4 **CAITLIN HENDRICKSON:** So for the record I'll  
5 introduce myself. My name is Caitlin Hendrickson and I'm a  
6 statement gatherer with the National Inquiry into Missing  
7 and Murdered Indigenous Women and Girls. It's 2:04 P.M.  
8 and it is Wednesday, August the 1st. And we're here to  
9 start your statement and so I'll just have each of you  
10 introduce yourself for the Commissioners. And you can tell  
11 them what you think is important for the Commissioners to  
12 know.

13 **GLORIA LEBOLD:** Okay. I'm going to start.  
14 Hi, my name is Gloria Lebold. I live in Winnipeg,  
15 Manitoba. I've lost two beautiful daughters. My youngest  
16 one is Jennifer Lee Hunter. And then my second oldest is  
17 Julia Jean Marie Hunter. I can't remember the exact date  
18 of my first granddaughter -- first daughter's death. For  
19 me, I think the police didn't do enough to investigate my  
20 daughter's death at the time because she's never taken  
21 pills of any sort. And we heard it from -- from source  
22 that her boyfriend put pills in her drink and then she fell  
23 asleep and, I guess, he must've went back to the house and  
24 he tried to wake her up, couldn't wake her up and they  
25 brought her in. But she never did wake up but then her

1 brain was swelling. And -- and that's how I lost my baby  
2 daughter.

3 **CAITLIN HENDRICKSON:** This was Jennifer?

4 **GLORIA LEBOLD:** Jennifer. And that was my  
5 baby daughter and I just wish the police would have done  
6 more to investigate into her boyfriend. Like, what really  
7 did happen at -- at -- at the place where they were at.  
8 And the doctor said that they put diabetic pills in her --  
9 in her drink. And -- and that's why she never came back.

10 I guess she just went into a coma and her  
11 brain started swelling and then to this day I could never  
12 talk about it. (~~Indiscernible~~) [I just] put it at the back  
13 of my mind and thinking it's going to go away but it's a  
14 truth, it's a -- a pain that never goes away. It's always  
15 there.

16 And she left beautiful kids behind and I  
17 also have great grandchildren. She's supposed to be a  
18 grandma, she was alive, you know. Her kids always ask  
19 about her, "Oh, what was she like?" You know, because they  
20 don't remember -- they don't remember anything. And I tell  
21 them good stories about their mother.

22 She was always such a happy girl, you know,  
23 and joking around, laughing all the time and I miss her  
24 absolutely. But, like I said, the police didn't do much to  
25 investigate the -- what really did happen because I wanted

1 to know what happened to my daughter. That's about all  
2 I've got to say about my little Jennifer.

3 And the next -- next one is Julia. That's  
4 the most hardest, hardest thing I could ever talk about  
5 because the police didn't even come to my house to tell me  
6 that she had passed away because my daughter Nancy here  
7 there told me that she died.

8 We went to the place where -- where she  
9 passed away in a door -- stairwell of a -- of an apartment  
10 block. So I talked to the medical examiner and I said, "In  
11 what condition was my daughter in when -- when you done the  
12 autopsy?" He told me that -- well, the police -- police  
13 posted that she only had one shoe when they found her. And  
14 then when I talked to the medical examiner he said she had  
15 grey marks on her -- on her back just like she was dragged  
16 there. And she froze to death.

17 There again, the police didn't do the  
18 investigation at all I don't think, you know, because I  
19 never heard anything from the police department whatsoever.  
20 And that guy she was with is still walking around free.  
21 That is -- for me, that is the most terrible way for, you  
22 know, dragging my daughter. I just can't imagine that my  
23 daughter being dragged and her freezing to death.

24 And she was also close to Nancy and she  
25 would call to her all the time, you know, to let her know

1 her whereabouts. I could never bring myself to come to  
2 meetings or to talk to anybody, just with my husband. I  
3 could never bring myself to reveal this story I'm telling  
4 because it really, really hurts me.

5 Like, I just can't imagine, like, the -- how  
6 people deal, like, you know, to women that lost their  
7 children. I can truly understand the pain because it's a  
8 pain that never -- never goes away. It's always there.  
9 Everyday I wake up, I think about my kids.

10 I just wish the police could've done more.  
11 I wish they could've listened to me, you know, because I  
12 told them about, "How come she only had one shoe on? How  
13 come you didn't go find out where the other shoe was?" You  
14 know?

15 And I don't think they even interviewed the  
16 -- the guy that was with my daughter Jennifer. I never  
17 heard anything from the police department whatsoever. What  
18 I'm mostly concerned about is how come -- is how come the  
19 police didn't come to my door and tell me that my daughter  
20 had passed away?

21 Their father -- their father passed away a  
22 while back and so there was nobody else, you know, just me.  
23 When my -- my second husband adopted them as their own --  
24 as his own.

25 **CAITLIN HENDRICKSON:** Can I ask when was

3 **NANCY GABRIEL:** Twenty-first.

4 **GLORIA LEBOLD:** May 21st, I can't remember  
5 the date.

6 **NANCY GABRIEL:** Seventy-three.

7 **CAITLIN HENDRICKSON:** Nineteen-seventy-  
8 three?

9 **NANCY GABRIEL:** Yeah.

10 **CAITLIN HENDRICKSON:** And I know you can't  
11 really remember when it is that she passed away but do you  
12 know how old she was?

13 **NANCY GABRIEL:** A year younger than me. She  
14 would've been 45.

15 **CAITLIN HENDRICKSON:** Forty-five.

16 **GLORIA LEBOLD:** Less than 25 years ago  
17 (Indiscernible)

18 **NANCY GABRIEL:** Twenty-three years ago.

19 **GLORIA LEBOLD:** Twenty-three years ago.

20 **NANCY GABRIEL:** (~~Indiscernible~~) [February  
21 11<sup>th</sup>, she passed away]

22 **CAITLIN HENDRICKSON:** And what about Julia's  
23 date of birth?

24 **GLORIA LEBOLD:** February 3rd.

25 **NANCY GABRIEL:** Seventy-one.

1                   **CAITLIN HENDRICKSON:** And do you recall how  
2 long ago it was that she passed?

3                   **NANCY GABRIEL:** January -- six years ago  
4 January 30th.

5                   **CAITLIN HENDRICKSON:** Six years ago?

6                   **NANCY GABRIEL:** Yeah.

7                   **CAITLIN HENDRICKSON:** Thank you.

8                   **NANCY GABRIEL:** On January 30th they found  
9 her.

10                   **CAITLIN HENDRICKSON:** Okay. Nancy, could I  
11 get you to introduce yourself to the Commissioners?

12                   **NANCY GABRIEL:** My name is Nancy Gabriel.  
13 I'm 46 years old. I'm here to talk about my two sisters.  
14 My younger sister Jennifer and she was, like 45 years old -  
15 - would've been 45 years old. And my sister Julia be 47 --  
16 she would've been 47. We're all, like, 11 months apart. I  
17 do have one more other sister, she's [Sister 1], she's the  
18 oldest one. And I only have two brothers left.

19                   Me, Jennifer and Julia, we were raised  
20 together, all three of us because my mom couldn't take care  
21 of all of us after my dad died in 1974. I was only three  
22 years old when my dad passed away. We went to go live with  
23 my grandma for a while. And my -- my mom just had my  
24 brother too after my dad died.

25                   And, like, me and my three -- me and my two

1 sisters are very close. Like three peas in a pod. We  
2 learned how to build a chicken coop together, we learned  
3 how to garden. We used to have fun killing chickens and --  
4 and I'd get the head and all. Like, we had fun growing up.  
5 I miss that.

6 **CAITLIN HENDRICKSON:** Do you want to take a  
7 break for a couple minutes?

8 **NANCY GABRIEL:** Yeah.

9 (Short break)

10 **CAITLIN HENDRICKSON:** So this is Caitlin  
11 Hendrickson. We just took a -- a break and it is 2:34 P.M.  
12 We're going to continue here with Nancy. You can start off  
13 whenever you're ready.

14 **NANCY GABRIEL:** I'll talk about my two  
15 sisters I guess. I am right in the middle of them. One is  
16 -- one is the younger one, one is older. Me and Julia, my  
17 older sister, we're the same age for one month. I catch up  
18 to her in January and then she turns older February 3rd.

19 Like, I'm not mad at my mom for -- like, I know she  
20 couldn't raise us, just too hard after my dad passed away.

21 But we had fun at my -- my grandma's. Lots  
22 of place to run around, we'd get in trouble together. And  
23 people took that away from me. They were, like, my best  
24 friends in the whole world. Sometimes I feel lost. I know  
25 I've got -- I've got my family at home. I've got my

**Statement - Public**

1 husband and my little girl. But I still feel lost  
2 sometimes.

3 The family I was raised with are not with me  
4 no more. My two sisters are gone, my grandma's gone. I  
5 believe they're in heaven together. For me, I know my --  
6 in my heart, I know my two sisters got murdered. And no-  
7 one can change my heart. That is my belief. Because I  
8 know them.

