Student/Postdoctoral Supervision

Bachelor's [n=4]

Principal Supervisor Hannah Schrek (Completed) , Ryerson University
Student Degree Start Date: 2013/4
Student Degree Received Date: 2013/7
Project Description: Systematic Review of Indigenous midwifery and reproductive care

Co-Supervisor	Jon Rabineck (Completed) , University of Victoria Student Degree Start Date: 2009/9 Project Description: Strengthening Health Literacy Among Indigenous People Living With Cardiovascular Disease, Their Families and Health Care Providers
Principal Supervisor	Robby Qammaniq (Withdrawn) , Trent University Student Degree Start Date: 2008/4 Project Description: Summer Student - Food, Environment and Contamination, and Parental Feeding Behaviour of Inuit in a Historical and Contemporary Context
Principal Supervisor	Priscilla Jennifer Gardipy (Completed) , First Nations University Student Degree Start Date: 2006/4 Project Description: Summer Student - Research Project: Kokum, What Makes a Baby Well

Bachelor's Equivalent [n=1]

Principal Supervisor	Enrich Payant (Completed) , College Boreal Student Degree Start Date: 2014/2 Student Degree Received Date: 2014/7 Project Description: Student Placement Project: Well Living House Research Assistant
----------------------	---

Bachelor's Honours [n=1]

Principal Supervisor	Chloe Nepinak (Completed) , University of Guelph Student Degree Start Date: 2009/9 Student Degree Received Date: 2012/4 Project Description: Summer Student Present Position: Bachelor of Education
----------------------	---

Master's Equivalent [n=2]

Principal Supervisor	Christian Wells (In Progress) , Ryerson University Student Degree Start Date: 2016/9 Student Degree Expected Date: 2018/3
Co-Supervisor	Melissa Yu (Completed) , University of Toronto Student Degree Start Date: 2010/9

Master's non-Thesis [n=8]

Principal Supervisor	Erika Pulfer (In Progress) , University of Toronto Student Degree Start Date: 2016/9 Student Degree Expected Date: 2018/6 Present Position: Masters of Public Health Practicum Student
Principal Supervisor	Raina Loxley (In Progress) , Dalla Lana School of Public Health, University of Toronto Student Degree Start Date: 2016/9 Student Degree Expected Date: 2018/6 Present Position: Practicum Student
Principal Supervisor	Chloe Xavier (Completed) , University of Toronto Student Degree Start Date: 2015/9 Student Degree Received Date: 2017/3 Present Position: Masters of Public Health Practicum Student
Principal Supervisor	Emma Mew (Completed) , University of Toronto Student Degree Start Date: 2015/9 Student Degree Received Date: 2017/3

- Principal Supervisor Michelle Olding (Completed) , University of Toronto
Student Degree Start Date: 2014/1
Student Degree Received Date: 2014/5
Project Description: Masters in Public Health Placement Student Project: Our Health Counts GTA Urban Aboriginal Health Assessment
- Principal Supervisor Julie Kang (Completed) , University of Toronto
Student Degree Start Date: 2011/9
Student Degree Received Date: 2015/8
- Co-Supervisor Mona Grey (Completed) , University of Toronto
Student Degree Start Date: 2011/9
Student Degree Received Date: 2014/4
Project Description: Systematic review of Indigenous midwifery and reproductive care
- Principal Supervisor Melissa Yu (Completed) , University of Toronto
Student Degree Start Date: 2011/4
Student Degree Received Date: 2011/12
Project Description: Aboriginal Maternity Experience Survey - MPH Practicum Student
Present Position: Medical Student

Master's Thesis [n=4]

- Co-Supervisor Stephanie McConkey (In Progress) , University of Western
Student Degree Start Date: 2016/4
Present Position: Master's Student
- Co-Supervisor George Kitching (Completed) , Norwegian University of Science and Technology
Student Degree Start Date: 2016/1
Present Position: Masters of Public Health Practicum Student
- Principal Supervisor Priscilla Jennifer Gardipy (Completed) , University of Saskatchewan
Student Degree Start Date: 2007/4
Project Description: Summer Student - Research Project: Kokum, What Makes a Baby Well?
- Co-Supervisor Mariah Battiste (Completed) , University of Saskatchewan
Student Degree Start Date: 2005/9
Student Degree Received Date: 2011/4
Project Description: Aboriginal women and Maternal Health: Nurturing the Future
Present Position: university lecturer and community based researcher

