6 7 street and my dad) when we were younger we used to use horse and wagon to go to a store, but the -- the closest 8 9 store was 12 miles away from (indiscernible) (the --) it took all day to go to the store and back home. We'd leave 10 early in the morning to go to the store, and what roads 11 12 were then we'd come to Kelly lake. It look all day -- all day to do that. 13 14 MS. CAITLIN HENDRICKSON: M'hm. MR. GEORGE CALLIOU: Horse and wagon. 15 MS. CAITLIN HENDRICKSON: So what were your 16 parents' names? 17 18 MR. GEORGE CALLIOU: Pardon? 19 MS. CAITLIN HENDRICKSON: Your parents' 20 names. 21 MR. GEORGE CALLIOU: Johnny (ph) --MS. CAITLIN HENDRICKSON: M'hm. 22 23 MR. GEORGE CALLIOU: -- Calliou, and -- and my mom's last name was Campbell (ph), Eva (ph). 24 25 MS. CAITLIN HENDRICKSON: Okay. And did they

- 1 go to residential school?
- MR. GEORGE CALLIOU: I don't think so, 2
- 3 but --
- MS. CAITLIN HENDRICKSON: Okay. 4
- 5 MR. GEORGE CALLIOU: -- you know, probably
- not. 6
- 7 MS. LOIS DUKE: There was a -- a -- there was
- a Catholic-run school in our community when -- when they 8
- 9 were growing up. Mom and Dad told me stories that the
- teachers would hit them with their big ring. 10
- MR. GEORGE CALLIOU: Oh, that the 11
- 12 (indiscernible) that was that man, the mean teacher in the
- (indiscernible) -- the first teacher was there was old --13
- [Teacher 1], he got that land there. 14
- MS. LOIS DUKE: M'hm. 15
- MR. GEORGE CALLIOU: He was the first 16
- teacher. It was, but I don't remember him. The only 17
- 18 teacher that -- that I remember was the one that --
- [Teacher 2] if you don't do right you got -- he's got one 19
- of those pointers and he'd slap you over the -- over the 20
- 21 head or behind your shoulders -- shoulders with that stick,
- 22 hey.
- 23 MS. CAITLIN HENDRICKSON: M'hm.
- MS. LOIS DUKE: Dad said he had a big ring. 24
- 25 He would just hit you over top --

MR. GEORGE CALLIOU: (Indiscernible) (Yeah, 1 2 oh yeah. 3 MS. LOIS DUKE: -- of your head. MR. GEORGE CALLIOU: He was a mean teacher. 4 MS. CAITLIN HENDRICKSON: M'hm. So --5 MR. GEORGE CALLIOU: (Indiscernible) (In them 6 7 days, it wasn't - anybody did anything about them) but then things (indiscernible) they didn't get bought then, hey. 8 9 (Indiscernible) (Nothing could be done about it because nobody even know where Kelly Lake exists) because nobody 10 would even wear clothing exist then you're so far out, you 11 12 know, out-dated. You never thought when that -- that (indiscernible) (killing) so nobody ever did -- did 13 14 anything because you know (indiscernible) (because what) that Father Youngblood told my dad, (indiscernible) (and 15 nobody did anything but by the time) things got around you 16 know, because they were never -- you know, the police were 17 18 probably -- even said, it's -- it's a closed case, hey. Because they wouldn't even know, because call 19 originally and say that for the -- for the -- for Native 20 21 girl who got killed and says you know, so I, I will (indiscernible) (towards) think about that all the time, 22 23 that's to them they don't (indiscernible) (like) the police will not, they just close the case, but because another 24 25 Indian dead, hey.

1	MS. CAITLIN HENDRICKSON: Were you going to
2	say something else?
3	MS. LOIS DUKE: Yeah, nothing.
4	MS. CAITLIN HENDRICKSON: Okay. So can I ask
5	a little bit about the the reasoning around sorry, it
6	was Johnny and Eva, for taking care of the children while
7	Florence worked in Chetwynd?
8	MR. GEORGE CALLIOU: Yeah, (indiscernible)
9	(well) because she was working six, seven months, that
10	she you know, decided to to come just leave the kids
11	there because
12	MS. CAITLIN HENDRICKSON: Okay.
13	MR. GEORGE CALLIOU: she was working and
14	we don't and and could have been we just weren't
15	(indiscernible) (that great) in them days.
16	MS. CAITLIN HENDRICKSON: M'hm.
17	MR. GEORGE CALLIOU: And so we just brought
18	them over to be my parents were here always good like that
19	(indiscernible) (raising the kids always).
20	MS. CAITLIN HENDRICKSON: Oh.
21	MR. GEORGE CALLIOU: Brought them and raised
22	them too. But they had a place at least to stay and the
23	school was there too. The schooling was there, but when
24	they were when they were younger they had different
25	most of them go to Beaver Lodge or Dawson Creek for

1	schooling to finish their school, hey.
2	MS. CAITLIN HENDRICKSON: M'hm. And so
3	[Florence's Son 4], who was adopted.
4	MR. GEORGE CALLIOU: Yeah, he was adopted.
5	MS. CAITLIN HENDRICKSON: Was he was he
6	part of the 60's Scoop, or was that
7	MS. LOIS DUKE: No, I don't
8	MR. GEORGE CALLIOU: No.
9	MS. LOIS DUKE: think so, no.
10	MR. GEORGE CALLIOU: No, that was
11	MS. CAITLIN HENDRICKSON: Oh, that was
12	MR. GEORGE CALLIOU: just a different
13	group of people that they never had any kids, and we got,
14	you know, we got one one one one one
15	girl.
16	MS. CAITLIN HENDRICKSON: Okay.
17	MR. GEORGE CALLIOU: And they're the same
18	should be the same age as my sister.
19	MS. CAITLIN HENDRICKSON: M'hm.
20	MR. GEORGE CALLIOU: (Indiscernible) (Oh
21	what's this - the) grandmother.
22	MS. CAITLIN HENDRICKSON: M'hm.
23	MR. GEORGE CALLIOU: She'd be the same
24	age
25	MS. CAITLIN HENDRICKSON: Okay.

