PO Box 500, Station A

Attention: Registrar, Mr. Bryan Zandberg

Dear Sir:

Re: Rule 33 Submission and Final Written Submission

---

Pursuant to Rule 33 and the Practice Direction on Public Submission of Information to the Record Outside of Witnesses, I am submitting additional documents on behalf of the Saskatchewan Association of Chiefs of Police.

During the Oral Closing Submissions in Calgary, Commissioner Qajaq Robinson asked whether or not *The Police Act, 1990*, applied to the File Hills First Nations Police Service. In response to that question, and a series of follow up questions I informed Commissioner Robinson that the File Hills First Nations Police Service was also subject to the authority of the Saskatchewan Police Commission and the Public Complaints Commission.

We submit the following, which further verifies the reply given to those questions:

- a) Order in Council 129 of 2001, with particular reference to Schedule "A", Terms and Conditions of Authorization; and
- b) Order in Council 915 of 2002, again with particular reference to Schedule "A", Terms and Conditions of Authorization.

In particular, I highlight paragraph 4, which specifically states that the File Hills First Nations Police Service is subject to the direction of the Minister of Corrections and Policing, the audit, review and general policy of the Saskatchewan Police Commission, and other regulations applicable to police services, and the public complaints and discipline procedures established by *The Police Act, 1990*.

I formally request that each of these documents be submitted into evidence, and form part of the record of the National Inquiry.

In addition, I am filing the final written submission on behalf of the Saskatchewan Association of Chiefs of Police.

I thank you in advance, for considering these documents for submission and filing. Should you have any questions, please do not hesitate to contact me.

Yours truly,