Doctorate [n=13]

- Academic Advisor Anoushka Moucessian (In Progress) , School of Kinesiology and Health Studies, Queen's University
Student Degree Start Date: 2016/9
Student Degree Expected Date: 2022/6
- Principal Supervisor Renee Monchalain (In Progress) , University of Toronto
Student Degree Start Date: 2015/9
Student Degree Expected Date: 2019/6
Project Description: Sexual Health Promotion for Metis Youth
- Academic Advisor Mike Anderson (In Progress) , University of Toronto
Student Degree Start Date: 2015/9
Student Degree Expected Date: 2019/9
Project Description: Palliative Care in First Nations and Urban Indigenous Communities

Principal Supervisor	Celina Nahanni (In Progress) , University of Toronto Student Degree Start Date: 2014/9 Project Description: LEAD Practicums
Co-Supervisor	Farihah Ali (In Progress) , York University Student Degree Start Date: 2014/9 Student Degree Expected Date: 2018/6
Academic Advisor	Kristina Klopfer (In Progress) , University of Toronto Student Degree Start Date: 2013/9 Student Degree Expected Date: 2018/9 Project Description: Understanding Bias Among Social Service Providers Working with Aboriginal Communities [Area of Study: Clinical Child Psychology]
Academic Advisor	Bernice Downey (Completed) , McMaster University Student Degree Start Date: 2011/4 Student Degree Received Date: 2014/9 Project Description: Strengthening health literacy among Indigenous people living with cardiovascular disease, their families, and health care providers
Principal Supervisor	Victor Vien (Completed) , University of Toronto Student Degree Start Date: 2010/9 Project Description: Medical Resident. Health Care Professional Education Research – Indigenous Cultural Safety (Psychiatry Elective)
Academic Advisor	Billie Allan (Completed) , University of Toronto Student Degree Start Date: 2009/9
Co-Supervisor	Michelle Firestone (Completed) , University of Toronto Student Degree Start Date: 2008/4 Student Degree Received Date: 2008/8 Project Description: Summer Student Project - Research Project: The Use of Community and Cultural Resources in Case Management for Aboriginal Populations Who Experience Concurrent Mental Health and Substance Abuse: A Realist Approach to Synthesizing Evidence
Co-Supervisor	Sarah Oosman, (Completed) , University of Saskatchewan Student Degree Start Date: 2006/9 Student Degree Received Date: 2012/6 Project Description: Addressing Healthy Bodyweights through a Culturally Appropriate Health Promoting School Program for Aboriginal Youth
Academic Advisor	Vivian Welch (Completed) , University of Ottawa Student Degree Start Date: 2006/9 Student Degree Received Date: 2010/8
Co-Supervisor	McShane Kelly (Completed) , Ryerson University Student Degree Start Date: 2003/9 Student Degree Received Date: 2007/8 Project Description: Family Health and Parenting in an urban Inuit community Present Position: Assistant Professor, Ryerson University

Doctorate Equivalent [n=7]

Co-Supervisor	Joel Pidutti (In Progress) , University of Toronto Student Degree Start Date: 2014/9 Student Degree Expected Date: 2015/5 Project Description: Community Partnerships in Indigenous Health Research - Needs Assessment and Barriers to Utilization among University Faculty
---------------	--

- Co-Supervisor Sophie Bourgeois (In Progress) , University of Toronto
Student Degree Start Date: 2014/3
Student Degree Expected Date: 2019/6
Project Description: FamilyMedicine Elective in Indigenous Health Research
- Principal Supervisor Marc Labelle (Completed) , University of Toronto
Student Degree Start Date: 2013/6
Student Degree Received Date: 2013/11
Project Description: Indigenous men's health needs assessment in the GTA
Present Position: Medical Student
- Principal Supervisor Nathan Milsner (Completed) , University of Toronto
Student Degree Start Date: 2013/6
Student Degree Received Date: 2013/11
Project Description: Indigenous men's health needs assessment in the GTA
Present Position: Medical Student
- Principal Supervisor Jessica Watson (Completed) , University of Saskatchewan, College of Medicine
Student Degree Start Date: 2006/4
Project Description: Summer Student
Present Position: MD
- Principal Supervisor Laura Noak (Completed) , University of Ottawa
Student Degree Start Date: 2004/4
Project Description: Summer Student - International Indigenous Research Methodologies
Present Position: MD
- Principal Supervisor Andrew Bond (Completed) , University of Ottawa
Student Degree Start Date: 2003/4
Project Description: Summer Student - Curriculum Development in Aboriginal Health
Present Position: MD