1	MR. GEORGE CALLIOU: now.
2	MS. CAITLIN HENDRICKSON: And did anybody
3	have any contact with [Florence's Son 4] after, anything
4	MR. GEORGE CALLIOU: Well, he was lives right
5	there in the community.
6	MS. CAITLIN HENDRICKSON: Oh, he's
7	MR. GEORGE CALLIOU: He's in the community.
8	MS. LOIS DUKE: Yeah, community
9	(indiscernible).
10	MR. GEORGE CALLIOU: He was just adopted.
11	Like adopted right right away, hey.
12	MS. CAITLIN HENDRICKSON: Okay. So, but
13	there was family connection with
14	MR. GEORGE CALLIOU: There was family
15	connection.
16	MS. CAITLIN HENDRICKSON: with him and his
17	siblings.
18	MR. GEORGE CALLIOU: Yeah.
19	MS. CAITLIN HENDRICKSON: Okay. And is there
20	anything that you can think of that would have made
21	Florence especially vulnerable to something like this
22	happening? Like, for example, would
23	MR. GEORGE CALLIOU: Like, you can to find
24	out caused what causes what happened to her?
25	MS. CAITLIN HENDRICKSON: Yeah.

1	MR. GEORGE CALLIOU: That's why
2	MS. CAITLIN HENDRICKSON: Like was she
3	involved with some people that maybe were not so safe? Was
4	she
5	MR. GEORGE CALLIOU: Well, they got well,
6	like I said, we never knew
7	MS. CAITLIN HENDRICKSON: You never
8	MR. GEORGE CALLIOU: All of a sudden we never
9	knew what happened, hey.
10	MS. CAITLIN HENDRICKSON: M'hm.
11	MR. GEORGE CALLIOU: That's why and the
12	case is closed, but the policeman just closed the
13	they're profiling, hey.
14	MS. CAITLIN HENDRICKSON: M'hm.
15	MR. GEORGE CALLIOU: On us on the on
16	our
17	MS. LOIS DUKE: Mom mom thought people
18	knew what happened. That people just never talked.
19	MR. GEORGE CALLIOU: Yeah. Just don't want
20	to talk about it, you know, they're scared because
21	they're scared to talk, nobody know what the police are
22	doing. Everybody was scared of the policeman there (then).
23	MS. LOIS DUKE: M'hm. You had said where
24	grandma lived wasn't very safe looking? Did you like where
25	she lived?

- 1 MR. GEORGE CALLIOU: Yeah, the place was all 2 right. Because she had a -- she had a -- like, a one 3 bedroom house. MS. CAITLIN HENDRICKSON: M'hm. 4 5 MR. GEORGE CALLIOU: And not a big house, her house was about the same as this (indiscernible) (, you 6 7 know this --) from all the way side to the other side, about the same size of this room. 8 9 MS. CAITLIN HENDRICKSON: M'hm. MR. GEORGE CALLIOU: A one bedroom, like, you 10 know, and a -- and a kitchen, and a living room. 11 MS. CAITLIN HENDRICKSON: M'hm. And was she 12 -- do you know like any of the people that she was friends 13 14 with in Chetwynd? MR. GEORGE CALLIOU: Like I said, we never 15 knew because Chetwynd was quite a -- quite a far aways, 16 hey. 17 18 MS. CAITLIN HENDRICKSON: M'hm. MR. GEORGE CALLIOU: We went on the bus there 19 then when we got -- caught the bus --20 21 MS. CAITLIN HENDRICKSON: M'hm. 22 MR. GEORGE CALLIOU: -- to go see her, but we 23 stayed there over a week. 24 MS. CAITLIN HENDRICKSON: M'hm.
- MS. LOIS DUKE: Was probably about 250

- 1 kilometres away, right?
- MR. GEORGE CALLIOU: Yeah.
- MS. LOIS DUKE: Maybe even 300.
- 4 MR. GEORGE CALLIOU: Got to be, yeah, from
- 5 Beaver Lodge because I couldn't -- because I don't even
- 6 remember how we got there. All I knew we got on the bus
- 7 and we came back on the bus.
- 8 MR. GEORGE CALLIOU: M'hm.
- 9 MS. CAITLIN HENDRICKSON: How old was she
- when she passed?
- 11 MS. LOIS DUKE: She would have been 32. Even
- though the newspaper article said she's 28.
- 13 MS. CAITLIN HENDRICKSON: Okay.
- MS. LOIS DUKE: But if you do the math
- 15 it's...
- 16 MR. GEORGE CALLIOU: Got the wrong numbers,
- 17 right.
- 18 MS. LOIS DUKE: That whole news article is
- wrong.
- 20 MS. CAITLIN HENDRICKSON: Yeah.
- MS. LOIS DUKE: Like, it seems like somebody
- 22 made up a story and --
- MS. CAITLIN HENDRICKSON: M'hm.
- MS. LOIS DUKE: -- went with it. It doesn't
- 25 seem factual.

1	MS. CAITLIN HENDRICKSON: M'hm. Is that a
2	news article that you have online? A link to, or do you
3	have a
4	MS. LOIS DUKE: No, I just have a picture of
5	the
6	MS. CAITLIN HENDRICKSON: Oh, okay.
7	MS. LOIS DUKE: of the article.
8	MS. CAITLIN HENDRICKSON: Is that something
9	that you'd like to submit to us
10	MS. LOIS DUKE: M'hm.
11	MS. CAITLIN HENDICKSON: so that we can
12	have as a record?
13	MS. LOIS DUKE: M'hm.
14	MS. CAITLIN HENDRICKSON: I can give you the
15	information for that after.
16	MS. LOIS DUKE: Yeah.
17	MS. CAITLIN HENDRICKSON: Okay. Just asking
18	around more things that could have made her vulnerable to
19	maybe being around maybe some of the, some unsafe people.
20	Did did she involve herself in any drug or alcohol
21	use?
22	MR. GEORGE CALLIOU: Like I said, I don't
23	think there would be no no there would be be
24	alcohol, but drugs, I don't think (indiscernible) (there
25	was no such thing as the drugs then) I think

(indiscernible) drugs. 1 2 MS. LOIS DUKE: Oh, yeah. 3 MR. GEORGE CALLIOU: There would be (indiscernible) (-- it should be) you know, be -- should be 4 involved, there could be alcohol, but you know, God knows 5 what happened --6 7 MS. CAITLIN HENDRICKSON: M'hm. MS. LOIS DUKE: M'hm. 8 9 MR. GEORGE CALLIOU: -- on that -- the day of the accident, they call it. 10 MS. CAITLIN HENDRICKSON: M'hm. 11 12 MR. GEORGE CALLIOU: (Indiscernible) (Got -was it --) say what happened (then, hey), because nobody 13 ever -- nobody seemed to know or nobody wants to say 14 anything about it. 15 MS. CAITLIN HENDRICKSON: M'hm. 16 MR. GEORGE CALLIOU: And -- and why was --17 18 they found her shoe on the road. Was she trying to struggle from -- from away from somebody or jump off that 19 vehicle, or got pushed out of the vehicle? That's where --20 21 that would be my -- my quess why -- why the vehicle hit the ditch on one side and go across the road and hit the ditch 22 23 again and -- and just took off. MS. LOIS DUKE: I think -- I think she was 24 25 already dead and they dumped her body; is what I think, but

again, I don't know.

