Dear Mr. Zandberg

**RE: NWA NWT Request to Submit Report Pursuant to Rule 33**

---

My colleague in attendance at the Calgary Oral Closing Submissions of the Parties with Standing, Ms. Caroline Wawzonek, counsel on behalf of the Native Women's Association of the Northwest Territories (NWA NWT), is requesting that "Hearing about the Realities of Intimate Partner Violence in the Northwest Territories from Frontline Service Providers: Final Report - Rural and Northern Community Response to Intimate Partner Violence" tabled in the Legislative Assembly of the NWT be provided to the Commissioners pursuant to Rule 33 of the *Legal Path: Rules of Respectful Practice for the National Inquiry into Missing and Murdered Indigenous Women and Girls*.

This report was written by Dr Pertice Moffit, Co-Investigator and Academic Lead in the report, alongside Co-Investigator Heather Fikowski written for Territorial Stakeholders in January 2017 and was tabled in the NWT Legislature on October 17, 2017. This report relates directly to Dr. Moffit's testimony at the mixed Part II and III hearings in St. John's Newfoundland on October 16, 2018 and involves research filed as exhibits at those hearings.

The Report was provided by email correspondence on November 27, 2018 and the report is publicly available at this link - [https://www.assembly.gov.nt.ca/sites/default/files/td\\_17-183.pdf](https://www.assembly.gov.nt.ca/sites/default/files/td_17-183.pdf).