Post-doctorate [n=15]

- Principal Supervisor Raglan Maddox (In Progress) , St. Michael's Hospital
Student Degree Start Date: 2015/5
Student Degree Expected Date: 2016/2
Project Description: Applied Indigenous Public Health and Health Services Evaluation
- Principal Supervisor Melody Morton Ninomiya (Completed) , St. Michael's Hospital
Student Degree Start Date: 2015/3
Student Degree Received Date: 2017/3
Project Description: Truth-telling: Developing and testing a tool to assess knowledge translation practices for health research with Indigenous communities in Canada
- Co-Supervisor Angela Mashford-Pringle (Completed) , ACHIEVE, St. Michael's Hospital/ University of Toronto
Student Degree Start Date: 2014/9
Student Degree Received Date: 2016/3
- Principal Supervisor Billie Allan (Completed) , St. Michael's Hospital/University of Toronto
Student Degree Start Date: 2014/1
Student Degree Received Date: 2015/3
Project Description: Urban Aboriginal Health Assessment in the GTA
- Co-Supervisor Margaret Robinson (Completed) , Centre for Addictions and Mental Health (CAMH)
Student Degree Start Date: 2014/1
Student Degree Received Date: 2014/10
Project Description: Two-Spirited Talking Circle Series

- Principal Supervisor Marcie Snyder (Completed) , St. Michael's/Univeristy of Toronto
 Student Degree Start Date: 2013/6
 Student Degree Received Date: 2016/2
 Project Description: Sharing Women's Knowledge: Understanding Mobility, Relationality, and Identity as Pathways to Improving Urban Aboriginal Maternal and Family Health and Birthing Services
- Principal Supervisor Michelle Firestone (Completed) , St. Michael's/Univeristy of Toronto
 Student Degree Start Date: 2013/1
 Student Degree Received Date: 2014/12
 Project Description: Respondent Driven Sampling as a Tool for Community-Based Aboriginal Health Assessment and Health Service Evaluation within the Context of Addiction and Mental Health
- Co-Supervisor Anthony Higgins (Completed) , St. Michael's Hospital/University of Toronto
 Student Degree Start Date: 2011/9
 Student Degree Received Date: 2011/5
 Project Description: Residency Research Project - Food security in Moose Cree Nation
 Present Position: MD
- Co-Supervisor Nihaya Daoud, (Completed) , Ben-Gurion University
 Student Degree Start Date: 2010/3
 Project Description: Aboriginal perinatal and maternal health
 Present Position: Lecturer
- Principal Supervisor Emily van der Meulen (Completed) , St. Michael's Hospital/University of Toronto
 Student Degree Start Date: 2009/10
 Student Degree Received Date: 2011/8
 Project Description: Aboriginal Sex Workers' Needs Assessment
 Present Position: Assistant Professor, Ryerson University
- Co-Supervisor Suzanne Shoush (Completed) , St. Michael's Hospital/University of Toronto
 Student Degree Start Date: 2009/9
 Student Degree Received Date: 2010/5
 Project Description: Residency Research Project - Transmission of H1N1 by air travel among First Nations communities in Northern Manitoba
 Present Position: MD
- Co-Supervisor Gallaher Gilbert (Completed)
 Student Degree Start Date: 2008/9
 Student Degree Received Date: 2009/9
- Co-Supervisor Lisa Richardson (Completed) , St. Michael's Hospital/University of Toronto
 Student Degree Start Date: 2007/11
 Project Description: Internal Medicine Residency - Research Elective
 Present Position: MD
- Principal Supervisor Kelly McShane (Completed) , Ryerson University
 Student Degree Start Date: 2007/7
 Student Degree Received Date: 2008/12
 Project Description: Systematic Review of Indigenous Parenting programs
 Present Position: Assistant Professor, Ryerson University
- Co-Supervisor Mike Patterson (Completed) , University of Ottawa
 Student Degree Start Date: 2005/9
 Student Degree Received Date: 2007/5
 Project Description: First Nations in Cyberspace: Two Worlds and Tricksters where the Forest Meets the Highway
 Present Position: Research Associate