9 And Jennifer, she went to Julia's one day  
10 and said, "I need something to eat." She told my sister,  
11 "I got to hurry," because she was -- that guy she was with  
12 put her on a time limit or she would get a licking from  
13 him. When she got together with this guy, wasn't able to  
14 hang around us no more, and not to associate with us  
15 because he wouldn't allow that.

16 And then before she met that guy, "Why,  
17 Nancy, let's go buy some jeans." I said, "Okay." "You  
18 pick black and I'll pick blue." I said, "Okay." And we'd  
19 go out. We weren't able to do that with her no more after  
20 she met that guy. That guy took everything away from her.

21 I'd try so hard, you know, to save my  
22 sisters. But back -- with Jennifer I couldn't save her  
23 because I was doing the same with her, like, what she was  
24 doing, drinking and that. And, you know, I don't really  
25 remember my little sister's funeral or nothing.

9

1                   And when we had to -- had to -- we had to  
2           unplug her, I freaked out and I couldn't stay there. I  
3           went in bottom of hospital's basement parking lot and I --  
4           I just cried there and I -- I left. I don't remember her  
5           funeral at all. And that is true, my sister never took  
6           pills. Didn't do drugs, just alcohol, that's all. All we  
7           ever did, alcohol.

8                   And she wasn't a diabetic. And why would  
9           she take that by the pills. I know in my heart she  
10          wouldn't ever do that. No matter how hard life got, she  
11          wouldn't think of suicide or anything. I know in my heart  
12          that guy did that to her.

13                   **CAITLIN HENDRICKSON:** Was it the diabetic  
14          medication that caused her to go into the coma?

15                   **NANCY GABRIEL:** Yeah. I -- I really don't  
16          remember, like -- trying to think how her funeral -- I  
17          don't remember it at all. And that's -- I remember my  
18          sister Jennifer, we were locked up together also in the  
19          (~~Indiscernible~~) [in Seven Oaks]. I remember her hands in  
20          the -- we had fun everywhere we went. And that guy took  
21          that away from me -- took that away from us and sometimes I  
22          don't -- I wish I could have that fun again. Sometimes I  
23          get mad. Yeah, they must be having fun up there without  
24          me.

25                   And my sister Julia, she was like me. Like,

1 when me and Jennifer needed help, we could go to her house.  
2 We could change our clothes and she would feed us. And now  
3 I'm doing that to her kids. My sister Julia was a very  
4 good cook. She was a good person.

5 She was ~~really~~ (~~indiscernible~~) [supposed to  
6 be living with me] at the time she got -- they found her.  
7 I remember that night like it was yesterday. Me and my mom  
8 were at bingo and I won, like, over \$700. And I said, you  
9 know, "Go home, mom." I phoned my husband and I told him I  
10 won, like, he wasn't excited, goes, "Oh, yeah." I didn't  
11 know they found my Sister already. I got home from bingo -  
12 --

13 **CAITLIN HENDRICKSON:** Do you need me to turn  
14 off the recorder?

15 **NANCY GABRIEL:** Yeah. I can't do it  
16 (~~indiscernible~~) [anymore].

17 --- Upon commencing on Thursday, August 2, 2018 at 10:02

19 **CAITLIN HENDRICKSON:** So my name is Caitlin

21 Inquiry into Missing and Murdered Indigenous Women and  
22 Girls. It's 10:02 A.M. on August the 2nd. We're here in  
23 Winnipeg, Manitoba. And we're here to do our second

1                   **GLORIA LEBOLD:** My name is Gloria Lebold. I  
2           -- I really had a hard time this morning because I was  
3           searching for my daughters' pictures so -- and I was by  
4           myself at home because my husband goes to work. And we  
5           really had a hard time this morning. But I don't really  
6           have too much to say. What I said yesterday was pretty  
7           well it, you know. Except for the dream that I had. I  
8           don't think I told you guys yesterday. I told her ---

9                   **NANCY GABRIEL:** Matilda.

10                  **GLORIA LEBOLD:** --- Matilda. I suffered  
11           five years for my daughter Jennifer when she -- when she  
12           left me. I was on pills all during that time. And then --  
13           like, what the doctor prescribed -- and then one night I  
14           was dreaming my mom was laying on the bed and the family --  
15           some family members were there. And I looked at this one  
16           picture and then all of a sudden there was Jennifer. She  
17           said, "Mom, don't cry. It hurts me when I see you cry.  
18           I'm okay where I am," she said. "I don't like to see you  
19           cry," she said. "You too, grandma, don't cry," she said to  
20           my mom. And -- and ever since that time when I -- I had  
21           that dream, it seems like something left me, you know.

22                   So I left the pills alone and told the  
23           doctor I didn't want anymore because it seemed like I was  
24           drunk all the time, you know, and just -- those pills, they  
25           just -- they just took over me I guess, you know. So I

**Statement - Public**  
**Gloria Lebold & Nancy Gabriel**  
**(Jennifer Lee Hunter &**  
**Julia Jean Marie Hunter)**

12

1 left them alone after that.

2 And it just brought back a lot of memories  
3 this morning and -- but what I would like to say is me  
4 losing my two daughters, I -- I strongly recommend that the  
5 police should do more investigation, you know, and even if  
6 it's domestic abuse, you know, they should investigate more  
7 because with my two daughters' death, I'm not satisfied of  
8 what had -- what the police had did so they say. But I  
9 don't think they did much investigation at all.

10 And I also say that the police should --  
11 should -- should contact the family member, you know, like  
12 the mother and the father when -- when the -- when their  
13 children -- something happened to their children because  
14 nobody came and contacted me at all, you know, there was no  
15 cop at my door, you know. And I think -- I think the  
16 police should do that, you know, instead of hearing it from  
17 somebody else. And that's what really hurt me the most.

18 When Nancy was crying and she said, "Julia  
19 died," I couldn't believe it, you know. "I wonder if this  
20 is true," I was saying, you know. I got up and I couldn't  
21 sleep all night.

22 But I think that's what the police should  
23 do, you know, investigate more. With my -- with my Julia,  
24 she only had one shoe on. They should've asked, "Where's  
25 her other shoe?" You know, she must've come from that

13

1 apartment. And I even asked the police that but I don't  
2 think they did much. And she had marks on her -- on her  
3 back that she was dragged, you know.

4 And I know Jennifer never took diabetic  
5 pills. She wasn't a diabetic and obviously somebody put  
6 something in her drink. She never did wake up. It's  
7 really hard losing my two daughters. Not one day goes by  
8 when I think about them.

9 **CAITLIN HENDRICKSON:** So ---

10 **GLORIA LEBOLD:** But I think -- but I think  
11 that's all from me. You know, it's just -- it hurts too  
12 much to talk about it and I -- I kept putting it all behind  
13 me and, you know, to try and live a normal life and with my  
14 husband and the rest of my kids. I have two daughters and  
15 two sons yet, lots of grandchildren, great-grandchildren.  
16 But I'm the only one that they have, you know, like, the --  
17 Julia's kids, their -- their mother and dad passed away.  
18 Same with Jennifer's kids, you know, their mom and dad  
19 passed away too. And -- and I'm the only one they have.

20 So I really treasure the grandchildren. All  
21 of them, you know. And I think that's what keeps me going  
22 all the time. It just -- for me to live for the -- for the  
23 grandchildren and great-grandchildren. And my husband is a  
24 big support, you know, to me.

25 But it hurts so bad, you know. It hurts

1 really bad. Sometimes I can't control my tears when I'm at  
2 home, you know, especially when I'm by myself sometimes and  
3 so I just -- I just go out for a coffee and I leave the  
4 house. I think -- I think right now that's about it that  
5 what I have to say.

6 But I strongly recommend that the police do  
7 a thorough investigation when, you know, to find out what  
8 really did happen. Because with -- with my daughter Julia,  
9 that guy is still on the street, you know. I don't know if  
10 they ever talked to him or not. I don't (Indiscernible)

11 Me and my daughter Nancy comfort each other  
12 quite a bit. We -- we're going through hard times. And  
13 that's pretty well it for me.

14 **CAITLIN HENDRICKSON:** So I'm going to ask  
15 you a few questions and I understand it is really difficult  
16 so if you're not able to answer them, that's okay. Just  
17 I'd like to try and get a little bit of a clearer picture  
18 for the Commissioners.

19 **GLORIA LEBOLD:** M'hmm.

20 **CAITLIN HENDRICKSON:** So one thing that I  
21 wanted to ask is you -- you said that you felt that  
22 somebody had something to do with Jennifer's death.

23 **GLORIA LEBOLD:** M'hmm.

24 **CAITLIN HENDRICKSON:** And could you talk a  
25 little bit about who you think that might've been?

1                   **GLORIA LEBOLD:** Well, she -- she was going  
2                   out with this guy and this guy was abusive to her as well.  
3                   And somebody put -- they said she took diabetic pills but  
4                   she was never a diabetic so we -- so we think that guy did  
5                   put something in her drink because she -- they found her at  
6                   the place where they were staying. And then, I don't know,  
7                   that guy just dumped her I guess. Then when he went back  
8                   and she was -- she was unresponsive.

