## Professional Experience

**INUIT TAPIIRIT KANATAMI**  
Executive Political Advisor

Ottawa, ON  
2016-Present

- Liaised at the national level between Inuit and federal officials on a broad range of policy issues impacting Inuit in Canada
- Lead drafter on high level policy products, including the *National Inuit Suicide Prevention Strategy* and *National Inuit Strategy on Research*
- Advised the executive on a broad range of Inuit-specific policy matters

**NANA REGIONAL CORPORATION**  
Iñupiaq Language & Cultural Manager

Kotzebue, AK  
2015-Present

- Oversees the development of Iñupiatun language learning tools and resources
- Works with local elders to map traditional Iñupiaq place names in the region's communities
- Documents oral histories through video and audio interviews with local elders
- Coordinates all meetings of the Iñupiaq Language Commission and Regional Elders Council and implements the goals of these entities

**REFUGEE TRAUMA AND RESILIENCE CENTER**  
Research Coordinator

Boston, MA  
2013-2014

- Carried out quantitative interviews with more than 440 Somali youth in Boston, Maine, Minneapolis and Toronto as part of the Center's U.S. Department of Defense funded Somali Youth Risk and Resilience project
- Evaluated the Center's school-based mental health intervention by interviewing Bhutanese and Somali middle school students
- Developed a cultural brokering webinar training for mental health service providers working with refugee communities
- Co-authored a cultural brokering manual for use by mental health service providers utilizing cultural brokers in their services
- Managed consultant contracts and invoices for Center projects as well as the logistics of research fieldwork

**NUNAVUT TUNNGAVIK, INC.**  
Consultant

Nunavut, Canada  
2010-2015

- Researched and authored NTI's annual reports on the state of Inuit culture and society in accordance with NTI's statutory obligations under the Nunavut-Land Claims Agreement. These advocacy documents are tabled in the Nunavut Legislative Assembly and Canadian House of Commons
- Carried out more than 30 interviews with legislators, policy makers, researchers and advocates in Nunavut and transcribed interviews for inclusion in annual reports
- Analyzed legislation, research, and territorial and federal policy to craft policy recommendations for the Government of Nunavut and Government of Canada on Inuit language, health, research and justice issues
