From AWAN's declaration on prostitution

- ▶ ***AWAN demands that Aboriginal women have the opportunity to raise our families within our Traditional values of having a respected position for women and children in our societies. The single-most effective way of achieving that goal is empowering and resourcing Aboriginal women's groups, such as AWAN, so that we can organize, engage with other sectors of society and speak with our own voices. We have a great deal of certainty that organized Aboriginal women's voices would be calling for "Exiting" programs and services, support for Aboriginal women and children, and an end to forced prostitution. Let Vancouver enter into the 2010 Olympics without wearing the black-eye of decriminalized prostitution and legalized brothels that drive Aboriginal women further down the Human Rights ladder of Canadian and Vancouver society.***