9                   **CAITLIN HENDRICKSON:** Okay.

10                  **GLORIA LEBOLD:** And then they rushed her to  
11                  the hospital and she was in the -- the hospital just for a  
12                  while and we had to disconnect her because her brain  
13                  swelled up and there's no way that she would come out of it  
14                  the doctor said.

15                  **CAITLIN HENDRICKSON:** And so you talked  
16                  about the police's response not being serious enough. How  
17                  did you feel about the medical response? Do you feel the  
18                  doctors gave Jennifer proper medical care?

19                  **GLORIA LEBOLD:** I think so, yes. They did  
20                  everything what they could. And we were there the whole  
21                  time.

22                  **CAITLIN HENDRICKSON:** And in talking about  
23                  your own support, it sounds like your doctor was  
24                  prescribing you medication to -- to help you endure your  
25                  period of grief.

1                   GLORIA LEBOLD:  M'hmm.

2                   CAITLIN HENDRICKSON:  Did you have any other  
3                   support that was given to you during that time?

4                   GLORIA LEBOLD:  No.

5                   CAITLIN HENDRICKSON:  Just medication?

6                   GLORIA LEBOLD:  M'hmm.

7                   CAITLIN HENDRICKSON:  Okay.

8                   GLORIA LEBOLD:  I really couldn't talk to  
9                   anybody else.  I just -- because I -- I kept it inside me,  
10                  you know.  And I just -- they -- they asked me if I wanted  
11                  to see somebody to talk about it but I said, "No."  I just  
12                  tried to live with it and, you know, that they were -- that  
13                  they loved me and it was really, really hard on me.

14                  CAITLIN HENDRICKSON:  M'hmm.

15                  GLORIA LEBOLD:  And it still is, you know.

16                  CAITLIN HENDRICKSON:  So yesterday Nancy was  
17                  talking a little bit about how she and her sisters grew up  
18                  with grandma, right?

19                  GLORIA LEBOLD:  M'hmm.

20                  CAITLIN HENDRICKSON:  Because your husband  
21                  had passed away.

22                  GLORIA LEBOLD:  Yes.

23                  CAITLIN HENDRICKSON:  I'm just wondering if  
24                  you'd be willing to talk a little bit about what happened  
25                  after you lost your husband and -- and how you managed to

1 deal with all of that?

2 **GLORIA LEBOLD:** It -- it was very difficult  
3 when my husband passed away. And so I lived with my mom  
4 and dad for a while, you know, with the kids. And after  
5 that I got my kids back again. But then I turned to  
6 alcohol, you know, because I was just suffering so much.  
7 And then my mom offered to take my kids until I could  
8 straighten myself out and -- and during that time I met my  
9 second husband and got the kids back again. It is very,  
10 very hard but my husband adopted these kids as their own,  
11 you know. And they call him, "Dad," and the kids call him,  
12 "Grandpa," you know, it's -- so he -- he's -- he's a really  
13 good support for me. He talks me -- helps me when I'm --  
14 when I'm crying, you know.

15 **CAITLIN HENDRICKSON:** One thing I also  
16 wanted to know, just generally, is has anybody in your  
17 family gone through the residential school system?

18 **GLORIA LEBOLD:** Pardon me?

19 **CAITLIN HENDRICKSON:** Has anyone in your  
20 family gone through the residential school system?

21 **GLORIA LEBOLD:** Yes, I was in residential  
22 school.

23 **CAITLIN HENDRICKSON:** You were?

24 **GLORIA LEBOLD:** Yeah.

25 **CAITLIN HENDRICKSON:** What school did you

1 attend?

2 **GLORIA LEBOLD:** I went to Birtle.

3 **CAITLIN HENDRICKSON:** Sorry?

4 **GLORIA LEBOLD:** Birtle.

5 **CAITLIN HENDRICKSON:** Oh, okay.

6 **GLORIA LEBOLD:** Birtle, Manitoba.

7 **CAITLIN HENDRICKSON:** And was it just your,  
8 or ---

9 **GLORIA LEBOLD:** Yeah, me -- me and my  
10 younger sister.

11 **CAITLIN HENDRICKSON:** Okay.

12 **GLORIA LEBOLD:** Yeah. There, again, it was  
13 hard, you know.

14 **CAITLIN HENDRICKSON:** M'hmm.

15 **GLORIA LEBOLD:** I ran away because I  
16 couldn't handle the residential school. I ran away with  
17 another girl and we walked all night from Birtle to  
18 Waywayseecappo and we walked all night. We couldn't -- we  
19 couldn't handle the residential school. The principal  
20 there was very hard on us and we weren't allowed to talk  
21 our own language, and if we did then we got punishment for  
22 it, you know. So it -- it was really hard on me at the  
23 time as well.

24 **CAITLIN HENDRICKSON:** Thank you for sharing  
25 that. That's one of the things that we're trying to

1 identify is those -- are those long past pieces of trauma  
2 that contribute to further trauma occurring.

3 **GLORIA LEBOLD:** M'hmm.

4 **CAITLIN HENDRICKSON:** And so it's just  
5 something that we want to identify as part of the inquiry  
6 as many families have gone through many of the same things.

7 **GLORIA LEBOLD:** My dad talked about a lot of  
8 horror stories when he was in residential school. He was  
9 in, I think -- I think Camperville was where they -- where  
10 he's going to -- where he was with his sisters as well.

11 **CAITLIN HENDRICKSON:** So it's been through  
12 many generations.

13 **GLORIA LEBOLD:** Yeah. Yeah. Same with my  
14 dad's sisters and all my aunties and uncles are gone now.  
15 I'm the oldest one in the family now.

16 **CAITLIN HENDRICKSON:** And you talk about how  
17 you're here for your grandkids. So it sounds like they're  
18 a very strong part of you and very important.

19 **GLORIA LEBOLD:** Yeah. Yes, they're very,  
20 very, very important to me. The grandchildren, most of  
21 them are on -- on their own and they have kids, in which  
22 are my -- my great-grandchildren. And that's what these  
23 (indiscernible) and then sometimes when I see them I think  
24 about Julia and I think about Jennifer, like, you know,  
25 wishing that their mother was here. They'd be so proud of

1           them, you know.

2                           **CAITLIN HENDRICKSON:** M'hmm. And -- and do  
3           you see -- do you see those patterns of intergenerational  
4           trauma breaking? Are you helping to do that?

5                           **GLORIA LEBOLD:** (Indiscernible)

6                           **CAITLIN HENDRICKSON:** Do you -- do you see  
7           things changing for your grandchildren? Or -- or what  
8           would you like to see change for them so that they're not  
9           going through the same kinds of trauma that your family has  
10          experienced?

11                          **GLORIA LEBOLD:** Yeah, well, me and my  
12          husband are there for them all the time.

13                          **CAITLIN HENDRICKSON:** Yeah.

14                          **GLORIA LEBOLD:** You know, and if they're in  
15          any kind of trouble, or they, or they think they're in  
16          trouble, they -- they always phone me all the time and they  
17          ask me for advice most of them, you know, which and I know  
18          grandma, you know. So I'm there for them whenever they  
19          need help.

20                          **CAITLIN HENDRICKSON:** And do you think  
21          anything needs to change within our -- our support systems  
22          and our governments to make things better for your  
23          grandkids futures?

24                          **GLORIA LEBOLD:** That, I don't really know.  
25          You know, because the kids, I think they're -- I know I

**Gloria Lebold & Nancy Gabriel  
(Jennifer Lee Hunter &  
Julia Jean Marie Hunter)**

1 lost a brother not too long ago. And -- well, how many  
2 years [Gloria's Brother 1] gone now? Anyway, those kids  
3 are really suffering from losing their father, you know,  
4 those are my nieces and nephews. And there's no support  
5 for them, you know, in the reserve. My grandchildren, they  
6 talk to me about their mother and wishing they were -- they  
7 were alive and that, you know. Like, we talk and we hug  
8 each other and -- and my other grandson says, "Well,  
9 grandma, life goes on. I guess we have to do what we have  
10 to do." And he's got three kids. But I think it should be  
11 somebody like -- like a support worker, you know.

12 **CAITLIN HENDRICKSON:** Ones that work within  
13 the communities on -- on reserves?

14 **GLORIA LEBOLD:** M'hmm.

15 **CAITLIN HENDRICKSON:** I think that's all my  
16 questions for you. Thank you.

17 **GLORIA LEBOLD:** Okay. Thanks.

18 **CAITLIN HENDRICKSON:** I did have some  
19 questions for you, Nancy, just about some of the things  
20 from yesterday. Would that be okay?

21 **GLORIA LEBOLD:** Yeah.

22 **CAITLIN HENDRICKSON:** I'd -- I'd like to  
23 know more. You had talked about how you and your sister  
24 were at the Seven Oak's Youth Centre (Ph.) and I just  
25 wanted to know more about that.