- 2 MS. CAITLIN HENDRICKSON: M'hm.
- MS. LOIS DUKE: Nobody knows.
- 4 MR. GEORGE CALLIOU: Nobody knows. You know
- 5 just like I said, I didn't know. Even the -- even the
- 6 police said no, but they were -- they were releasing
- 7 nothing at all, like in them days -- nobody said too much
- 8 about the law, nobody knew about the law (indiscernible)
- 9 (much then, hey?)

1

- 10 MS. LOIS DUKE: And I guess because of being
- in a remote community, no access to information, or
- services, like a lawyer.
- MR. GEORGE CALLIOU: Yeah.
- 14 MS. LOIS DUKE: And being not exactly rich.
- 15 MR. GEORGE CALLIOU: Yeah, I think --
- MS. LOIS DUKE: Yeah, they were -- the
- 17 community we're from is very small and very remote. A lot
- of -- we lived off the land for many -- many years. There
- 19 was -- everybody hunted. Everyone had a trapline.
- 20 Everyone lived off the land.
- 21 MS. CAITLIN HENDRICKSON: M'hm.
- MS. LOIS DUKE: It's only the last 30
- 23 years --
- MR. GEORGE CALLIOU: Yeah.
- MS. LOIS DUKE: -- things have changed.

1	MR. GEORGE CALLIOU: Yeah. Because our like
2	I said I left home, like what my sister left home to which
3	she said (indiscernible) (of the early ones was) told
4	she had to go to work everybody everybody, you know,
5	lot's a lot of people stay around. But like my sister,
6	they're all my you know, my other brother got killed up
7	there too in Chetwynd, but it was a an industry
8	accident, a tree fell on him.
9	MS. LOIS DUKE: Yeah, I remember that.
10	MR. GEORGE CALLIOU: And he was a young age
11	too.
12	MS. LOIS DUKE: I was about five years old
13	when that happened. That was like, 1977.
14	MR. GEORGE CALLIOU: Yeah.
15	MS. LOIS DUKE: We lived in that old house in
16	town.
17	MR. GEORGE CALLIOU: And like I said, I
18	was I just turned 15 when I left. I just finished
19	school, but I did I just didn't finish school, but I
20	just walked away from home when I was 15 and just went to
21	work.
22	MS. LOIS DUKE: I guess part of the reason I
23	I I'm still here today doing this is because my mom
24	always said to me, "My mom wasn't nothing. You can't just
25	forget that she was here."

1 MS. CAITLIN HENDRICKSON: M'hm. 2 MS. LOIS DUKE: "She wasn't nothing." 3 MS. CAITLIN HENDRICKSON: M'hm. MS. LOIS DUKE: So that's why I'm still here 4 speaking her name. 5 MR. GEORGE CALLIOU: No, she wasn't -- quite 6 7 -- quite a bit there that she never finished her -- what she was doing. 8 9 MS. CAITLIN HENDRICKSON: So kind of speaking to that, you know, that Florence was -- was a person and 10 not that news article that was written, can you tell me 11 12 about some of... You'll know better, George, some of the 13 strengths that you -- you -- you saw in Florence growing up 14 with her and -- and --15 MR. GEORGE CALLIOU: (Indiscernible) (No, 16 like I said eh --) 17 18 MS. CAITLIN HENDRICKSON: -- she was a 19 person. MR. GEORGE CALLIOU: Like -- no, like she was 20 21 a -- because all I knew, you know, through the pictures that we had, and people that you know, that she grew up at 22 23 the lake are older, they're after (indiscernible) (age). 24 MS. CAITLIN HENDRICKSON: M'hm. MR. GEORGE CALLIOU: But nobody seemed to say 25

- 1 too much, hey.
- 2 MS. CAITLIN HENDRICKSON: M'hm.
- 3 MR. GEORGE CALLIOU: Nobody seemed to want to
- 4 -- to talk about it.
- 5 MS. CAITLIN HENDRICKSON: M'hm.
- 6 MR. GEORGE CALLIOU: But like I said, she
- 7 must have left home when I was really pretty young myself.
- 8 MS. CAITLIN HENDRICKSON: M'hm.
- 9 MR. GEORGE CALLIOU: Because I never really
- 10 seen her till we -- we went and seen her in Chetwynd.
- 11 MS. CAITLIN HENDRICKSON: M'hm.
- MR. GEORGE CALLIOU: When, with her -- you
- know (indiscernible) (, you were small,) she was, you know,
- 14 small. Just a little girl, and I wasn't that old either.
- 15 And that's the kind of reason kind of -- kind of seen her
- off and on a few -- a few times after that before she got
- 17 killed. But people (indiscernible) (what) even -- even
- 18 when she brought [Florence's Son 1] to our place, I was --
- 19 I don't know where I was, but I wasn't at home and then
- when I walked in we got -- we got a little surprise and
- 21 here was [Florence's Son 1] laying in the bedroom you know,
- just still wrapped up.
- 23 MS. CAITLIN HENDRICKSON: M'hm.
- 24 MR. GEORGE CALLIOU: And can I quess she must
- 25 have -- must have come and just dropped her off and went