Community and Volunteer Activities

- 2018/5 Participant, University of Blue Quills
Newo-isihcikewinamâwikapesiwin Four Ceremonies Gathering Cultural Camp provides a collective experience in a natural land-based setting. The camp brings generations together to nurture & celebrate the spirit of the family. Participants access social & spiritual opportunities to empower communities to break abuse cycle & continue the healing journey for generations yet to be born.
- 2018/3 - 2018/12 Participant, Colour of Poverty - Colour of Change Network
Data Policy Roundtable with Advocacy Groups
- 2018/8 - 2018/8 Participant, Indigenous Physicians Association of Canada Conference
- 2018/6 - 2018/6 Participant, Canadian Institutes of Health Research
CIHR Indigenous Healthy Life Trajectories Initiative (I-HeLTI) Development Workshop;
Meeting Objectives: (1) To share ideas about the CIHR I-HeLTI, Indigenous worldviews and related research; (2) To hear from the CIHR Development Grant recipients regarding their priorities as they relate to a DOHaD approach and developing an intervention cohort design; and (3) To create a space for networking, discussion and exchange regarding potential strategies for strengthening a full application to a CIHR I-HeLTI funding opportunity.
- 2018/6 - 2018/6 Committee Member for Elizabeth Bird, The University of Manitoba

Knowledge and Technology Translation

- 2016/1 Senior Editor, Consultation Service
Target Stakeholder: Academic Personnel
Activity Description: Canadian Journal of Public Health
- 2015/1 Senior Editor (Indigenous Health), Involvement in/Creation of Start-up
Group/Organization/Business Served: Canadian Journal of Public Health
Target Stakeholder: Academic Personnel
- 2014/5 Member, Consultation Service
Target Stakeholder: Healthcare Personnel
Activity Description: Public Health Ontario Healthy Kids Community Challenge Scientific Reference Group
- 2014/5 Chair, Policy/Regulation Development
Target Stakeholder: General Public
Activity Description: Aboriginal Stream Scientific Subcommittee of the Public Health Ontario Healthy Kids Community Challenge Scientific Reference Group
- 2012/2 Chair, Policy/Regulation Development
Target Stakeholder: General Public
Activity Description: College of Family Physicians Canada Aboriginal Health Working Group
- 2011/12 Member, Consultation Service
Target Stakeholder: Healthcare Personnel
Activity Description: Competencies for Indigenous Public Health, Evaluation and Research
- 2009/10 Member, Consultation Service
Target Stakeholder: Government Personnel
Activity Description: National Statistics Council, Statistics Canada

2014/4 - 2019/4	<p>Lead, Research Uptake Strategies</p> <p>Group/Organization/Business Serviced: Forum for Indigenous Implementation Research & Evaluation (FIIRE) Network</p> <p>Target Stakeholder: Healthcare Personnel</p> <p>Outcome / Deliverable: FIIRE is an Indigenous knowledge network and an integral part of the Pathways to Health Equity for Aboriginal Peoples. FIIRE is made up of representatives from 9 national and regional Aboriginal organizations (involved in the Pathways to Health Equity for Aboriginal Peoples), Well Living House researchers and trainees, identified researchers leading exemplar studies in Indigenous health implementation projects, and a select group of Indigenous public health policy makers. This team meets quarterly by teleconference and annually in person. FIIRE has established working groups to work on 4 national consensus documents on Indigenous implementation science. The establishment of the FIIRE is intended to use an Indigenous approach that works with the complexities and assumptions of both Indigenous and mainstream academic knowledge and practices. Evidence of Uptake/Impact: Canada's Fundamental Science Review featured FIIRE commentary.</p> <p>References / Citations / Web Sites: http://www.welllivinghouse.com/what-we-do/projects/clearing-the-pathways-to-health-equity-applied-public-health-chair/forum-for-indigenous-implementation-research-evaluation-fiire-network/</p> <p>Activity Description: This team meets quarterly by teleconference and annually in person. When FIIRE meets, a lot of information is shared and discussed. For example, systematic reviews conducted by Well Living House researchers are presented and a dialogue circle to achieve consensus takes place. FIIRE has established working groups to work on 3 national consensus documents on Indigenous implementation science. The establishment of the FIIRE is intended to use an Indigenous approach that works with the complexities and assumptions of both Indigenous and mainstream academic knowledge and practices.</p>
2018/5 - 2018/9	<p>Facilitator, Consultation Service</p> <p>Group/Organization/Business Serviced: Southwest Ontario Aboriginal Health Access Centre (SOAHAC)</p> <p>Target Stakeholder: Academic Personnel</p> <p>Outcome / Deliverable: Review Outcome Mapping Evaluation Methodologies for suitability from a community/Indigenous respect and accountability perspective</p>
2017/1 - 2018/1	<p>Lead, Research Uptake Strategies</p> <p>Group/Organization/Business Serviced: University of Toronto</p> <p>Target Stakeholder: Academic Personnel</p> <p>Activity Description: Global Health Education Initiative Program - ModuleTitle: Advocacy and Special Populations</p>
2009/10 - 2017/10	<p>Participant, Research Uptake Strategies</p> <p>Group/Organization/Business Serviced: National Statistics Council</p> <p>Target Stakeholder: Academic Personnel</p>