1                   **NANCY GABRIEL:** Well, when my sister -- how  
2                   we got into, like, when we moved from the reserve back  
3                   home, back with my mom, I don't know, we got into the wrong  
4                   crowd I guess. And we -- we got in trouble so -- got in  
5                   trouble. I don't know why. We ran away from home. And I  
6                   think it was kind of difficult transaction I guess from  
7                   moving from Wayway to home here. Because we didn't know  
8                   the city that good.

9                   So we ended up with the wrong crowd I guess  
10                  and get into trouble with the law and I don't even remember  
11                  what I got in trouble for. But we were locked up in Seven  
12                  Oak's, I don't know, for quite a while I guess.

13                  And I didn't like it in there so I went AWOL  
14                  and said I'm going to leave. And she said, "I want to come  
15                  with you." And I said, "No, you can't, Jennifer." She was  
16                  almost due to have her baby. And I said, "You can't come.  
17                  You won't be able to climb the wall." I just left her  
18                  there and kicked that door open, and I ran over the gate  
19                  and I took off and didn't see Seven Oak's again.

20                  **CAITLIN HENDRICKSON:** They didn't bring you  
21                  back there?

22                  **NANCY GABRIEL:** No. I -- I -- I was on the  
23                  run, like, for almost a year. My mom didn't know if I was  
24                  alive or dead because I ran away to Bradbury (Ph.),  
25                  Saskatchewan. And the way my mom found me is the lady I

1 was living with filed for my income tax. So that's how my  
2 mom found me and I was gone for over a year. And I never  
3 phoned home. No-one didn't know where I was. I ran away  
4 lots when I came to the city.

5 **CAITLIN HENDRICKSON:** How old were you at  
6 the time?

7 **NANCY GABRIEL:** I think I was about -- I  
8 think Jennifer was about 12 I think. And I was about 13 I  
9 think.

10 **GLORIA LEBOLD:** Yeah.

11 **NANCY GABRIEL:** We ended up in Seven Oak's  
12 (Indiscernible) Centre, MYC, we were all over. Meet each  
13 other in those lockups. Yeah. So ---

14 **CAITLIN HENDRICKSON:** It's a pretty --  
15 pretty scary thing to do as a 12 year old, to get out on  
16 your own like that and ---

17 **NANCY GABRIEL:** Yeah.

18 **CAITLIN HENDRICKSON:** --- be away from your  
19 family for a year. Who -- who did you find to stay with?

20 **NANCY GABRIEL:** I -- I hooked up with an  
21 older guy who was 18. And he took me over there to  
22 Bradbury, Saskatchewan. And that's where I learned how to  
23 do IV drugs and I got into prostitution out there. That's  
24 where I learned it from, over there. And that's how I  
25 survived out on the street. I picked up Jennifer from

1           Winnipeg here because I wanted family member with me. I  
2           was getting no -- I just told her, I said, "I'll come and  
3           get you." And I came and got her. And we got caught, they  
4           put us in a cop car. They put me in front and her in the  
5           back. As soon as they got to a red light, I jumped out of  
6           the car again. And I ran away.

7                   **CAITLIN HENDRICKSON:** And when did you  
8           reconnect with your mom?

9                   **NANCY GABRIEL:** Pardon me?

10                   **CAITLIN HENDRICKSON:** When did you reconnect  
11           with your mom?

12                   **NANCY GABRIEL:** When the police brought me  
13           back to Winnipeg.

14                   **CAITLIN HENDRICKSON:** Okay.

15                   **NANCY GABRIEL:** And I seen my mom. She  
16           cried and she said, "Don't ever do that to me again." She  
17           didn't know if I was dead or alive.

18                   **CAITLIN HENDRICKSON:** That must have been a  
19           really terrible time for you.

20                   **GLORIA LEBOLD:** Yeah, it was. I was working  
21           very closely with the detectives and then they -- then they  
22           finally phoned me. He said, "We've got a lead," he said.  
23           "Somebody's trying to collect a family allowance for Nancy  
24           Hunter." And he said, and that's how we found her.

25                   **CAITLIN HENDRICKSON:** So you had gone

1 through this experience before with filing missing person's  
2 reports.

3 **GLORIA LEBOLD:** M'hmm.

4 **CAITLIN HENDRICKSON:** And how do you feel  
5 that they handled it when -- when Nancy was gone?

6 **GLORIA LEBOLD:** For Nancy, I was very happy  
7 how the police handled it because they found her. You  
8 know, it -- detectives kept close in touch with me, yeah.  
9 And they -- I guess they had a hard time coming back to the  
10 city because they all ran from home. You know, even my  
11 daughter, [Sister 1], the oldest one, she did the same  
12 thing. She did the same thing. And -- and Jennifer. So  
13 I've always phoned the police when -- regarding her, you  
14 know.

15 **CAITLIN HENDRICKSON:** M'hmm.

16 **GLORIA LEBOLD:** And then they found them and  
17 they -- they said they were in Seven Oaks. And so I  
18 couldn't handle them anymore, as running away, runaway,  
19 constantly. I said, "I think they need to be in a home  
20 where they can -- they can see a worker," you know, like,  
21 get counselling. They were -- so that's why they ended up  
22 in the (Indiscernible) centre. And Seven Oaks, I don't  
23 know if they gave them counselling. I don't think so, they  
24 ---

25 **NANCY GABRIEL:** No. Yeah, just like a fun

1 thing to go meet boys.

2 **GLORIA LEBOLD:** Then they used to think  
3 because my husband is a White guy, they -- Children's Aid  
4 workers thought that he -- he was sexually abusing them.  
5 And that is very hard on us. And all the girls said, "No.  
6 Dad would never do something like that," you know. I had  
7 quite a time with Children's Aid that time too.

8 **CAITLIN HENDRICKSON:** So you had a pretty  
9 negative experience with Children's ---

10 **GLORIA LEBOLD:** Very.

11 **CAITLIN HENDRICKSON:** --- Services?

12 **GLORIA LEBOLD:** Very. I did a lot of  
13 fighting with CFS in my life because my oldest daughter  
14 lost her kids to -- to Children's Aid and very hard to  
15 fight with CFS I must say. I had a lot of problems with  
16 them and ---

17 **CAITLIN HENDRICKSON:** Did she get the kids  
18 back into her care?

19 **GLORIA LEBOLD:** Yeah, after she went for  
20 treatment. But she had -- she went with her kids. She was  
21 placed in a -- in a healing lodge.

22 **CAITLIN HENDRICKSON:** Okay. That's good.

23 **GLORIA LEBOLD:** M'hmm. It's -- it's very  
24 hard when you lose a child, like, to Children's Aid, I -- I  
25 find, you know. Like, my -- my sister's going through a

Statement - Public

27

1 hard time because she lost her grand -- her granddaughter  
2 to Children's Aid as well. They just went and picked her  
3 up from -- from her father's place and put her in  
4 Children's Aid. Now, at this time, she's in Saskatchewan  
5 somewhere, you know, where they should put her with family  
6 members and that. I have no grandchildren or great-  
7 grandchildren that are in care now, you know, because I  
8 keep in very close in touch with them.

9 **CAITLIN HENDRICKSON:** Is there anything else  
10 that you'd like to share about your sisters, Nancy? Or  
11 would you like to move on to what else you'd like to talk  
12 about?

13 **NANCY GABRIEL:** Well, I don't remember  
14 Jennifer's -- like, when she passed away because the way I  
15 dealt with it, I drank and did drugs, right. I don't  
16 remember her funeral at all, I don't -- after they pulled  
17 the plug, I ran away and I didn't -- I couldn't handle it.  
18 So I ran away and I drank and did drugs. And I don't even  
19 remember her funeral or nothing. I don't remember anything  
20 about that. Because that's how I used to handle, like,  
21 hard stuff, like, I'd drink -- drink or do drugs.

22 But with Julia, I remember everything. And  
23 I am not happy what the cops did. Because I was her next  
24 of kin. Those cops didn't tell me that they found her  
25 dead. They told my husband.

1                   I got home from bingo -- I got home and I  
2           gave my husband some money and he said, "I'm going to  
3           Safeway." And right away he took off, like -- and then my  
4           father-in-law told me in Indian that cops were here. And I  
5           said, "Why?" I didn't even know, ask (*indiscernible*)  
6           [Husband 1] he said. So I phoned him. "I'll talk to you  
7           when I get home." He didn't want to talk to me.

8                   And he got home and he said, "They found  
9           Julia," and he -- that's why he was -- couldn't come to me  
10          because the cops are the ones that told him that they found  
11          Julia. And I freaked out, and that's when I phoned my mom  
12          and that. And she told me to phone the cops and see if  
13          that's true. I did and they said, "Yeah."

14                  You know, I'd try to get her to quit  
15          drinking and then all that didn't -- and I couldn't save  
16          her. I tried so hard to save her. Even, I called the cops  
17          on her once to come home because she was supposed to be  
18          residing at my house. Because I heard that guy was beating  
19          her up. And, you know, when they found her, they phoned me  
20          and asked me, "Did she -- does she have her shoes -- shoe  
21          there?" And I said, "No. Why?" "Because she only had one  
22          shoe on."