1	back to Chetwynd.
2	MS. CAITLIN HENDRICKSON: Like, did she
3	not
4	MR. GEORGE CALLIOU: He dropped her off
5	MS. CAITLIN HENDRICKSON: not support
6	MR. GEORGE CALLIOU: Pardon?
7	MS. CAITLIN HENDRICKSON: Did she send money
8	home?
9	MR. GEORGE CALLIOU: Well like like
10	probably not, because there was no no way to send money
11	back, hey.
12	MS. CAITLIN HENDRICKSON: M'hm.
13	MR. GEORGE CALLIOU: Because there's no
14	accesses. Like like, if there was people that you know,
15	they couldn't go to that that (indiscernible) (closest
16	store or that) Beaverlodge we got another 40 miles from
17	from our
18	area.
19	MS. CAITLIN HENDRICKSON: Okay.
20	MS. LOIS DUKE: There's other people in our
21	community that remember Florence.
22	MR. GEORGE CALLIOU: Yeah
23	MS. LOIS DUKE: I've had
24	MR. GEORGE CALLIOU: like I said
25	MS. LOIS DUKE: conversations with some of

1 the older --MR. GEORGE CALLIOU: (Indiscernible) (And) 2 3 well, I guess, like I said you know there's people like (indiscernible) (Leena (ph) too) and --4 5 MS. LOIS DUKE: Nora (ph). MR. GEORGE CALLIOU: Nora, (indiscernible) 6 7 (yes). MS. LOIS DUKE: They remember her. 8 9 MS. CAITLIN HENDRICKSON: Is there anything you can recall from your conversations with them about what 10 kind of person she was? 11 12 MS. LOIS DUKE: Well, Kathleen (ph) said she liked to be independent and she was always off doing 13 something. And I guess moving 300 miles away or 14 (indiscernible) (kilometres away) way back then was a big 15 16 deal. MS. CAITLIN HENDRICKSON: M'hm. 17 18 MS. LOIS DUKE: It's far -- far to be away from home. 19 MR. GEORGE CALLIOU: Yeah. 20 21 MS. LOIS DUKE: I -- I wonder too, why she left Kelly Lake. I don't know if we'll ever know why. 22 23 MS. CAITLIN HENDRICKSON: M'hm. Do you think that there's anything that would have helped her not become 24 another women who's been... 25

1	MR. GEORGE CALLIOU: Well, like like I
2	said, she was she was a like, she was working, there
3	wasn't work close by there and where people you know,
4	she probably that's where she found a job, that's where she
5	stayed.
6	MS. CAITLIN HENDRICKSON: M'hm.
7	MR. GEORGE CALLIOU: Because there was no
8	work around the (indiscernible) lake (home) or the place
9	we're at, and there was no work close to like
10	Beaverlodge and (indiscernible) was close little towns
11	MS. CAITLIN HENDRICKSON: M'hm.
12	MR. GEORGE CALLIOU: little town.
13	MS. CAITLIN HENDRICKSON: M'hm.
14	MR. GEORGE CALLIOU: And Chetwynd that where
15	she found found her first job, I think so that's where
16	she stayed then, and that's where she lived on on
17	on her own up there.
18	MS. CAITLIN HENDRICKSON: M'hm. So
19	throughout our conversation you've kind of spoke about how
20	your grandmother's death has impacted the way your mother,
21	you know, grew up, and the way that she parented, and I'm
22	just I'd like to ask if you would like to share some of
23	that experience when you were growing up with your mom and
24	as as a child who was adopted like what what was your
25	childhood like?

1	MS. LOIS DUKE: Well, I grew up with my great
2	aunt, who would have been my grandmother's sister, and it
3	was a good childhood, but I think as you get older and you
4	you know you have siblings that are living with your
5	biological parents and you always wonder why why you
6	weren't with them.
7	MS. CAITLIN HENDRICKSON: M'hm.
8	MS. LOIS DUKE: And you always think that
9	they probably have a better life, and they're probably
10	happier, and they're probably feeling loved, and all that
11	stuff. And I think not growing up with my biological
12	parents caused me to have a lot of feelings of not being
13	worthy, or maybe being abandoned, and I remember thinking
14	about suicide at very young age. I never thought I'd live
15	past 27.
16	MS. CAITLIN HENDRICKSON: And what was your
17	relationship like with your mom? Like, did you see her
18	often?
19	MS. LOIS DUKE: Yeah, we'd see her often. We
20	were always in Kelly Lake. My my adopted mom would go
21	and visit her family and the family and we were always
22	there, so I always knew I had my brothers and sisters. I
23	just guess I always wondered why I wasn't with them.
24	MS. CAITLIN HENDRICKSON: M'hm.
25	MR. GEORGE CALLIOU: And even your mom in

1	them days when you guys were growing up, and people had
2	vehicles and Dawson Creek, that's where my sister and
3	(indiscernible) (your, your) my sister, [I.] adopted you
4	guys they were living in vehicle people had vehicles
5	and they'd get around a lot easier.
6	MS. LOIS DUKE: M'hm, yeah. Mom would have
7	been, what? In her mom was 17 when she had me, or 18,
8	17 when she had [Sibling 1], 18 when she had me, 19 had she
9	had [Sibling 2], and then mid-20s when she had [Sibling 3]
10	and I think early 30s when she had [Sibling 4].
11	MS. CAITLIN HENDRICKSON: Oh, so were you the
12	only one who grew up separate from them?
13	MS. LOIS DUKE: M'hm, yeah.
14	MS. CAITLIN HENDRICKSON: And they all grew
15	up with her and
16	MR. GEORGE CALLIOU: Well, my sister the
17	reason that
18	MS. CAITLIN HENDRICKSON: Yeah.
19	MR. GEORGE CALLIOU: she got rid of (her)-
20	- she got her (was) because my sister couldn't have kids
21	and they wanted - [G.] always wanted wanted kids, hey,
22	so he he adopted he wanted (you and)
23	MS. LOIS DUKE: Yeah.
24	MR. GEORGE CALLIOU: (indiscernible).
25	MS. LOIS DUKE: [T.].