- 2017/6 - 2017/6 Participant, Policy/Regulation Development
 Group/Organization/Business Serviced: Health Research Caucus, Research Canada
 Target Stakeholder: Government Personnel
 Outcome / Deliverable: Presented at the Parliamentary Research Caucus Reception on Indigenous Health and Research in Canada: A Parliamentary Roundtable. Presentation: Addressing Indigenous Health Disparities. Building Capacity in Research, Communities and the Health System for Indigenous Peoples'
 Evidence of Uptake/Impact: Research Canada established the Health Research Caucus (HRC) in 2009, bringing together Canada's leading researchers with parliamentarians of all stripes for an exchange of ideas. Caucus events offer parliamentarians an opportunity to learn about recent and exciting developments arising from the laboratories of Canada's world-leading health researchers. Through the HRC, Research Canada engages elected officials, policy-makers and key industry stakeholders to advocate for long-term, sustainable health research funding that spurs innovation and ensures that Canadian citizens are among the healthiest in the world.
 References / Citations / Web Sites: <https://rc-rc.ca/indigenous-health-canada/>
 Activity Description: The Parliamentary Health Research Caucus on Indigenous Health Research in Canada was held June 5, 2017 on Parliament Hill and featured groundbreaking health research conducted by Métis, Inuit, First Nations and non-Indigenous health researchers in Research Canada Member organizations working in partnership with Indigenous communities in Canada. Parliament Hill and will feature groundbreaking health research being conducted by Métis, Inuit, First Nations and non-Indigenous health researchers in Research Canada Member organizations working in partnership with Indigenous communities in Canada. It stimulated Indigenous health research, created new knowledge and supported research partnerships and the involvement of Indigenous communities.
- 2009/6 - 2014/6 New Investigator Award in Indigenous Knowledge Translation, Research Uptake Strategies
 Group/Organization/Business Serviced: Canadian Institutes of Health Research
 Target Stakeholder: Academic Personnel
 References / Citations / Web Sites: New Investigator Award – Indigenous Knowledge Translation, CIHR, \$325,000
- 2009/4 - 2014/3 Principal Applicant, Community Engagement
 Target Stakeholder: Academic Personnel
 Activity Description: CIHR New Investigator Award in Knowledge Translation

International Collaboration Activities

- 2017/9 Member, Netherlands
 International Narrative Exposure Therapy Network with Foundation Centrum '45.
- 2017/6 Member, United States
 International Workshop: Engaging Indigenous Communities in Tobacco Control Research. Society for Research on Nicotine and Tobacco Annual Meeting
- 2017/5 Member, Australia
 Aboriginal and Torres Strait Islander Community Health Service in Brisbane and Merck for Mothers Baby Bundles Project
- 2017/4 International Meeting Lead, Canada
 International Indigenous Cohort Studies Meetings
- 2011/5 Founding Member (w/ AUS, US, NZ), United States
 CIPHER – Competencies for Indigenous Public Health, Evaluation and Research

2005/1	Member, United States Indigenous Health Measurement Group
2015/2 - 2015/2	Co-Author & International Meeting Lead, Canada International Meeting Regarding Racism and Indigenous Health. Based on Report Entitled: First Peoples, Second Class Treatment: The Role of Racism in the Health and Well-being of Indigenous Peoples in Canada Countries included: USA, NZ, AUS, CAN
2010/1 - 2013/12	Principal Investigator for Canada (Partners AUS, NZ), New Zealand Research Project - Strengthening Health Literacy Among Indigenous People Living with Cardiovascular Disease, their Families, and Health Care Providers

Presentations

- (2018). From Intention to Impact: Achieving Indigenous Social Value in Health Services and Research. Queens University School of Kinesiology and Health Studies Annual Research Colloquium, London, Canada