23                  I said, "Well, search that apartment and  
24          when they find the other shoe, that's where she came from."  
25          But they never did. They never searched. If they would've

29

1 searched those apartment -- apartment block because I know  
2 that guy family member lives there.

3 No matter how drunk Julia was, she always  
4 made it somewhere and to phone me. And phone me and I'd go  
5 meet her there. She was all drunk one time (indiscernible)  
6 she couldn't even hardly walk. She said, "Yeah, but, you  
7 know, she's -- the crowd she was following around with them  
8 because they're all over." I walked her across -- I had to  
9 hold on to her because she was just drunk and walk -- like,  
10 couldn't even hardly walk.

11 And then I couldn't just leave her there so  
12 I called the ambulance for her, we were on my  
13 (indiscernible) house. They took her to the hospital and,  
14 I don't know, she -- she woke up. She slept there until  
15 she could sober.

16 And with Jennifer, I feel kind of guilty. I  
17 kind of blame myself because we had a meeting with the cops  
18 one time and I told them that that guy did that to another  
19 girl. She died the same way, diabetic. And that cop said,  
20 "If we would've knew that, we would've investigated in it  
21 more." But I was so drunken, I couldn't handle it. I  
22 didn't talk to anybody. I tried to save my sisters, I  
23 can't.

24 And those cops didn't really do anything,  
25 right. They just, like, "They're just drunks and they're,"

1           because, yeah, Aboriginal, that's why. Those cops  
2           should've did -- did more. They should do their job  
3           better.

4                           **CAITLIN HENDRICKSON:** I'm wondering if you  
5           would tell the Commissioners a little bit about what you  
6           were sharing yesterday while we were just talking about how  
7           you've changed your own life and -- and how things have  
8           really -- what -- what changed for you?

9                           **NANCY GABRIEL:** I used to drink and do  
10          drugs and all that. And I used to drink everything. Used  
11          to drink mouthwash, hairspray, that stuff going to the  
12          hospital. And I used to do crack. I used to do every  
13          drugs too. I met my husband on a -- on the street and we  
14          drank.

15                         And so one night I was, which I was scared  
16          to go to sleep and I wouldn't get up. Like, my husband  
17          found me in the hospital once, I had seizure  
18          (indiscernible) [I used to have] seizures so I'd just walk  
19          all night. I said, "Stay with me, I'm too scared to  
20          sleep." He said, "No, just go to be, you'll be okay."

21                         But I was walking around all night and I  
22          ended up on Spence (Ph.) and Ellice, there's a bridge  
23          there, I sat there. And I didn't know I was pregnant and I  
24          just said, "Oh, God, please help me." I said, "I just want  
25          to sleep where -- I'm -- I'm so tired. I'm scared my heart

1           won't -- will stop and I'm tired of this."

2                           And then -- then that's it, and I just,  
3           like, walked around and then I didn't quit right away.

4           That was, like, in December I think I prayed that -- and I  
5           didn't know I was pregnant, just talking out loud, like, I  
6           talked it out loud because no-one was around. It was,  
7           like, early in the morning. So then I bought some alcohol,  
8           like, I bought vodka and all that. And put it in my closet  
9           for my birthday in January 15th.

10                           Come January 14th, I went to the doctor's, I  
11           found out I was pregnant with my daughter [Daughter 1]  
12           (Ph.). And I come home, I told -- told -- told my husband,  
13           I said, "I'm -- we're going to have a baby." All excited  
14           and, "What about my birthday," I said. And I said, "Well,  
15           I don't have to tell anybody yet. Just -- I'll just drink  
16           one more time." But then I said, "No, but I know already."  
17           And I didn't touch it after that.

18                           And I believe God gave me my daughter. And  
19           I believe that's how I quit drinking. God took it all  
20           away. And, you know, I didn't have no cravings. I didn't  
21           want it anymore. So that -- me saying that on Spence and  
22           Ellice, I didn't know I was praying but He heard me and  
23           took it all away.

24                           **CAITLIN HENDRICKSON:** Yeah.

25                           **NANCY GABRIEL:** I didn't touch alcohol or

1 drugs again. I had my daughter -- I had my daughter  
2 [birthdate], 2010. And I got married June 25th eight years  
3 ago. My husband drank on a social but then -- and my  
4 father-in-law did. He's 82 now. And then they didn't  
5 touch anything no more. It was all quick, like, together.  
6 Because all three of us, we drank, eh, and did stuff. Even  
7 my -- my old father-in-law. He even lived on the street  
8 with us too and -- because I was homeless for a while --  
9 quite a while. And, yeah. That's how I quit drinking.  
10 Who got -- the Creator took it away from me ---

11 **CAITLIN HENDRICKSON:** M'hmm.

12 **NANCY GABRIEL:** --- and I'm very thankful  
13 for that because I almost OD'd on cocaine once. I --  
14 because it -- I'm legally blind, eh. So I used to have to  
15 get people to mix that stuff in the needle for me.

16 **CAITLIN HENDRICKSON:** M'hmm.

17 **NANCY GABRIEL:** And this guy, I told him,  
18 "Yeah, just give me half of it." But he just -- he just  
19 did his already and he did the whole thing. And -- and he  
20 said, my eyes are rolling back pretty -- everybody took  
21 off. That was in the gallery. And he just lost a girl --  
22 girlfriend like that. So he stayed with me and he wet a  
23 towel, put it around my neck. He kept talking to me and he  
24 said, "No, don't roll your eyes." And I came through. And  
25 I'm thankful that guy stayed with me. I wouldn't be here.

1                   **CAITLIN HENDRICKSON:** M'hmm.

2                   **NANCY GABRIEL:** Yeah. And so after I quit  
3 and tried to get Julia to quit along with me, she got a  
4 place and she got -- had a nice place in -- but she still  
5 drank there and I couldn't -- she -- I'm glad she got to  
6 meet my daughter.

7                   And, yeah. We tried to get her away from  
8 that guy too and she was, like, in a wheelchair that time -  
9 - the last time I seen her. "What's wrong with you? How  
10 come you're in there?" And, you know, that guy must have  
11 bought it and she had something wrong with her legs.

12                   I said, "Let's take you back to the  
13 hospital." And that guy wouldn't let me take her. I tried  
14 to pull her in the wheelchair and that guy pushed me away.  
15 I said, "But she -- sneak away and come to my place once  
16 you -- once you," -- I said, "You're welcome to come over  
17 any time." And she came to my house once and I tried to  
18 keep here there but she always ran away. Yeah.

19                   **CAITLIN HENDRICKSON:** I know it's hard to  
20 share about that, but when you -- when you were sharing  
21 that yesterday, I thought it was a very important thing for  
22 the Commissioners to know that -- just how resilient you  
23 are and how far you've come through all of this -- through  
24 all of this pain and trauma.

25                   **NANCY GABRIEL:** I'm glad I have my husband

1 and my mom. Those are the two I -- the two I talk to. And  
2 I'm glad I started the beading class because I got the  
3 family members there to help me.

4 **CAITLIN HENDRICKSON:** M'hmm.

5 **NANCY GABRIEL:** Because with -- it -- it --  
6 it really hurts. Like, I know I have one other sister but  
7 we're -- we're not -- we're close but not that close. But  
8 I was closer with my other sisters because I was raised  
9 with them.

10 **CAITLIN HENDRICKSON:** M'hmm.

11 **NANCY GABRIEL:** We were involved with CFS,  
12 all of us. Like, they had to bring workers, like, when we  
13 ran away and they didn't like us, those -- those workers.  
14 We didn't run away from my mom. It's just what we were  
15 going through -- joined when we moved from the reserve to  
16 here. And I think that's why we ran away from different  
17 transaction, eh.

18 And then when we had kids, our kids were in  
19 the same class, like, all my kids. [Daughter 1]'s the only  
20 one that wasn't in CFS. And CFS tricked me into signing  
21 papers. I didn't know I signed my girls away. Because I  
22 went for a visit and they said they weren't there so -- and  
23 the father wasn't -- didn't come with me because he was  
24 busy drinking.

25 I don't -- I said, "I want pictures then."

1 And then CFS said, "Well, you got to sign this." And I  
2 said, "No, there's no-one here to read it for me. He said,  
3 "It's -- just sign it for the pictures." I signed those  
4 papers and said, "Okay. See you next week when I have my  
5 visit."

6 I went back and they said I couldn't see  
7 them no more because I signed them away. I said, "I never  
8 signed them away." They said, "Yeah, you did last week."  
9 And I said, "That's not right." I said, "He said that was  
10 only for pictures." I said, "I didn't know -- know I did  
11 that." I never seen my girls again. I don't know where  
12 they are. [Daughter 2] was a year and a half, and my other  
13 one was a baby. I don't know where they are. That's why I  
14 don't like CFS.

15 **CAITLIN HENDRICKSON:** So you had two other  
16 daughters?

17 **NANCY GABRIEL:** Yeah, I have two other  
18 daughters.

19 **CAITLIN HENDRICKSON:** How old are they now?