- 1 MR. GEORGE CALLIOU: [T.], yeah.
- 2 MS. CAITLIN HENDRICKSON: So [T.]'s kind of
- 3 like your step-brother?
- 4 MS. LOIS DUKE: He would be my adoptive
- 5 brother.
- 6 MS. CAITLIN HENDRICKSON: Adopted --
- 7 MR. GEORGE CALLIOU: Yeah.
- 8 MS. CAITLIN HENDRICKSON: -- brother.
- 9 MR. GEORGE CALLIOU: Adopted because they --
- 10 because they it -- she couldn't -- they couldn't have kids.
- 11 They wanted kids so they weren't alone all the time so they
- adopted -- they adopted -- adopted, you guys.
- MS. LOIS DUKE: Well, and that goes back to
- 14 Mom saying she didn't know how to be a mom.
- MR. GEORGE CALLIOU: Yeah.
- MS. LOIS DUKE: And she had lots of -- she
- 17 had three kids under the age of -- oh, and she was only 20
- 18 years old, three babies at home, living in a one room shack
- 19 with no running water or power.
- MR. GEORGE CALLIOU: Yeah.
- MS. LOIS DUKE: They had no running water, no
- power.
- MR. GEORGE CALLIOU: Yeah, no power, yeah.
- MS. LOIS DUKE: They lived in a one room --
- all they had was a wood stove, so.

lost a loved one.

1 MR. GEORGE CALLIOU: You know, because people 2 have to go -- go out to -- to find work, there was no work 3 around there, hey, they got to go out of the community, you know, go out of the community, go find work. And the 4 closest work was you know, quite -- quite a ways -- quite 5 away out, and you can't come home every day because no --6 7 there was hardly any guys with vehicles. And my friend (indiscernible) (or) because I found myself the first 8 9 vehicle I ever had I had to go out (indiscernible) well (work for a farmer all summer long,) somebody walked 10 (indiscernible) (picking) rocks and weeds (roots) and (to) 11 12 get a car. MS. LOIS DUKE: No, that's good. That's why 13 you're still working when you're -- you're 70. Like, I 14 quess -- I quess this would just be after-effects of having 15

MS. CAITLIN HENDRICKSON: M'hm.

MS. LOIS DUKE: And you see all these women now that are gone, they're missing, or they're murdered, and -- and you just know what their children's lives are going to look like because they're going to grow up with some of the stuff that my mom grew up with, and they're going to grow up and their -- their grandchildren are going to be sitting in a chair like this feeling the way I feel.

1	MS. CAITLIN HENDRICKSON: It sounded like you
2	you reconnected, your relationship with your mom.
3	MS. LOIS DUKE: Yeah. I did.
4	MR. GEORGE CALLIOU: Well, we always been
5	together, close.
6	MS. LOIS DUKE: I did. I I realized that
7	she did the best she could and and that she loved me.
8	She loved me so much she gave me life. So once I
9	understood that it was easy to be her daughter.
10	MS. CAITLIN HENDRICKSON: So what would you
11	like to see happen in the future to to make change?
12	Like to help people who might fall victim to you know,
13	getting into the wrong situation and you know, becoming
14	another murdered Indigenous person. What would you like to
15	see change to to help that? To help somebody like your
16	sister? You you talked about concerns for your
17	sister.
18	MS. LOIS DUKE: Yeah, she's she may not
19	make it. I don't know. She may end up dead one day
20	because of being with the wrong people, or she may end up
21	dead because
22	MR. GEORGE CALLIOU: That's
23	MS. LOIS DUKE: of drugs.
24	MR. GEORGE CALLIOU: that's a problem
25	(indiscernible) (nowadays, you know,) of being with the

- 1 white people.
- MS. CAITLIN HENDRICKSON: M'hm.
- 3 MR. GEORGE CALLIOU: Figure (indiscernible)
- 4 (it's only) like I said, probably another dead Indian
- 5 anyway. They, probably the police, they won't do anything
- 6 about it. Not even tell them. 'Til now. You really got
- 7 to push it -- push her -- push yourself to talk to go talk
- 8 to them, you know, get somebody else you know, to look into
- 9 it. Get more active to it.
- 10 MS. LOIS DUKE: Well, there needs to be
- 11 harsher laws --
- MR. GEORGE CALLIOU: Yeah.
- MS. LOIS DUKE: -- against violence against
- vulnerable people.
- 15 MS. CAITLIN HENDRICKSON: M'hm.
- 16 MS. LOIS DUKE: Like, every time I drive past
- 17 that Yellowhead Inn, and I think of that woman who was
- 18 murdered there and how the truck driver that did it got
- 19 acquitted, and I know now he's -- they're re-opening the
- case and they're going to do something, but then I think of
- 21 that woman's uterus sitting in a -- in an evidence box, and
- I think there needs to be harsher sentences for people that
- commit crimes against vulnerable people, and those
- vulnerable people are Indigenous women and girls in Canada
- 25 because --

Т	MS. CAITLIN HENDRICKSON: M'nm.
2	MS. LOIS DUKE: of our systemic racism. I
3	remember being in my teens and coming home from school
4	thinking, "Why am I even alive?" The way the way you're
5	the people you go to school with treat you because
6	MR. GEORGE CALLIOU: They will tell you
7	when I start working (indiscernible) (you gotta) you know,
8	you got you know don't pay attention or you got to talk
9	back for yourself, you know, for the way the white the
10	white guys were treating Natives at that time. You know,
11	you can't even hardly (indiscernible) (well they still
12	do it if you let them do it, hey) nothing to do with it.
13	You just got to stand for your own rights.
14	And while even if you go to the police and
15	talk to them they won't even hardly believe you. Maybe it
16	was a joke and the first thing they said (indiscernible)
17	(they maybe) was just joking around, and from that joke it
18	could could be violence from there, you know.
19	MS. LOIS DUKE: Yeah. I always have to laugh
20	when I think about how other countries think that Canada is
21	full of nice people, but these nice people get away with
22	hurting their most vulnerable people and they're not even
23	really called on it. They're still nice people.
24	MS. CAITLIN HENDRICKSON: M'hm.
25	MR. GEORGE CALLIOU: Well, even that

1	remember that and quite a few years ago, I don't know
2	how many years ago, when the two girls from Fort St. John
3	were hitching a ride it's like it's like that to Fort
4	St. John and they were and they were found it
5	(indiscernible) (was,) it was in the fall, a hunter or
6	something, and he figured he smelled something rotten, and
7	figured a rotten moose and he went and checked it and it
8	was them two girls that were missing. Hitchhiking from
9	here to Fort St. John, and the bodies were just laying
10	there and they were side by side, on top on top (off,
11	off) of the road. And that was nothing ever became of that
12	neither (indiscernible) (then, eh?)
13	MS. LOIS DUKE: Yeah, I guess, it's
14	interesting how
15	MR. GEORGE CALLIOU: (Indiscernible) (Some
16	people get away with things like that, eh?)
17	MS. LOIS DUKE: almost 60 years ago this
18	stuff was happening and it's still happening today.
19	MS. CAITLIN HENDRICKSON: M'hm.
20	MS. LOIS DUKE: And I don't understand how
21	that can still be happening.
22	MR. GEORGE CALLIOU: Not even for that one,
23	there were where the policemen, they never did anything.
24	The (indiscernible) go (There's no use going) to the
25	police, but they said they won't you know, like I said,