20 **NANCY GABRIEL:** I had one in 1993 and '94.  
21 So how old would they be?

22 **CAITLIN HENDRICKSON:** So they're adult age  
23 now.

24 **NANCY GABRIEL:** Pardon me?

25 **CAITLIN HENDRICKSON:** They're adults now?

1                   **NANCY GABRIEL:** Yeah. And I believe they  
2                   have kids already. I found them on Facebook but -- I got  
3                   my husband to search for them. And my oldest daughter,  
4                   they changed her last name. My other daughter still has  
5                   the same name.

6                   And they asked me, "Who are our siblings?"  
7                   And who's our dad?" And they asked me, "How long have you  
8                   been looking for us?" And, like, what have I been doing.  
9                   I said, "I've been looking for you's for a long time. Ever  
10                  since I lost you's at CFS."

11                  And, like, I didn't explain it right I don't  
12                  think. I named my other sibling -- their other siblings.  
13                  I put all my other kids' names down and it -- what I didn't  
14                  tell them, I don't know, I kept [Daughter 1]. So they must  
15                  think I kept all my other kids and just gave them away.

16                  And they asked me who their dad was. I  
17                  didn't want to tell them but I told them anyway. And then  
18                  after that they blocked me. I couldn't contact them no  
19                  more. I don't even know where they are. I didn't get a  
20                  chance to ask them where they were.

21                  They kept my husband as a friend for a  
22                  little but -- and then when their birthdays came up, I told  
23                  him to say happy birthday. And then they -- they blocked  
24                  him next. I pray that I get to see them one day before  
25                  anything happens to me because I'm a severe diabetic. I

1 don't know.

2 My sister Julia named most of my kids for  
3 me. I was in contact with my sister Julia's little boy.  
4 He -- he's a miracle baby because he -- he -- she had her  
5 kid early. He had to be -- he was born under the light.

6 So I'm going to Wayway this weekend and he  
7 heard I was going so he -- I called him and he said,  
8 "Auntie, you're going to Wayway?" I said, "Yeah." "I need  
9 to go with you. I need that closure. I need to know if  
10 that's for real," about Cody.

11 I'm going to take him out there and take him  
12 to the graveyard because Cody's two brothers and sister, I  
13 couldn't get them there because they were incarcerated.  
14 But I was Cody's next of kin, and my mom tried to get them  
15 out too and they wouldn't have -- let them come to the wake  
16 or the funeral. I tried my hardest. And told those cops,  
17 I said, "It's your -- your kind that did that to my Cody."  
18 I said, "I wouldn't even be talking about this if it wasn't  
19 for that cop that hit him." And getting into -- "Just let  
20 them out." I said, "They need that -- they need that  
21 closure to say bye," I said. And they wouldn't let them  
22 out.

23 So [T.] wants -- wants to go out there with  
24 me so I'm going to bring him. And I'm going to take them  
25 to the graveyard. [Gloria's Granddaughter 1] didn't go.

1 She's waiting for me to take her.

2 **CAITLIN HENDRICKSON:** Do you want to talk  
3 about what happened to Cody now?

4 **NANCY GABRIEL:** Yeah.

5 **CAITLIN HENDRICKSON:** So we'll just make  
6 note that what happened to Cody. The investigation is  
7 still open, correct?

8 **NANCY GABRIEL:** Yeah.

9 **CAITLIN HENDRICKSON:** And so we would ensure  
10 that this portion would be held in camera privately so that  
11 that doesn't interfere with any of that. But I'll let you  
12 speak to what you'd like to talk about Cody.

17 [...]

18 **NANCY GABRIEL:** The guy that did that to my  
19 little sister Jennifer, he died. And I believe that's  
20 payback. Because the way that guy died, he died in a  
21 (indiscernible) house, all alone, no-one did know he died  
22 until that smell came out. And that's how he died. What  
23 he did to my sister, all right -- that guy did that to  
24 another woman too. And, you know, he was a bad guy. For  
25 Julia, I just wish she could've made it home. Sometimes I

1       feel so alone. I feel like -- I went through lots, I  
2       buried my son, buried my two sisters, buried Cody, my  
3       grandma. It's like my family's gone, you know. I'm glad  
4       I've got my mom though. And my husband. And I'm glad I  
5       got beading class and the families. I didn't go to bed  
6       until, like, four his morning so -- I didn't know how to  
7       deal with this. It's going to be hard in the next few  
8       days. Bringing up all of this. I haven't talked about it  
9       for ---

10                   **CAITLIN HENDRICKSON:** M'hmm.

11                   **NANCY GABRIEL:** I never really talked about  
12       Jennifer because I don't remember -- I don't remember it.  
13       And I feel kind of guilty for my sister Jennifer. And  
14       after we had a meeting with those cops, they made me feel  
15       guilty, like, if I would've said something it would've --  
16       they would've been able to put him away. I'm try to kind  
17       of blame myself. I don't like that feeling. Sometimes I  
18       want to drink again. But I pray. I pray and I think of my  
19       family. Sometimes I don't want to. I miss my sisters so  
20       much. And I miss Cody. My heart just aches. I just want  
21       that cop to know how -- what he took away from us. And  
22       that cop shouldn't get away with it. If somebody hit their  
23       partner, they would be in jail right away. And why does he  
24       get to stay out? Not right what he did to Cody. I don't  
25       know how I'm going to deal with this after.

1                   **CAITLIN HENDRICKSON:** You've got your  
2 support here. That's why this process isn't something you  
3 go through along, right. It's not easy.

4                   **GLORIA LEBOLD:** Yeah, it's very hard.

5                   **CAITLIN HENDRICKSON:** You're bringing up a  
6 lot of feelings and -- and I -- I ask questions that bring  
7 up a lot more, and I try to do that in the best way that I  
8 can. But we're also here to make sure that when you're  
9 walking out the door to move on, that you're well  
10 supported, right.

11                   **GLORIA LEBOLD:** M'hmm.

12                   **CAITLIN HENDRICKSON:** Is there anything that  
13 you can think of that you'd like to see to honour your  
14 sisters and to honour Cody?

15                   **NANCY GABRIEL:** Like, what do you mean?

16                   **CAITLIN HENDRICKSON:** Just anything in  
17 general. Like, some people talk about it on a bigger scale  
18 of they want to see honour for our lost loves ones in large  
19 ways, you know, commemorated by the government. And other  
20 people talk about how they want to honour their families  
21 individually for those that they've lost. Is there  
22 anything you'd like to see happen to honour Jennifer, and  
23 Julia, and Cody? You've already honoured Cody, I think,  
24 because you talked about how it was his wish to be buried  
25 beside his mom, right?

1                   **NANCY GABRIEL:** Yeah. That was his request.  
2                   And I asked his siblings that were in jail, I said, "What  
3                   should I do with -- do you want me to take him back home  
4                   with your mom?" They said, "Yeah," that's what they wanted  
5                   so that's what I did. And for my other two sisters, I just  
6                   go there every year. I go the graveyard, I put flowers  
7                   down. And we go sun dance. That's what I do. I tell my  
8                   mom, "Okay. I'm going to the graveyard now." My mom can't  
9                   go to -- to our ---

10                   **GLORIA LEBOLD:** Yeah, it's very hard for me  
11                   to go.

12                   **NANCY GABRIEL:** So me and my brother -- my  
13                   brother lives out there. He's the one that helped me lots  
14                   with the funeral for Cody. He made crosses for my -- for  
15                   Cody. And that's what I do. I do -- I do that every year.  
16                   I go to the graveyard, put flowers and now I have to put  
17                   extra flowers for Cody. And I go there to see my grandma,  
18                   my sister Jennifer, sister Julia and now Cody. My son, I  
19                   don't know where he is. He's somewhere in that graveyard,  
20                   I just can't find him.

21                   **CAITLIN HENDRICKSON:** And that's out  
22                   Waywayseecappo?

23                   **NANCY GABRIEL:** Yeah. I had a little boy in  
24                   1991 but I did a lot of drugs and drinking with him. I had  
25                   him early and then he -- he only lived for about five hours

1 I guess. And then he died. I don't remember his funeral  
2 either that much. I don't do any -- I don't really know.

3 **CAITLIN HENDRICKSON:** Is there anything that  
4 you feel that you need in terms of the police  
5 investigations? Are you looking for any documentation that  
6 maybe you haven't seen before? Because one thing that I  
7 refer most families to when they're going through this  
8 process, is to also help connect you to the Family  
9 Information Liaison Unit. And the purpose of -- of their  
10 organization is that they can help get records from police  
11 reports and things like that, to get information that you  
12 wouldn't normally be able to get. Like, if the hospitals  
13 are saying, "No, you can't have this," or the police were  
14 saying, "No, you can't have this," FILU will help do that  
15 with you.

16 **GLORIA LEBOLD:** Yes, I think that would be  
17 good for us.

18 **NANCY GABRIEL:** Yeah.

19 **GLORIA LEBOLD:** Yeah.

20 **CAITLIN HENDRICKSON:** That would be good?

21 **GLORIA LEBOLD:** M'hmm.

22 **CAITLIN HENDRICKSON:** Okay.

2                               [...]

3                   **CAITLIN HENDRICKSON:** And just for the  
4       record, that was our support Matilda on the record there.  
5       Is there anything else that you'd like to share today? Is  
6       there anything else that I might have missed that you think  
7       is important for the Commissioners to know?

8                   **NANCY GABRIEL:** I just wish you could, like,  
9       I don't know, when things happen like this, get the cops to  
10      do a better job. To, like, I wish we could, like, get them  
11      to change their mind, like, one day by Native people, not  
12      to judge them right away. And to ---

13                   **CAITLIN HENDRICKSON:** I ---

14                   **NANCY GABRIEL:** --- do a good job to ---

15                   **CAITLIN HENDRICKSON:** Yeah.

16                   **NANCY GABRIEL:** --- to find out what happens  
17      to them. Not just judge them right away because of the way  
18      they look. I believe if they would've investigated better,  
19      would've got justice for my sisters. Instead we didn't get  
20      nothing.

21                   **CAITLIN HENDRICKSON:** I think that's what a  
22      lot of families we've spoken to are asking for, is better  
23      police response.

24                   **NANCY GABRIEL:** Like, right away ---

25                   **CAITLIN HENDRICKSON:** More ---

1                   **NANCY GABRIEL:** --- when they find Native  
2                   people, they judge them right away, right.

3                   **CAITLIN HENDRICKSON:** M'hmm.

4                   **NANCY GABRIEL:** It's not right.

5                   **GLORIA LEBOLD:** We never did get justice for  
6                   the girls, you know, my two daughters. Nothing. All we  
7                   had was their bodies and that was it, you know. I didn't  
8                   think they -- I don't think they did a thorough  
9                   investigation at all. A lot of times I don't trust the  
10                  police at all. You know, I just ---

11                  **NANCY GABRIEL:** I don't have trust in them  
12                  anymore. I really never did. Especially when I was  
13                  younger, when I used to run away. They used to beat me up,  
14                  those cops used to beat me up. I stuck up for myself once  
15                  and I -- and I kick them in the head and I got a -- a worse  
16                  licking after. Those cops are -- I even dated a cop once  
17                  when I used to work on the street.

18                  I used to have to work on the street. I got  
19                  forced to. And followed the same way my sisters did, like,  
20                  I got beaten up, I had to work on the street. One night he  
21                  made me walk out this area, just behind the west here, and  
22                  I stood there all night, all day. And he come back, come  
23                  and collect the money. And he said, "Okay. Stand out  
24                  there longer." If I didn't, I get beaten up.

25                  And I thought I was going to get arrested

1           once because a cop told me to get in. But he paid me and  
2           he, "Don't tell anybody," he told me. I never opened my  
3           mouth until now. But I got out of that lifestyle, you  
4           know. I -- I'm -- I'm a survivor.

5                           **CAITLIN HENDRICKSON:** M'hmm.

6                           **NANCY GABRIEL:** And I just wish my sisters  
7           would've survived with me.

8                           **CAITLIN HENDRICKSON:** M'hmm.

9                           **NANCY GABRIEL:** I couldn't get them out of  
10          that cycle. Now I'm trying to stop my sister -- my  
11          daughter from the cycle. I tell her everyday, "Don't ever  
12          -- don't let -- ever let anybody touch you the wrong way."

13                           **CAITLIN HENDRICKSON:** M'hmm.

14                           **NANCY GABRIEL:** I told her that happened to  
15          me when I was eight years old. I said, "I want to protect  
16          you from that. And you don't keep nothing from mommy and  
17          daddy." I try to change our -- the cycle, you know.

18                           **CAITLIN HENDRICKSON:** M'hmm.

19                           **NANCY GABRIEL:** And now I got [Sister 1]'s  
20          kids living with me. I'm trying to get them to go the  
21          right way. Like, what I said, "What are you guys going to  
22          do if I die? Who you guys going to run to?" It's just,  
23          like, my house is like a safe house. You know, the kids  
24          run to me. And then I got my Sister 1nd her husband coming  
25          over, eating.

1                   And then my daughter said, "Mom, we have to  
2           get lots of food. We feed everybody." I said, "I know."  
3           And I -- I -- I'm teaching my daughter, like, people come  
4           over, feed them, offer them something. And I said, "Always  
5           feed them. Don't -- don't be stingy." And she says, "I  
6           know." I'm trying to stop the cycle from the way the cycle  
7           was when we were younger.

8                   **CAITLIN HENDRICKSON:** M'hmm.

9                   **GLORIA LEBOLD:** But [Sister 1]'s not  
10          listening to you yet.

11                  **NANCY GABRIEL:** No, [Sister 1]'s not  
12          listening to me. I get so scared for her too.

13                  **GLORIA LEBOLD:** I talk to her, talk to her.  
14          She don't listen to me either.

15                  **NANCY GABRIEL:** We -- we talk too and  
16          everything. I tell her, "I did it. You could do it." And  
17          now her kids are drinking with her and she's lost. I have  
18          her -- when I have her at home, I talk to her. And I tell  
19          her, "I'm so scared for you sometimes." I said, "I'm  
20          scared you're going to end up like Julia and Jennifer." I  
21          said, "And then what am I going to do?" I said, "I'll have  
22          no sisters." That's what I tell her. "You -- can you stop  
23          your drinking and drugs," I said. She won't listen to me.

24                   Trying to stop her daughter from drinking  
25          and doing that meth too. She said she hasn't been on meth.

1 She's still drinking though. I'm trying so hard to save my  
2 family, but I can't.

3 **CAITLIN HENDRICKSON:** You're doing  
4 everything you can though, right.

5 **NANCY GABRIEL:** Pardon me?

6 **CAITLIN HENDRICKSON:** You're doing  
7 everything you can.

8 **NANCY GABRIEL:** Yeah.

9 **CAITLIN HENDRICKSON:** You're working very  
10 hard to raise your daughter in a good way.

11 **NANCY GABRIEL:** Yeah. Because when I --  
12 when I found out I was pregnant with her, me and my husband  
13 both said, "We're going to give her a life that we never  
14 had." And that's what we're trying to do for her.

15 **GLORIA LEBOLD:** I love -- when Nancy was on  
16 the street drinking, they found her passed out in -- in a  
17 bus shack. And there was heaters there. I guess she fell  
18 asleep and ---

19 **NANCY GABRIEL:** I burnt here.

20 **GLORIA LEBOLD:** Yeah, she burnt.

21 **NANCY GABRIEL:** I had to have 32 staples.

22 **GLORIA LEBOLD:** I found her in the hospital.  
23 I thought she was going to die. Boy, did she look  
24 terrible. But that's where they use to go warm up, I  
25 guess, you know, when you were drinking. Lot of times I

1           seen her passed out on the street. I'd get off the bus,  
2           I'd go try to wake her up and I'm so happy she quit  
3           drinking.

4                        My -- [Sister 1]'s kids there, they -- they  
5           drink, you know. There's -- two of them are into drugs.  
6           But the other grandchildren, I never hear them drinking,  
7           like, you know. Like, from either of Jennifer's boys or  
8           even he's up now, he has two little kids and he works. So  
9           he doesn't -- he's not into drugs or alcohol. But I talk  
10          to them a lot of times when I can see them.

11                      I don't get to see all of -- all of them all  
12          the time because they all live in different places. Some  
13          are not in the city. I've got two great-grandsons living  
14          in Ontario horse ranches I think.

15                      **NANCY GABRIEL:** Yeah.

16                      **GLORIA LEBOLD:** Yeah. And we have one  
17          great-grandson that's in a home. I've only seen once. I  
18          don't even know where he's -- where they're keeping him.  
19          They bring him ---

20                      **NANCY GABRIEL:** Oh, [Gloria's Granddaughter  
21          1]'s boy.

22                      **GLORIA LEBOLD:** Yeah.

23                      **NANCY GABRIEL:** I don't know. I have -- my  
24          son [Son 1], his dad has been missing since it's, like, 16  
25          years now. Never been found. He's still a missing

1 person's. My son asks me -- me, "Who's my dad." And he  
2 said, "Hey, that guy that used to come give me money. Is  
3 that my dad?" "Yeah." And then he seen a picture of him  
4 hanging -- hanging at the thing over here because he used  
5 to live here at the (Indiscernible) younger with [Sister  
6 1]. I was in that transition centre there that time. But  
7 I still went to drugs and alcohol.

8 So they were going to take my son away, and  
9 I even took him to [Sister 1] and [J.]. "Do you want to  
10 have [Son 1]," I said, "Because they're going to take him  
11 away. They said, "Yeah, bring him here." So I took him to  
12 my sister's. And he used to come there no matter how drunk  
13 he was. He'd still go there and drop money off for them.  
14 And then we found out that he went missing. Never been  
15 found. I don't even know.

16 Now his sisters want to meet my son. Well,  
17 they seen him when he was a baby but they want to see how  
18 big he is now.