25

1	they always blame it on (indiscernible) (the girl, you
2	know,) because and that's all they got to say. There's
3	another Indian dead anyways, so even now till now there's
4	still still going on.
5	MS. LOIS DUKE: Yeah.
6	MS. CAITLIN HENDRICKSON: Are police records
7	something that you'd still like to see?
8	MS. LOIS DUKE: M'hm.
9	MS. CAITLIN HENDRICKSON: One thing that I
10	can put as a recommendation for the Commissioners is to see
11	if they can request those police files from from
12	Florence's death because while maybe they did get
13	destroyed, but at least the Commissioners, they have the
14	power to subpoena those records.
15	MS. LOIS DUKE: I'd love to see them.
16	MS. CAITLIN HENDRICKSON: And see
17	MR. GEORGE CALLIOU: M'hm.
18	MS. CAITLIN HENDRICKSON: if that is
19	actually true or if they were telling you something else.
20	MS. LOIS DUKE: And even seeing her autopsy
21	because I know there's rumours that there was a lot of
22	damage done to her body, wasn't just thrown out of the
23	vehicle, it was a lot of damage done below the
24	waist.

MS. CAITLIN HENDRICKSON: M'hm.

1 MS. LOIS DUKE: But, again, that's just what 2 I've heard from family members and again, we have no proof 3 of what really happened to her. 4 MS. CAITLIN HENDRICKSON: So you want to see if we can get the coroner's report as well. And there is 5 another avenue that you could take into our own hands and 6 7 trying to find more information as well, and I'll definitely put the recommendations in for the Commissioners 8 9 to examine that, but it might be worth your while to also connect with the family information liaison unit, they're 10 here. And they're also able to help kind of advocate to 11 12 try and get you records --MS. LOIS DUKE: M'hm. 13 14 MS. CAITLIN HENDRICKSON: -- of, you know, your lost loved one, so I can connect you with them when 15 you leave. 16 MS. LOIS DUKE: And there's this name on that 17 18 newspaper article, like, was he ever properly -- did people 19 take an accurate statement from him? 20 MS. CAITLIN HENDRICKSON: The person that was 21 driving? 22 MS. LOIS DUKE: His name is Denis with one 23 "N". 24 MS. CAITLIN HENDRICKSON: M'hm. 25 MS. LOIS DUKE: And Gosselim, G-O-S-S-E-L-I-

1 Μ. MS. CAITLIN HENDRICKSON: G-O-S-S... 2 3 MS. LOIS DUKE: E-L-I-M. MS. CAITLIN HENDRICKSON: E-L-I-M? 4 MS. LOIS DUKE: Yeah 5 MS. CAITLIN HENDRICKSON: Okay. 6 7 MS. LOIS DUKE: So he's the driver of this car where -- where she died, and what happened to him? 8 9 Where is he? 10 MS. CAITLIN HENDRICKSON: M'hm. MS. LOIS DUKE: He's probably gone by now, 11 12 but was there any statement taken from him? MS. CAITLIN HENDRICKSON: Yeah. 13 14 MS. LOIS DUKE: How -- who wrote this newspaper article? 15 16 MS. CAITLIN HENDRICKSON: Is there an author on it? 17 18 MS. LOIS DUKE: No. But it was in the Dawson Creek -- well, maybe -- was it -- probably the Dawson Creek 19 paper, if Mom told me. 20 21 MR. GEORGE CALLIOU: Dawson Creek? MS. LOIS DUKE: Yeah, but I can email this to 22 23 you. 24 MS. CAITLIN HENDRICKSON: Yeah, if you email that to me I can connect it with your -- your statement. 25

1	MS. LOIS DUKE: Okay.
2	MS. CAITLIN HENDRICKSON: So is there
3	anything that you would like to see from the National
4	Inquiry to honour Florence in any way?
5	MS. LOIS DUKE: I would like to see her name
6	somewhere on a memorial. Maybe memorials where these girls
7	were murdered, in the area, so either Chetwynd area,
8	or
9	MR. GEORGE CALLIOU: Or like, even like
10	Prince George Prince George to Prince Rupert.
11	MS. LOIS DUKE: M'hm.
12	MR. GEORGE CALLIOU: What what do they
13	call that the highway. You got
14	MS. LOIS DUKE: Tears of Highway of Tears.
15	MR. GEORGE CALLIOU: Highway of Tears?
16	MS. LOIS DUKE: Yeah.
17	MR. GEORGE CALLIOU: See how many
18	MS. LOIS DUKE: M'hm.
19	MR. GEORGE CALLIOU: how many women got
20	killed on that road? Was there anything done ever done
21	either, or
22	MS. LOIS DUKE: They're still, they still do
23	work on that road.
24	MR. GEORGE CALLIOU: (Indiscernible) (Oh
25	yeah).

1	MS. LOIS DUKE: But I think women still go
2	missing, right?
3	MS. CAITLIN HENDRICKSON: M'hm. We were just
4	up in Smithers in September for the hearings there.
5	MS. LOIS DUKE: M'hm.
6	MS. CAITLIN HENDRICKSON: Lots of people
7	testified about women that were lost on the Highway
8	MS. LOIS DUKE: M'hm.
9	MS. CAITLIN HENDRICKSON: of Tears.
10	MR. GEORGE CALLIOU: Because there's all
11	those a lot of reserves through there, hey.
12	MS. CAITLIN HENDRICKSON: Yeah.
13	MR. GEORGE CALLIOU: Right. 'Cause it's
14	happening the same thing with that tree planter. They
15	never found her body either, hey.
16	MS. CAITLIN HENDRICKSON: No.
17	MS. LOIS DUKE: I'll like to
18	MR. GEORGE CALLIOU: (Indiscernible).
19	(Whatever happened to her?)
20	MS. LOIS DUKE: see that the Commissioners
21	inquire about our community of Kelly Lake, and why we're a
22	group of Indigenous people that don't have status. Why are
23	we still sitting in in poverty and in a rural condition
24	where
25	MR. GEORGE CALLIOU: There's no