19 **CAITLIN HENDRICKSON:** M'hmm. And did he  
20 grow up with [Sister 1]?

21 **NANCY GABRIEL:** Pardon me?

22 **CAITLIN HENDRICKSON:** Did he stay with  
23 [Sister 1]?

24 **NANCY GABRIEL:** Yeah. He -- they're the  
25 ones that raised him.

1                   CAITLIN HENDRICKSON: Okay.

2                   NANCY GABRIEL: But they knew I was his mom.

3                   CAITLIN HENDRICKSON: And how old ---

4                   NANCY GABRIEL: I was ---

5                   CAITLIN HENDRICKSON: --- how old is he now?

6                   NANCY GABRIEL: Pardon me?

7                   CAITLIN HENDRICKSON: How old is he now?

8                   NANCY GABRIEL: How old is [Son 1]?

9                   GLORIA LEBOLD: He's in -- going to be 19  
10           soon I think.

11                  NANCY GABRIEL: Yeah.

12                  CAITLIN HENDRICKSON: Okay.

13                  GLORIA LEBOLD: And [Sister 1] raised  
14           Julia's first child as well.

15                  NANCY GABRIEL: Yeah, his name was [Nephew  
16           1].

17                  GLORIA LEBOLD: [Nephew 1]. That's the one  
18           I talked about yesterday. He was in jail for four months  
19           breaching. And that is eight years ago, and he quit  
20           drinking.

21                  NANCY GABRIEL: Yeah, he changed his life  
22           too. I think he changed his life because when he --  
23           incarcerated when Julia passed away, they had to bring him  
24           in handcuffs. And he -- it's just very hard for him to see  
25           his mom like that. So when he was in jail, he had time to

1 think of what his daughter's going to -- got no-one and all  
2 that. So he changed his life in there. He came out, got  
3 back together with his girlfriend and now he has a very  
4 good job. He's doing good for himself.

5 **CAITLIN HENDRICKSON:** Good. I'm glad to  
6 hear a lot of strengths about your family.

7 **NANCY GABRIEL:** Some kids are doing good,  
8 some are -- they kind of -- well, especially the ones that  
9 Cody still didn't -- they're kind of lost right now. Like,  
10 the ones -- the three that just got out of jail --  
11 [Gloria's Granddaughter 1] just got out yesterday.

12 She was charged for something like this with  
13 -- that guy was in the car with her -- her, I don't know he  
14 was to her but she -- he didn't believe in seatbelts. He  
15 was a friend of the family's and they were coming from  
16 Wayway I think. But -- but he rolled the car. And that  
17 guy went through the windshield and died. So she was being  
18 charged for that. And when she found out that cop hit her  
19 brother, it really hurt her and it really got her mad.  
20 Because he said, "Why am I still sitting in jail and he's  
21 not in jail?" Because she was getting charged for what is  
22 that?

23 **GLORIA LEBOLD:** Criminal negligence causing  
24 death.

25 **NANCY GABRIEL:** Yeah.

1                   **CAITLIN HENDRICKSON:** And how long was she  
2           in ---

3                   **NANCY GABRIEL:** June 11th was one year she  
4           was in there. So and then she got out yesterday so ---

5                   **GLORIA LEBOLD:** I don't know the ---

6                   **NANCY GABRIEL:** Fourteen months I guess she  
7           was in there. So they give her time served. But she's  
8           still on three years probation I think.

9                   **CAITLIN HENDRICKSON:** M'hmm.

10                  **NANCY GABRIEL:** So that's what's got her  
11           angry and hurt her because that cop not in jail and she --  
12           she let -- she was still in jail and -- and that didn't --  
13           couldn't go to the funeral. So that's -- that's really,  
14           really bad, eh. Like, he hit -- he killed my nephew and he  
15           didn't even go to jail. Like, why is he so special? Like  
16           ---

17                  **GLORIA LEBOLD:** My granddaughter, [Gloria's  
18           Granddaughter 1], she was -- she -- because it happened  
19           near -- near Wayway Reserve and that was a jurisdiction so  
20           that's where she had to go to court. And the court case is  
21           being held by elders over there in the reserve. And they  
22           heard all the stories are -- that was presented in court.  
23           And they were -- that she was abused and, like, they  
24           interviewed all of us about her. And so this person, I  
25           guess, send a report and they listen to all the reports and

1 so they gave her time served.

2 **CAITLIN HENDRICKSON:** But she had to wait a  
3 year for that court?

4 **NANCY GABRIEL:** Yeah. Over a year.

5 **GLORIA LEBOLD:** Over a year, yeah.

6 **NANCY GABRIEL:** Yeah.

7 **GLORIA LEBOLD:** I don't know if they do that  
8 in all the reserves, if they have court cases. I do not  
9 know, it's been a while now since Wayway was doing that.  
10 My mom used to sit in there to. She was one of the people  
11 in court.

12 **CAITLIN HENDRICKSON:** I don't think it's all  
13 of the reserves that would be equipped for that but it's  
14 good to see that there is some practicing their own justice  
15 systems.

16 **GLORIA LEBOLD:** Yeah. They should do that  
17 in all the reserves.

18 **CAITLIN HENDRICKSON:** M'hmm.

19 **NANCY GABRIEL:** My brother back home, I told  
20 him what I'm doing and he said, "Yeah, you and mom should,"  
21 -- because he has questions but he doesn't come out and ask  
22 or anything. Because he lives back home. He says, "Why  
23 don't you get answers about the cops and all that?" I  
24 said, "I'm trying." And he -- he wants questions answered,  
25 I can't answer them. I told him, "I'm trying to do

1 everything. I'm trying." Well, "Me and mom are trying to  
2 do everything," I said. We're trying to get closure, we're  
3 trying to do everything. He wants answers but I can't give  
4 him answers. He wants answers about my sisters, I say, "I  
5 don't know." About our sisters. He wants answers about  
6 Cody.

7 Like, I got two -- two of those death  
8 certificates, I guess. One for Julia, one for Cody. I got  
9 the autopsy report. I said, "I shouldn't even have these  
10 things." Something I thought I'd never have -- have to do.  
11 Thought I'd never have to be a next of kin. And I don't  
12 like it.

13 **CAITLIN HENDRICKSON:** Those -- those  
14 documents that you have, if -- if you'd like, we do also  
15 review those documents as part of the testimonies as well.  
16 So we could always ---

17 **NANCY GABRIEL:** Yeah.

18 **CAITLIN HENDRICKSON:** --- take a copy of it  
19 for the Commissioners to review it.

20 **NANCY GABRIEL:** Yeah.

21 **CAITLIN HENDRICKSON:** If you were able to  
22 get it to us or somebody at the Winnipeg office.

23 **NANCY GABRIEL:** Yeah, I've got them at home.

24 **CAITLIN HENDRICKSON:** Okay. That'll be  
25 great.

1                   **NANCY GABRIEL:** I, like, keep their stuff  
2                   separate. And I got Cody's autopsy report and I got  
3                   Julia's. And those cops should, you know, when the -- when  
4                   they find somebody, they should tell -- tell the next of  
5                   kin and tell the parents. Like, face to face, not tell --  
6                   give it to somebody else to tell them.

7                   **CAITLIN HENDRICKSON:** M'hmm.

8                   **NANCY GABRIEL:** Like, you know, that's not  
9                   their job to do -- tell me -- like, it wasn't my husband's  
10                  job to tell me. It should've been that cop that told me.

11                  **CAITLIN HENDRICKSON:** M'hmm.

12                  **NANCY GABRIEL:** Like, so we wouldn't have  
13                  to, like, phone all over, you know, and ---

14                  **GLORIA LEBOLD:** Instead of somebody else  
15                  telling you.

16                  **NANCY GABRIEL:** Yeah, like, we don't know if  
17                  it's true or not. Like, if the cops would've told us  
18                  themselves, then we would've believed it right away, right.  
19                  Like, it was hard to believe it when somebody else tells  
20                  you and it's not -- you don't want to believe it and they  
21                  should follow their way that they're supposed to tell the  
22                  next of kin face to face, not -- not the way they do it.

23                  **CAITLIN HENDRICKSON:** M'hmm.

24                  **NANCY GABRIEL:** They put that job on my  
25                  husband to do that for me. And that was a -- hardest thing

1           he had to do he said because he was close with my sister  
2           too.

3                           **CAITLIN HENDRICKSON:** Yeah.

4                           **NANCY GABRIEL:** And to put that thing on  
5           somebody else is terrible. Those cops should do their  
6           things right.

7                           **CAITLIN HENDRICKSON:** So I don't have any  
8           more questions for you and I'm -- are you ready to wrap up  
9           and ---

10                          **NANCY GABRIEL:** M'hmm.

11                          **GLORIA LEBOLD:** I am, yes.

12                          **CAITLIN HENDRICKSON:** Okay.

13                          **NANCY GABRIEL:** So how do I get those  
14           documents to you?

15                          **CAITLIN HENDRICKSON:** We'll talk about it  
16           after. It's 11:36. I'm going to shut off the recording.