1 MS. LOIS DUKE: -- the water's not even safe 2 to drink and the... 3 MR. GEORGE CALLIOU: And yeah, the sewer -sewer --4 MS. LOIS DUKE: There's... 5 MR. GEORGE CALLIOU: -- system. 6 7 MS. LOIS DUKE: Sewers are all backing up, and there's no opportunity. 8 9 MR. GEORGE CALLIOU: And for the --MS. LOIS DUKE: -- opportunity --10 MR. GEORGE CALLIOU: -- and power, we're 11 12 paying quite a bit for the electricity. MS. CAITLIN HENDRICKSON: M'hm. 13 14 MR. GEORGE CALLIOU: When there's -- you know, why -- why was that -- I know the cheapest 15 electricity bill there for a month is under -- under, not 16 even -- under -- over 300 -- over \$300 a month. Just they 17 18 don't have nothing. Just --MS. LOIS DUKE: Yeah. 19 MR. GEORGE CALLIOU: -- just for power for 20 21 heat -- heating it, heating your -- lighting your hallway. 22 23 MS. LOIS DUKE: This is for light --24 MR. GEORGE CALLIOU: (Indiscernible). MS. LOIS DUKE: -- and power. 25

1 MR. GEORGE CALLIOU: -- you have light and 2 they don't have nothing. 3 MS. LOIS DUKE: And it's not even electric heat, it's wood heat. 4 MR. GEORGE CALLIOU: Yeah. 5 MS. LOIS DUKE: And they still have a huge 6 7 power bill. MR. GEORGE CALLIOU: (Indiscernible) (Service 8 9 for their power). 10 MS. LOIS DUKE: Makes you wonder. MR. GEORGE CALLIOU: So much for the power. 11 12 MS. LOIS DUKE: And there's no social services there. 13 14 MR. GEORGE CALLIOU: And there's no social worker that work there. 15 MS. CAITLIN HENDRICKSON: Lois said there's 16 quite a bit of violence in the community? 17 MS. LOIS DUKE: Well, just from --18 MS. CAITLIN HENDRICKSON: (Indiscernible). 19 MS. LOIS DUKE: -- people leaving the 20 21 community and entering a -- a lifestyle that is not --22 MS. CAITLIN HENDRICKSON: M'hm. MS. LOIS DUKE: -- healthy. 23

MS. CAITLIN HENDRICKSON: It's a good

25 recommendation.

24

1	MR. GEORGE CALLIOU: And that's why I kind of
2	left home too, there was nothing there for me. There's no
3	work there. You can't stay that there's no work.
4	MS. LOIS DUKE: There's another lady that
5	went missing in our community in 2004 she was just never
6	seen again.
7	MR. GEORGE CALLIOU: Yeah, well, that even
8	then the policemen (indiscernible) they said they can't do
9	nothing, nothing they, nothing they they just kind of
10	look around.
11	MS. LOIS DUKE: No body.
12	MR. GEORGE CALLIOU: And that was nothing
13	they didn't even do anything. They just come and check
14	again.
15	MS. LOIS DUKE: They searched for her
16	MR. GEORGE CALLIOU: They didn't
17	MS. LOIS DUKE: they didn't find her.
18	MR. GEORGE CALLIOU: (indiscernible) (an
19	investigation or) nothing at all.
20	MS. LOIS DUKE: Yeah, she just went missing
21	one day and
22	MS. CAITLIN HENDRICKSON: Do you know her
23	name?
24	MR. GEORGE CALLIOU: What's that?
25	MS. LOIS DUKE: Lawrence's (ph) Mom.

25

1 MR. GEORGE CALLIOU: Eva Mitchell (ph). MS. LOIS DUKE: Eva Mitchell. 2 3 MR. GEORGE CALLIOU: Yeah. MS. LOIS DUKE: What was -- what was the name 4 she went my though? 5 6 MR. GEORGE CALLIOU: Eva Mitchell. 7 MS. LOIS DUKE: No. MR. GEORGE CALLIOU: But her nickname was 8 9 Ebony (ph). 10 MS. LOIS DUKE: Ebony, that's how we --MR. GEORGE CALLIOU: Ebony. 11 12 MS. LOIS DUKE: -- all know her. MR. GEORGE CALLIOU: Yeah. 13 14 MS. LOIS DUKE: Ebony. 15 MS. CAITLIN HENDRICKSON: Ebony, but her -her real name was Eva Mitchell. 16 MS. CAITLIN HENDRICKSON: Okay. 17 18 MS. LOIS DUKE: But she went missing and her cigarettes were on the table and her dog was in the 19 20 house. 21 MR. GEORGE CALLIOU: Still -- still in the 22 house. 23 MS. LOIS DUKE: And they never seen her 24 again.

MR. GEORGE CALLIOU: Never -- never found her

25

1 or anything. But they didn't even try and look. MS. LOIS DUKE: Yeah. 2 3 MR. GEORGE CALLIOU: Put it that way. MS. LOIS DUKE: Yeah. 4 5 MR. GEORGE CALLIOU: You know, when -- when the police come from Dawson Creek, that's all they did is 6 7 just looked around the house, and ask people see --(indiscernible) (what) was wrong (and when was) the last 8 9 time they seen her, but how -- how did people know? Because she was living by herself alone at the -- you know 10 it's not -- you know, it's at the end of the road, and 11 12 she's got her own place there, where she lived and nobody ever bothered -- bothered her (indiscernible) (and all 13 that's said is) and one day that she was gone and missing. 14 You know, where do you know -- and people (if she) walks in 15 the bush, there was no body (indiscernible) (her little dog 16 usually go with her, eh). 17 18 MS. LOIS DUKE: I guess she just -- when you have your family and loved ones go missing and then you 19 know there's nothing being done, like, I guess it leaves 20 21 you with a feeling that nobody cares, and it leaves you with a feeling that it's not important. Your loved one's 22 23 not important. 24 MS. CAITLIN HENDRICKSON: M'hm.

MS. LOIS DUKE: And it gives you that message

24

25

1 that perhaps you're not important. But I'm a different 2 girl than I was when I was 14, 15, and I'm happy. I -- my 3 husband and three daughters, and I just know that life could have been better. 4 5 MS. CAITLIN HENDRICKSON: MS. LOIS DUKE: Less heartache for my mom and 6 7 me. MS. CAITLIN HENDRICKSON: What I can tell 8 9 though is I've see a lot of strength and resilience in you. I'm flattered you've come and you're here for your mom and 10 your grandmother. 11 12 MS. LOIS DUKE: M'hm. MS. CAITLIN HENDRICKSON: You care a great 13 deal about your other siblings who are not in the best 14 scenarios, but you want better for them too, and --15 MS. LOIS DUKE: M'hm. 16 MS. CAITLIN HENDRICKSON: -- I really 17 18 appreciate you coming here today and sharing your truth with us about your grandmother and providing what 19 recommendations that you have for the inquiry so I want to 20 21 say chi-migwetch for that. 22 MS. LOIS DUKE: Thank you, you're welcome. 23 MS. CAITLIN HENDRICKSON: For you coming to

support and provide your own input on your sister, right.

MR. GEORGE CALLIOU: M'hm.

1 MS. CAITLIN HENDRICKSON: Is there anything else that you'd like to share? Anything that I haven't 2 3 asked? MS. LOIS DUKE: No. 4 MR. GEORGE CALLIOU: No -- no. 5 MS. LOIS DUKE: No, I think. 6 7 MR. GEORGE CALLIOU: Maybe you come up with something during the night, sleep -- sleep on it. 8 9 MS. CAITLIN HENDRICKSON: Yeah, and come see 10 me tomorrow. MS. LOIS DUKE: Okay. 11 12 MS. CAITLIN HENDRICKSON: Do you feel that you have been heard though? 13 14 MR. GEORGE CALLIOU: Yeah, that's you know, that's you know, a little better in here that you get a 15 little bit more information out. What do you think? 16 MS. LOIS DUKE: I think if my mom were here 17 though it would be --18 MR. GEORGE CALLIOU: Then you would have 19 probably more because you --20 21 MS. LOIS DUKE: -- different. 22 MR. GEORGE CALLIOU: -- because you have --23 MS. LOIS DUKE: You'd have a lot more. 24 MR. GEORGE CALLIOU: (Indiscernible) (A little bit more information) hey. 25

1	MS. CAITLIN HENDRICKSON: Yeah.
2	MR. GEORGE CALLIOU: Well, how the papers, I
3	don't think, or have her papers, you know, we'd probably
4	end up with lots written down.
5	MS. LOIS DUKE: Yeah, she would
6	MR. GEORGE CALLIOU: Like I said, for her
7	that was kind of sudden death, but for her too, hey.
8	MS. CAITLIN HENDRICKSON: M'hm.
9	MR. GEORGE CALLIOU: Yeah, like
10	(indiscernible) (Had a lot of things going on in her mind)
11	trying to help the community and the community
12	(indiscernible) (seemed to backfire, backfiring on her) and
13	trying to lead a little better life for the community there
14	but they seem to be more (seemed it didn't work) right.
15	MS. CAITLIN HENDRICKSON: Is there anybody
16	else that you think would like to share anything about
17	Florence with the with the National Inquiry?
18	MR. GEORGE CALLIOU: Well, I think yeah, I
19	imagine there with be a few, but there's people they're
20	scared to talk you know, and say anything, hey.
21	MS. CAITLIN HENDRICKSON: M'hm.
22	MS. LOIS DUKE: Yeah, I think if I I
23	would like to see the these hearings happen in Grand
24	Prairie, Alberta. That's
25	MS. CAITLIN HENDRICKSON: M'hm.

1	MS. LOIS DUKE: where a lot of families
2	are located that have missing and murdered loved ones, and
3	I know there would be more people available to talk about
4	our my grandmother if if we were closer.
5	MS. CAITLIN HENDRICKSON: Okay.
6	MS. LOIS DUKE: Because it was it's just
7	because I decided I seen that you guys were here and I
8	said I'm going to go. And I didn't care whether I should
9	be here or not, or I had approval. I just came. And I
10	don't think a lot of people are in that same situation
11	where they can just they have jobs. They have small
12	children. They have
13	MS. CAITLIN HENDRICKSON: M'hm.
14	MS. LOIS DUKE: maybe no transportation,
15	but
16	MS. CAITLIN HENDICKSON: M'hm.
17	MS. LOIS DUKE: I strongly suggest that
18	the Commissioner come there, because next June we are
19	having the Walking with Our Sisters memorial coming to
20	Grand Prairie, Alberta, and the amount of people that are
21	looking forward that to event to see to support the
22	families of these women that have gone murdered or missing
23	MS. CAITLIN HENDRICKSON: M'hm.
24	MS. LOIS DUKE: Grand Prairie's a gateway to
25	the north.

1 MS. CAITLIN HENDRICKSON: So one thing that I 2 can do is I can give you that card with our number on it 3 and anybody that you know that would like to speak to that, or that you want to --4 5 MS. LOIS DUKE: M'hm. MS. CAITLIN HENDRICKSON: -- suggest to speak 6 7 to us, like they have to come to us. MS. LOIS DUKE: M'hm. 8 9 MS. CAITLIN HENDRICKSON: So I'll give you the information for contact. 10 MS. LOIS DUKE: Okay. 11 12 MS. CAITLIN HENDRICKSON: And we can take it from there. 13 14 MS. LOIS DUKE: Okay. Great. MS. CAITLIN HENDRICKSON: But I also add that 15 in as a recommendation. 16 MS. LOIS DUKE: Okay. 17 18 MR. GEORGE CALLIOU: And speaking about that (indiscernible) (even) for -- having -- getting 19 (indiscernible) (I've been complaining) about what -- you 20 21 know, about my -- my back -- sore back and I've seen the doctors. 22 23 MS. LOIS DUKE: M'hm. MR. GEORGE CALLIOU: Every time I go see a 24 doctor, say "Help." "There's nothing we can do." Go see a 25

1	specialist they said, "Nothing we can do because you're
2	healthy, there's nothing wrong with you." All of a sudden
3	in March this year, I have to live with this, hey.
4	MS. CAITLIN HENDRICKSON: M'hm.
5	MR. GEORGE CALLIOU: And I come see a
6	finally a specialist here and he said right away, "You're
7	dying," that's all he said. He didn't even talk talk
8	anything about you know, anything else, and he said he'd
9	give me some pills to take two pills a day.
10	MS. CAITLIN HENDICKSON: M'hm.
